

Policy on School Passes for the Track and Field State Championships

- All coaches will check in at the lower south gate for a wrist band. Please have Photo ID ready to claim wristband.
- Only APPROVED coaches on the MSHSAA website will be allowed entrance to the field. This includes completed online rules reviews.
- Superintendents, principals, and athletic directors of qualifying schools can sign in for one pass each at “Will Call” by presenting a picture ID. These administrators must be listed on the MSHSAA website in order to obtain the pass.
- If another administrator will be taking the place of one of the above-mentioned positions, permission must be granted by the MSHSAA office by 4:00 p.m. on the Wednesday before the meet.
- Bus drivers can sign in at “Will Call” for a pass after presenting a **letter from the school and a picture ID.**
- Any athletic trainer or physician who desires to work for the meet’s sports medicine staff throughout the Championships must call Ben Kuster at (573) 556-5770 to express such interest and, upon approval, to obtain a pass and credentials separate from the school’s count.
