

# You are Welcome to use the MSHSAA Three-Year Calendar (3YC) as a School or Booster Club Fundraiser!

- Your cost is the same \$10 per 3YC.
- You pay no shipping. We absorb the cost by including this order with your Fall Rule Book Packet in late July.
- You resell each 3YC for whatever you wish. The profit is yours. We only hope to increase total units produced. Otherwise, we are out of it.
- For a point of reference, a generic no-color 1 year calendar at a box store is generally priced around \$20. A calendar similar to the 3YC is hard to find, even online, and will be priced as high as \$50-60 when you can find it. It also will not have three years' worth of high school specific information. This fundraising suggestion actually came from a member school athletic director who had a few parents purchase 3YCs to record the 'careers' of their children and found they had more information about seasons and dates than they were used to getting.
- Or you can use this as a way to provide free calendars to your entire staff - sell 25 calendars at \$20 each to boosters and the \$10 per calendar profit covers the cost of giving out 25 additional calendars to your staff.

- **TO ORDER**, simply add the number of calendars to your order when you complete your 2017-18 activity registration. The cost will be added to your registration invoice.
- If you prefer the order be done separately, and not as a part of your registration invoice, contact the MSHSAA office and place your order with Jill Burke. The order will still be shipped with your Fall Rule Book packet.
