NOTE: The Weight Management Assessor Certification Courses are designed for those seeking certification for the first time. Recertification courses are designed for those who have already been certified and serving as an assessor; however; an individual may choose to attend either a Certification or Recertification course to meet the requirement for serving as a Weight Management Assessor for 2014-2018 Wrestling seasons. All certified assessors who were last certified during the fall of 2014 or after will not need to recertify until the fall of 2018.
