Assistant Scorekeeper (Tracker) will record the substitutions and replacements above by placing a slash (/) through the number of the player being subbed or replaced and placing the substitute's number or "L" (for the libero) next to it and to the right.

Enter the Libero's number next to the L: located at the top right of each tracking sheet. Enter the number of the starting player (SP) for each position in the serve order under SP. When the Libero enters, slash the player number and enter $L$. When the Libero is replaced, slash the $L$ and enter the replacement player's number. Record regular subs the same way. If the Libero serves, place a triangle around the serving order position in which the Libero served.
