

The Diving Referee Shall:

- Review or have another official review the diving scoresheets and inform the diver/coach of any errors discovered, permitting correction of these errors until the diving competition begins (exception, 9-3-5)
- Before the diving competition, review with the judging panel the basis and scale for awarding points.
- Determine balks.
- Determine unsatisfactory and failed dives and instruct the judges as to the maximum point award allowable.
- Make the mandatory deduction for a violation in the forward approach and for a balk.
- After each dive; request the judging panel to post the values given to the dive.
- Determine disqualification of a diver and notify the diver or his/her coach at the time of infraction causing the disqualification.
- Authorize a dive to be repeated upon immediate request of the diver involved when the execution of the dive was influenced by exceptional circumstances.
- Resolve any disagreement on one dive prior to the next dive.
- Check the scorer's tabulation and sign the diving scoresheets making the diving results official.

Awarding Points:

1. The areas of consideration in awarding points are the starting position, approach, takeoff, flight and positions, and entry into the water.
2. Points shall be awarded by judges on a scale from 10-0 at ½ point increments according to the following:

a) Excellent 10	e) Deficient 2 ½ to 4 ½
b) Very good 8 ½ to 9 ½	f) Unsatisfactory ½ to 2
c) Good 7 to 8	g) Failed 0.
d) Satisfactory 5 to 6 ½	(See Appendix C, Guidelines for Judging Diving)
3. A dive is deficient if, in a judge's opinion:
 - a) The diver partially alters the position of the dive during flight.
 - b) A diver enters the water with one or both hands above the shoulders on a dive requiring a feet-first entry, or with one or both hands below the shoulders on a dive requiring a head-first entry.
4. A dive is unsatisfactory if, in the diving referee's opinion:
 - a) The dive is clearly done in a position other than that described on the diving scoresheet.
 - b) A diver hits the diving board.
 - c) A diver does not attempt to come out from the tuck or pike position.
 - d) A diver does not attempt to come out of the twist.
 - e) A diver does not hold the straight position until the body is horizontal to the water on any flying one somersault dives, or does not hold the straight position until the body is perpendicular to the water on any flying one and one half somersault dives
5. A dive is failed if, in the diving referee's opinion, the diver:
 - a) Executes a dive other than that given on the diving scoresheet.
 - b) Does not assume a starting position.
 - c) Falls into the water.
 - d) Is assisted by another person.
 - e) Does not execute the pike before the twist when dive Nos. 5111 B and 5411 B.
 - f) Does not contact the water with the head or hands first on a head-first dive or with the feet initially on a feet-first dive.
 - g) Executes a twist, as determined by the position of the diver's shoulders that is greater or less by more than 90 degrees of what is written on the scoresheet when the diver's feet/hands contact the water.
 - h) In a twisting dive, twists the shoulders past 90 degrees before the feet leave the board.
 - i) Repeats a dive.
 - j) Steps off the board after assuming the starting position.
 - k) Performs a dive requiring a forward approach from a standing forward position.
 - l) Omits the official description of the dive on the diving scoresheet;
 - m) Commits two balks.
 - n) In a dual meet, does not perform the voluntary dive first.
 - o) In a championship meet, does not perform the voluntary and optional dives as specified.
 - p) Performs a dive not listed on the diving table.
 - q) performs an additional bounce(s) on the end of the board after the culminating hurdle.

Mandatory Deductions

1. The Diving Referee shall deduct 2 points from each judge's award for:
 - a) A violation of the forward approach.
 - b) A balk.
2. Each diving judge shall deduct ½ to 2 points for:
 - a) Not stopping the oscillation of the board just before or after the starting position is assumed.
 - b) Excessive oscillation.
 - c) Foot/feet leaving the board prior to a back/inward takeoff.
 - d) Spreading the knees in the tuck position.
 - e) Entering the water to the side of the board.
 - f) Twisting manifestly from the board.
3. A diver shall be disqualified and shall perform no further dives, if he/she fails two dives. A diver shall be disqualified if in the judgment of the diving referee:
 - a) The diver did not make a sincere attempt to perform the dive.
 - b) It becomes obvious that the dives listed on the diver's scoresheet are too difficult for the diver.
 - c) The diver unnecessarily delays the performance of a dive.
 - d) The diver behaves in an unsporting manner.

The Diving Referee Shall:

- Review or have another official review the diving scoresheets and inform the diver/coach of any errors discovered, permitting correction of these errors until the diving competition begins (exception, 9-3-5)
- Before the diving competition, review with the judging panel the basis and scale for awarding points.
- Determine balks.
- Determine unsatisfactory and failed dives and instruct the judges as to the maximum point award allowable.
- Make the mandatory deduction for a violation in the forward approach and for a balk.
