4. ***District Scheduling*.** Each school shall enter into a two-year, home and home contract with all other schools in the assigned district. All district contests shall be played on the last playing dates of the regular season.

A) Each school in a district must play all other schools in that district. District games shall take precedence over non-district games in terms of scheduling. The entire district schedule must be set before contracts for non-district games are finalized.

B) If the district teams cannot *agree by majority vote, on a district schedule, each team will draw a number and the schedule shall be drawn as follows*. (The second year's schedule would be identical with the exception of reversing home and away contests). The drawing shall be administered by the team listed first on the district assignments. This will **not** be the district manager, which will be chosen at a later date.
