Re: **Admission of Cheerleaders -- State Wrestling**

The MSHSAA is requesting your assistance in proper admission of cheerleaders as intended by the MSHSAA and the Spirit Advisory Committee. The limits that are set for admission are not unique to wrestling or any sport. They are designed around the nature of the sport, the facility limits and equality between sports. (Reference: Spirit Manual).

With these thoughts in mind the following instructions are to be followed for cheerleader admittance at the State Wrestling Championships.

INSTRUCTIONS FOR CHEERLEADERS AND CHEER COACHES

1. The Cheer Coach event pass should be claimed at the Cheerleader Entrance. The entrance is located on the northeast corner of the Mizzou Arena around the corner of the building from the Main North Entrance Doors on the east side.
2. If different sponsors will be supervising at different sessions, they must have the Cheer Coach event pass. It is the SCHOOLS responsibility to make arrangements to see that the Cheer Coach event pass is made available to the next coach. The coach event pass may be left at the Cheerleader Entrance if necessary.
3. The validated event pass will admit a Cheer Coach and a maximum of eight (8) cheerleaders **dressed** in matching uniforms.
4. **Only Cheerleading Groups as registered appropriately with MSHSAA and accompanied with school approved/certified coach will be recognized as a Cheerleading Squad for admittance purposes.**

ADDITIONAL INFORMATION:

- a. There are no pass outs.
- b. **Cheerleaders and coaches must enter together, as a group.**
- c. No replacement of the pass can be made if it is lost.
