

MISSOURI STATE HIGH SCHOOL ACTIVITIES ASSOCIATION

Order No. _____

2009-10 MUSIC AWARDS ORDER FORM

The MSHSAA office is offering specially designed music awards for purchase. These awards recognize the outstanding performances of individual students and groups at the MSHSAA district and state festivals.

All awards are crafted of the highest quality. Each medal has been designed exclusively to the standards of the Missouri State High School Activities Association.

The plaque is designed to accommodate six engraved plates. The initial year, all engraving will be provided at the time of purchase, and the engraving cost per plate should be added to your order. In the following years, **the plate must be removed from the plaque and forwarded to the MSHSAA to have additional engraving and seal placed upon each plate. If the plate taken from the plaque is not included with your order for engraving you will be billed an additional \$7.00 per engraving for the plate to be supplied by the medal company. As a result, plates that are sent directly from the medal company cannot be guaranteed to line up with the original plaque.**

We hope you will continue to show your support for the MSHSAA interscholastic music program by purchasing the award. For your convenience the award will be shipped directly to the address listed on the order form below. **INCLUDE SCHOOL PURCHASE ORDER OR CHECK MADE PAYABLE TO MSHSAA WITH ORDER.**
