

## Directions for Unloading and Loading Busses

1. **All** school vehicles must enter Hitt Street from the south and travel north (**one way traffic**).
2. Students will be unloaded on the east side of Hitt Street only (Union side). **During peak unloading/loading times both sides of Hitt Street may be utilized. Please follow the directions given by the University Police Campus Safety Officers.**
3. After unloading students, drivers should park their busses in lot RP10 (Truman's Landing). Truman's Landing is located at the bottom of the hill on Providence Rd. See Bus Parking Map link on next page.
4. A large sign bearing the name of your school **MUST** be placed on the emergency door of **each** bus to aid University personnel in identifying vehicles on the lot.
5. Drivers should follow map below to get to Hitt Street.
6. At Hitt Street, near the beginning of Closed Campus, drivers should stop and an officer will validate the Hitt Street Pass.
7. As you park on the east side of Hitt Street you will have **20 minutes for loading**. At the end of this time the bus will have to leave Hitt Street.
8. If students have **not** arrived and your bus must move, an officer at Hitt & University Streets will initial your pass so you may get back in rotation without returning to Truman's Landing (Lot RP10).
9. To get back in parking rotation, turn east on University Avenue, south on College Avenue and west on Rollins Street which will bring you back to the officer at Hitt Street.
