# MSHSAA Presents the Distinguished Service Awards Program

The Distinguished Service Awards Program recognizes individuals and organizations at the local and state levels who have made extraordinary contributions to the interscholastic activities program. Certificates are available by request for local recognition.

State-level DSA recipients are selected annually from the nominations submitted to the MSHSAA by member schools.

DSA recipients will have exemplified the highest standards of the interscholastic program, demonstrated leadership within their community and provided services to the program beyond what is expected.

Take this opportunity to recognize well-deserving individuals by submitting an application for a deserving individual. For an application, contact the MSHSAA at (573) 875-4880 or schools may download the application from the MSHSAA on-line membership system.

The DSA program is underwritten and supported by Missouri Jostens representatives
