

# PERFORMANCE TRACKING LIST

## Reminders

**ONLINE PERFORMANCE TRACKING ON [www.DirectAthletics.com](http://www.DirectAthletics.com):** Coaches must submit any state qualifying performances on the Direct Athletics Online Performance Tracking System, as soon as possible after the respective meet, but **NO LATER THAN SEVEN DAYS following** the meet. Submittals shall take place in an ongoing fashion throughout the swimming and diving season. There will be a fine of \$25.00 per late submission that is used for state entry. Please refer to the instructions available on the MSHSAA website, under the swimming/diving area for more information and the steps to follow. There is some set-up required for use of this online tracking system, such as creating a username/password; please allow time for set-up prior to the due date for your first meet.

a. **Location:** [www.DirectAthletics.com](http://www.DirectAthletics.com)

b. **Timeline:** Coaches will have ONE WEEK from the date of the meet to submit state qualifying performances on the Direct Athletics Online Performance Tracking System.

c. **Philosophy/Procedures:**

1. Coaches shall input any and every qualifying performance that is better than the performance already listed for the athlete, even if it is believed the performance will be bettered later.
2. The Performance List is a snapshot of state qualifiers in the state of Missouri. We want and need it to be accurate and current. By not posting a qualifying time following a performance, you are creating a false picture of the Missouri performances at any point in time.
3. If you have concerns regarding times on the list or ones that do not appear on the list but should, please email Stacy Schroeder at the MSHSAA Office. Oversight of the performance list is positive; monitoring each other will help keep people honest. (See also "Challenges")
4. Fines are imposed for any qualifying time that is not submitted within seven days of the performance, and is ultimately used for state qualification.
5. Please assist us in using this list as intended – it really is a useful tool and a motivating factor for our Missouri athletes.
