MSHSAA Admission Policy

An MSHSAA ticket is a revocable license and may not be resold. Tickets not purchased through an authorized agency are not valid and a holder may be denied admission or ejected. The Missouri State High School Activities Association is not responsible for, and will not replace, lost or stolen tickets. The date and/or time of this event may be changed. The holder of a ticket or a gate pass consents to a search of items as a condition for admission. A personal item may be confiscated if it is determined by event management to pose a safety concern.

Once admitted, exit and re-entry to the facility are not permitted without the purchase of a new ticket.

Smoking, use or possession of alcoholic beverages or any illegal substance, throwing of any items, and other such actions are prohibited. Umbrellas, cans, glass, strollers, oversized items, or food and containers or other items which could endanger safety are prohibited as determined a safety concern by event management.

Management reserves the right to eject any person whose conduct is deemed disorderly or inappropriate. Thank you, and enjoy this event!

Please see p. 30 for information on Saturday's Admission Policy.
