

Available Equipment for State Music

The following equipment will be available at the Festival. If you need anything **not listed**, **bring your own or make your own arrangements to borrow from other groups**. The University of Missouri or MSHSAA will not supply instruments for solos, except piano solos and percussion solos and ensembles using the instruments listed below. The percussion equipment may be moved between the rooms by the performers depending upon their needs.

- Music stands will be available in all instrumental performance rooms.
- A piano will be available in all performance rooms – some may be electronic pianos. **There is no guarantee a piano bench will be provided.** There will be a chair to sit on.
- **Percussion Equipment Supplied:**
 - **Memorial Union North Stotler 1:** One bass drum, one set of chimes, four timpani (32", 29", 26", 23"), one Yamaha acoustalon marimba with low A, one xylophone, one vibraphone.
 - **Memorial Union North Stotler 3:** One bass drum, one set of chimes, four timpani (32", 29", 26", 23"), one Musser marimba with low E, one xylophone, one vibraphone.
 - **Memorial Union South Chapel (Friday and Saturday Only):** One low A marimba.
 - **Waters Auditorium (Saturday Only):** one low E marimba. Please note, the entrance to this building has a metal pole between the outside set of doors for security. The metal pole cannot be removed as it is tied to the security system for the building. You may have to partially take your equipment apart to get it through the outer set of doors.

Note: **No** mallets or beaters are furnished. Equipment may be moved between the performance rooms throughout the day so please check the other rooms to locate what you may need prior to your performance time.
