2013-2014 PHYSICIAN'S CLEARANCE WRESTLER <u>BELOW</u> BODY FAT ALLOWANCE

Any male wrestler whose body fat percentage, at the time of initial assessment, is below 7% must obtain a written physician's clearance stating that the athlete is naturally at this sub-7% body fat level. In the case of a female wrestler, written physician's clearance must be obtained for athletes who are sub-12% body fat. A physician's clearance is for one season duration and expires March 1 of each school year.

Note:	The sub-7% male or sub-12% female, who receives clearance, may not wrestle below his/her initial
	assessment scratch weight unless that scratch weight is within 0.9 of a pound of the next lowest weight
	class. (Maximum weight loss for these athletes is 0.9 lbs.)
