Before the MSHSAA was formed in 1926, there were several outstanding football efforts that are included below for your reference:

\* **September 1913** - Carrollton beats Marceline, 148-0. It was the first game in Marceline history, and most of its players had never seen a football game before.

\* **Nov. 15, 1915** - Sikeston topples Kennett, 147-0

\* **Oct. 4, 1919** - Sikeston defeats Caruthersville, 148-0, establishing a southeast Missouri scoring record that still stands.

\* **Sept. 29, 1921** - St. Louis University High downs Belleville Township, Ill., 83-0 behind 12 team rushing touchdowns and 11 PAT's by Tom Stanton.

\* **1922 Season** - St. Louis University High allows just 6 points in 5 games played.

\* **November 1923** - Moberly beats Montgomery City 148-0. Moberly back Appleton rushes for 12 touchdowns and kicks 16 extra points to account for 88 of his team's tallies. This is long considered the state team and individual scoring records.

\* **1924 Season** - SLUH's defense grabs headlines, allowing 12 points in 7 games.

## lowest-scoring non-ties . . .

\* **Nov. 14, 1987** - South Holt defeats Rock Port on the road, 2-0.

## the best team ever? . . .

Before the MSHSAA football playoffs began in 1968, a team from Valle Catholic High School in Ste. Genevieve put together one of the most impressive seasons ever achieved by an American prep squad.

Aside from going undefeated in 1966, the Warriors did not allow a single point, posting 10 shutouts in as many efforts, while accumulating 535 points. Both the team's scoring average per game (53.5) and points allowed per game (0.0) are Missouri records.

Here is a game-by-game summary of Valle's 1966 dream season (including three straight road victories to close out the year) and the team's season stats:
