

MSHSAA Large Group Festival Entry Instructions

General Information

You must have registered as a user with the MSHSAA Festival Manager program and updated your profile before you will be allowed to enter **ANY** festival. To update your profile, log in to the MSHSAA Festival Manager Program and follow the directions on the opening page. It will prompt you to add the proper school to your profile and ask for names of your students and accompanist. You will need to list the names of the students who are performing in your large ensembles as well as you will be asked to provide the list of students participating in your large groups to the MSHSAA office.

Next, check to see if your accompanist is listed. If not, please add their name and city where they reside, the program will **not** 'double-book' your accompanist, even if they play for many different schools during your festival if as long as all schools agree on the spelling of the accompanists name (i.e. Patricia Smith, versus, Patty Smith, versus Pat Smith). The program would consider this to be 3 different individuals and therefore double-book the accompanist. **Please include the city where the accompanist resides.** This should easily identify accompanist's that may share the same name and allow you to select the correct accompanist.

An accompanist may register as a user with the Festival Manager program to access a copy of their schedule. In order for this option to work you must use the accompanist's correct name.

DO NOT list an accompanist as 'Eagles1' or 'Rushmore HS'. The accompanist will **not** be able to access their complete schedule if the names do not match and the false name will be removed from the accompanist list immediately.

REMINDER: Please use proper format when entering all participants. Avoid using all upper or lower case letters.

Be sure the 'pop-up' blockers are turned off. To test for this, click the '**Help**' button at the top of the page, you will find a test for pop-up suppression here. **If you do not turn this off, you will not be able to see all entry pages, or view the PML (Prescribed Music List).**

How to Enter a Large Group

After you log into the MSHSAA Festival Manger, click on the '**Registration**' button located on the **gray toolbar** at the top of the page (see **red** arrow, Figure 1). You can use the '**Filters**' (see **yellow** arrow, Figure 2) at the top of the page to display a particular district, type or instrument type of festival. Before you select your festival please click the '**Details**' link (see **blue** arrow, Figure 2) located on the left hand side of the screen (under the Name Column). This contains additional information regarding the festival. Once you find the festival you are assigned to attend, click on the name of the festival (for example, State Park Hill Large Group-Choir). If the festival name appears in **gray** the window has **not** opened and the entry process cannot begin. The window to submit entries will open **2 weeks prior** to your district entry deadline. To see when the window will open place your mouse pointer over the name of your festival and click. A pop-up window will appear with this information. A list of **2018** festival dates and deadlines is also available on the MSHSAA website under the 'music activities' link. You can also click on the name of the manager of the festival and an email window will appear if you have a specific question that you want to send to your festival manager.

PLEASE REVIEW SECTIONS 4 and 5 OF THE MSHSAA MUSIC MANUAL FOR CHANGES IN THE VOCAL AND INSTRUMENTAL LARGE GROUP ENTRY PROCESS.

To add a group, select 'add group' (see blue arrow, Figure 5). A new screen will appear with the title 'Large Group'. (Fields in red are required fields and must have information entered before you will be allowed to proceed with the entry process). Fill in the Name (i.e. Sunset Concert Choir, Sunset Wind Ensemble, etc.) and Event Type from the drop down boxes (red arrow, Figure 6). Group size is the actual number of students in this particular event. The class is the official MSHSAA classification of this group. The program will default to your MSHSAA classification for the **top group**. If using an accompanist, (**choirs only**), select that individual from the drop down box provided. (Remember this is an inclusive list for all MSHSAA Music Festivals and the accompanists name should only appear once on the accompanist list.) If you are entering instrumental groups please indicate the number of stands and chairs you will need (**Do not forget the percussion section**). Next enter your selections and composers. This information will now appear on the adjudication form. This information will also appear in a report to be viewed by anyone interested in seeing what type of literature is being performed across the state at the large group festivals. Please take the time to complete this information.

Figure 5

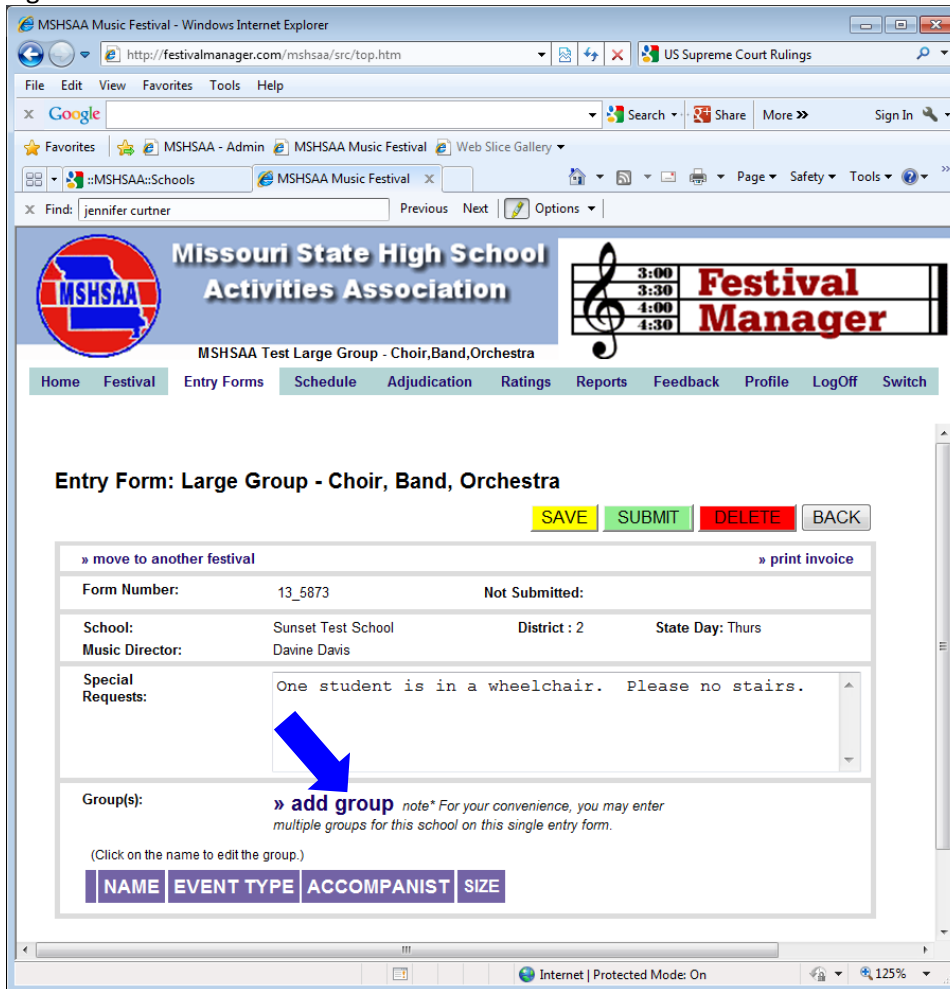

Figure 6

If you are entering **multiple choirs or instrumental groups** you must **adjust** the **second or subsequent group class to reflect the correct level to ensure your groups perform the appropriate sight reading selection**. Refer to Section 4-B (choirs) and Section 5-B-3 (instrumental) for information on second and/or subsequent large group entries. It is **not** the district manager's responsibility to validate this information.

If you are a Class 1, 2 or 3 school entering a mixed choir you will be asked to identify the voicing of the selections you sing during the performance evaluation (i.e. SAB or SATB). The pop-up window below will appear (Figure 7) once you select the 'create' button. **If the entry is performing only SATB literature you must perform SATB literature during sight reading (See Section 6-A of the MSHSAA Music Manual)**. If the group is performing one SAB and one SATB selection it is the director's choice if the group will be performing SAB or SATB during sight reading. This will ensure that your group has received the correct selection upon entering the sight reading room. This pop-up will only appear for class 1, 2, and 3 mixed choir entries only.

Figure 7

Please review the information entered. If everything appears correct on the entry form, select the 'Create' button (see **green** arrow, Figure 8) in the top-right hand corner. You should see 'large group added' and select 'OK'. Another screen will appear recapping the information you just entered. Select the 'Back' button (If there is a problem with your entry it will be displayed at this time.) You will now see that the group has been added to your entry form at the bottom (Figure 9). If you have additional large groups that will be attending this festival day please add them to this form by repeating the process.

DO NOT CREATE A NEW ENTRY FORM FOR EACH LARGE GROUP ATTENDING THIS FESTIVAL DAY.

Figure 8

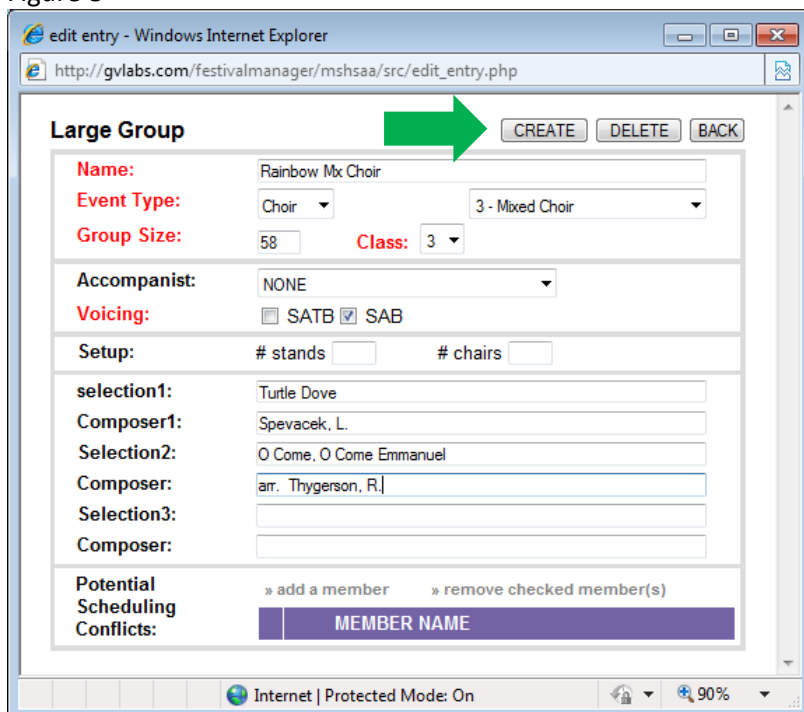

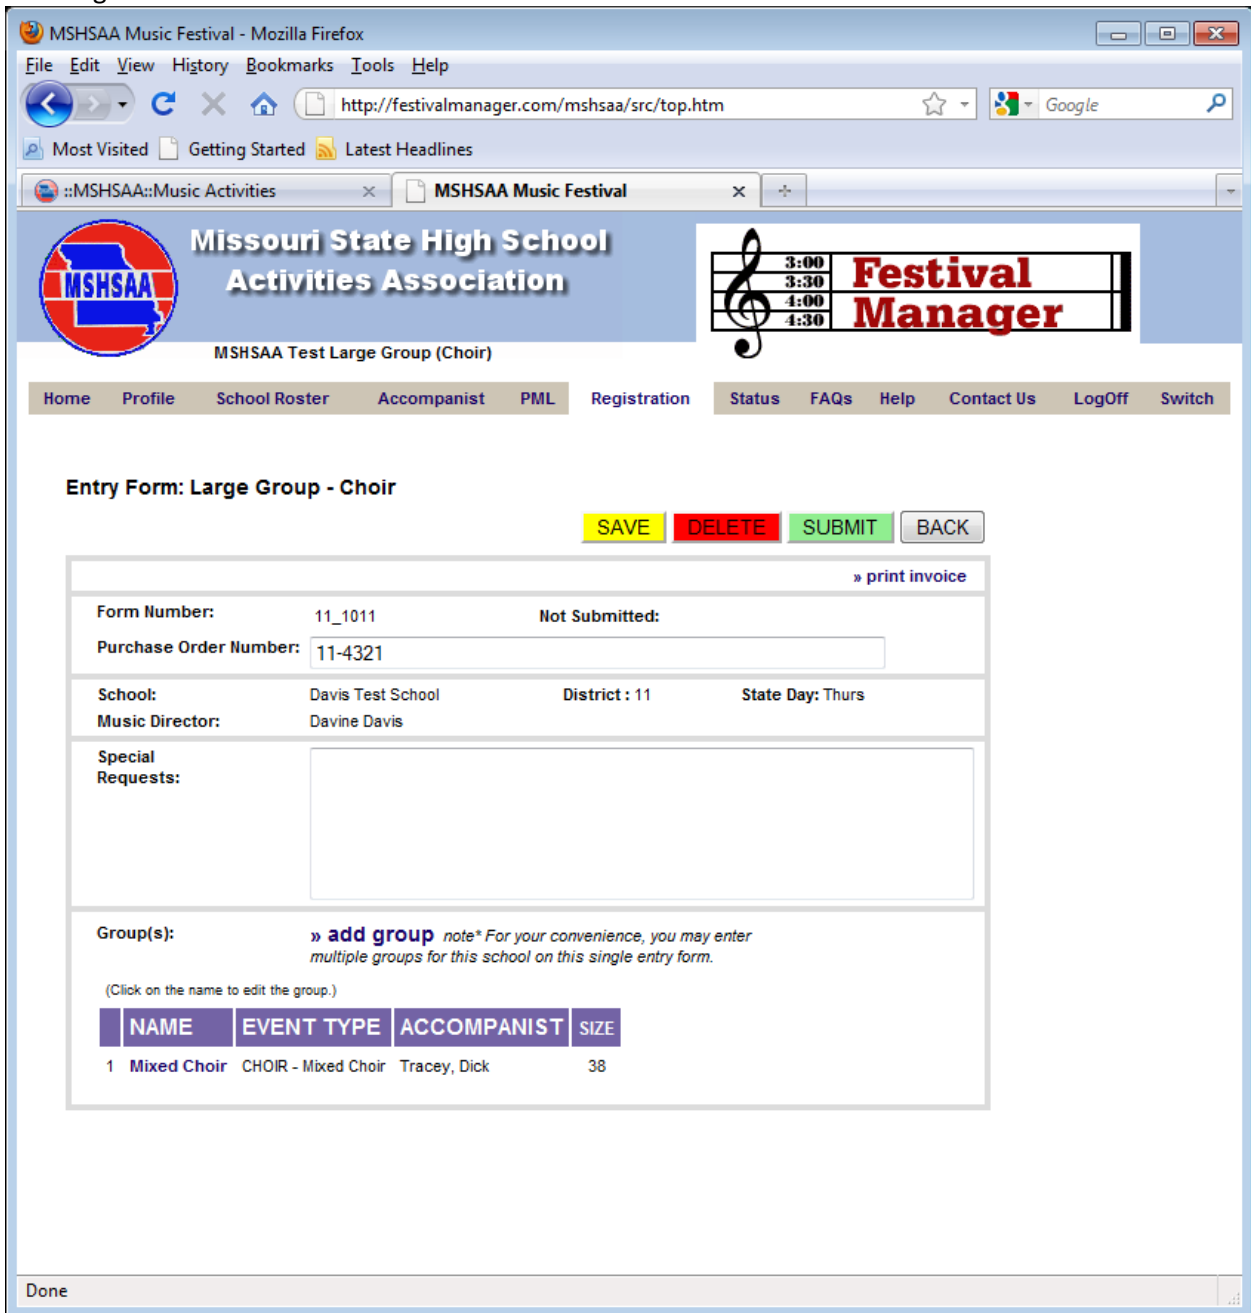

Figure 9

Please note that you can list names of any potential conflicts with students in your group. If you are attending a festival that has solos and large groups occurring on the same day, you can list the names of soloist(s) or ensemble member(s) to allow the manager to check for the conflicts when scheduling the solo/small ensemble portion of the festival. Select the 'add a member' (see blue arrow; Figure 10). Once all information has been entered select the 'Update', 'OK' and 'Back' buttons to save this information. Most festivals are **not** set up this way and most will **not** list any student conflicts.

Figure 10
