PURPOSE AND PHILOSOPHY ([TOC](#))

- A. **MISSION STATEMENT:** The MSHSAA promotes the value of participation, sportsmanship, team play and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation.
- B. **PURPOSE OF MANUAL:** This manual has been prepared to provide a better understanding of the administration of MSHSAA sponsored events. It will serve as a guide to the participating schools and will provide for greater consistency. All information will be included in this manual except such supplementary or incidental information as may be included in the MSHSAA Journal. The regulations in this manual shall be considered official unless the schools are notified in a Special Bulletin of any changes.
- C. **PHILOSOPHY OF INTERSCHOLASTIC ACTIVITIES:** Interscholastic activities are intended to supplement the secondary curricular program. These activities can provide the student with educational experiences and learning outcomes that contribute toward the development of good citizenship. This can be accomplished only when the emphasis is placed upon teaching "through school activities." Interscholastic activities can be justified only when this is their primary philosophy and purpose.
- D. **PURPOSE OF DISTRICT AND STATE CONTESTS:** There are two primary purposes that justify and cause district and state events to be desirable. Those purposes are to provide opportunities to demonstrate before the public the best knowledge, skills, and emotional patterns taught through a particular sport/activity, and to evaluate and compare the best of this teaching of knowledge, skills and emotional patterns among schools. Unless these purposes are primary, district and state contests cannot be completely justified.

It is the desire of the MSHSAA Board of Directors that these events be both fun and educational. It is extremely important that competitors, coaches/directors, and the school community make every effort to enhance, and keep in proper perspective, the educational values of these events. Competition merely for "competition's sake" cannot be justified. Only when competition contributes toward worthwhile educational goals can it be considered sufficiently important to be included in the school program.

- E. **SUPERVISION OF COMPETITORS AND FANS:** MSHSAA By-Laws hold a school responsible, both at home and away, for the conduct of its competitors, students, coaches/directors, and fans. Coaches/Directors are required to supervise their competitors. A coaches'/directors' respect for others and school property is necessary in order to instill this respect in competitors. Students staying overnight in hotels or motels in conjunction with any interscholastic contest should be well chaperoned. The good conduct of students will leave a good impression of the entire school.

A school also should inform its competitors, students, coaches/directors and fans of the value contest officials/judges play in education through athletics/activities. When informing these people of this, the difference in the purpose of high school and professional sports/activities should be emphasized. Lack of respect for officials/judges should not be tolerated. Booming of officials/judges leads to booing of coaches/directors and competitors. This has no place in high school athletics/activities. Athletic/Activity administrators are urged to develop a program through any and all communication techniques available to ensure that spectators understand that high school athletics/activities are an educational endeavor as opposed to the competition being an end in themselves.

- c. Teams or individuals representing a school may participate in interstate, interscholastic events which may begin no earlier than the Friday of Memorial Day weekend, only if the school has advanced from a qualifying event that takes place during the aforementioned season or if the event's selection procedure has been approved by the MSHSAA Board of Directors.

These events may be held at any time during the school year. 4.6.4 Theatre Event Sanction Regulations:

- d. A school that violates any of these standards shall be suspended from participation in any interscholastic theatre activity for a period not to exceed 365 days. It shall be considered a violation for a member school to participate in interscholastic theatre events with a member school so suspended.

D. ETHICS

- 1. **Interscholastic Contests:** Interscholastic contests in Theatre are organized and conducted for the purpose of developing competence in Theatre. **All rules/regulations outlined in Section 5 and 6 should be followed throughout the regular and postseason.** These contests, properly conceived, are definitely pedagogical in their aims and objectives and should be viewed as educational projects. Since the tournament format is utilized for Theatre, competition is, naturally, an important element of participation. The desire to win supplies a strong incentive to achieve and improve. This aspect of the activity is desirable in that winning is correlated with performance of merit. All the rules and regulations governing the events are designed to make the winning of contests synonymous with good theatre. While this objective has been largely realized, it sometimes happens that, under the stress of a desire to win, individuals become overzealous and their actions reflect on the good name of the school they represent. Every possible effort should be made to preserve friendly relations and to conduct all contests on the highest plane. A contest is a friendly contest and to keep this spirit, it must be conducted in a fair and impartial manner by coaches/directors, students, and judges/adjudicators alike.
 - a. The highest kind of school loyalty is that which reflects credit on the home school, not that which tries to secure a victory at any cost.
 - b. Participants, coaches/directors, and all observers should hold the judge's/adjudicators decision with the highest regard. Talk with the judges/adjudicators, learn all you can from them, and remember that their honesty should be held without question.
 - c. Coaches/Directors and others present should always display proper audience behavior regardless of the nature of the remarks made by the speaker.
 - d. Coaches/Directors should recognize that judging their own students is not the accepted manner in running a tournament.
 - e. The works being performed by the students should be the honest efforts of the students involved.
 - f. Cell Phones and other electronic communication devices may not be turned on while in the stage area or in the awards ceremony. **EXCEPTION:** Cell phones can be turned on to be used as timing devices and/or used in the event(s) deemed acceptable in this manual.
 - g. Video/Audio taping or recording: Per MSHSAA policy, the practice of audiotaping, videotaping, audio recording and/or video recording any Theatre performance(s) at any interscholastic event/contest shall be considered unethical and shall not be allowed.

2. **Ethics for Coaches/Directors:**

- a. Always be on time for judging assignments.
- b. Always get the approval of the coach/director to change judging assignments.
- c. If, for some reason, you must leave before a tournament is over, inform the coach/director of your plans.
- d. Go through the proper channels of appeal without causing "a scene."
- e. Always use appropriate language.
- f. Always show respect for the host school and follow the rules for the use of the building.
- g. Remember to always be a positive role model for your students.
- h. Remind students to use social media in a positive manner.
- i. Never provide coaching/direction/advice to contestant's during competition rounds.

3. **Ethics for Students:**

- a. Respect the activity, their opponents, and the schools they represent.
- b. Courteous audience behavior shall be displayed while viewing any performance.
- c. Students should only use social media in a positive manner.
- d. Competitors should not engage in ridiculing, name-calling, belittling, snide remarks, and degrading comments during competition.
- e. Competitors should help maintain an atmosphere of fairness and mutual respect.
- f. Competitors should respect all property at the tournament site, particularly making certain that nothing is disturbed in the contest rooms.
- g. Competitors should do their part in adhering to the tournament schedule.
- h. Competitors should abide by all tournament rules and requests by the tournament staff.
- i. A performing artist shall not receive coaching/direction/advice from other persons during competition.

E. LIMITATIONS

1. Student Limitations: Refer to Section 2, MSHSAA By-Law 4.6.1
2. Season Limitations: Refer to Section 2, MSHSAA By-Law 4.6.2 and 4.6.3
3. Selection Limitations:
 - a. A student shall not present a selection or cutting from the same play or work in more than 11 tournaments, meets or festivals during one school year (exclusive of the MSHSAA district tournament and state tournament). This applies to all regular season tournaments.
 - b. A selection shall not be repeated by a school who gave that selection in an interscholastic competition event in ~~any~~ the previous school year (grades 9-12). This restriction applies to the regular season and the district and state events. In addition, a selection used by a school in the previous year's district or state events shall not be repeated by that school in the current year's district or state events. The restriction on schools repeating selections applies to the district and state tournaments only. A violation of this provision shall result in disqualification of the entry.
 - c. A school shall not use the same selection in a tournament in more than one event. A violation of this provision shall result in disqualification in all but one of the events.
 - d. A selection shall be defined as the entire work from which a cutting is taken, including plays. Adaptations of works which give credit to the original author shall be considered the same selection as the original work even if performed in different events.

F. COPYRIGHT RESTRICTIONS

It is the responsibility of each coach/director and each school to enforce the Copyright Law.

1. Original material may be used in the One-Act Play and Reader's Theatre categories. The school director must submit a statement with the entry form certifying that the material is truly original.
2. Adaptations of books, plays, etc., shall not be considered original works; therefore, a letter of permission from the author or a royalty statement shall be submitted with the entry form. Copyrighted, non-royalty material performed exactly as published (not adapted) does not need verification of permission.

G. MATERIAL

Material presented by all participants shall be appropriate for public performance by high school students. Every precaution should be taken to ensure that no questionable materials are selected. If the appropriateness of materials is in doubt, it is recommended that the coach/director have the school's principal approve its usage.

H. VIOLATIONS

A violation of any rule/regulation for an event will result in disqualification from the event. Any official protest of a disqualification shall be directed to and ruled upon by the tournament grievance committee who has the authority to overturn a disqualification.

I. SPECIAL ACCOMMODATIONS

The school of a competitor with a disability or special need may request specific accommodations or to use special equipment. The following items are required before accommodation requests can be reviewed and considered:

6. A written request from the school, describing the competitor's special needs and the specific accommodations being requested. The letter should include the rule references of applicable NFHS "Sport/Activity" Rules that would be violated without the accommodation.
7. A letter from the parent(s) or guardian confirming the need for an accommodation and approving the accommodation request.
8. A letter from the student's doctor or applicable caregiver describing the medical circumstance or special need, and confirming the need for an accommodation.
9. Photographs of 1) the special equipment, and 2) the student wearing the special equipment, if applicable.

Subsequent requests (after a student is initially approved for an accommodation) will only require the school request (number 1 on the list above).

Written approval from the MSHSAA office is required prior to any competition. During the regular season, the letter of approval from MSHSAA must be presented to meet officials/judges before any accommodations may be used. Please allow ONE WEEK for requests to be reviewed prior to the first competition.

MSHSAA will consider requests if:

1. the sport/activity is not fundamentally altered by the accommodation,
2. the accommodation does not create a risk to either the student or others, and
3. the accommodation does not place opponents at a disadvantage.

E. INSTRUCTIONS FOR JUDGES

1. Each event shall have at least three judges, and each event shall have a timekeeper.
2. Timekeepers shall adhere strictly to the time schedule and shall notify the judge when a contestant exceeds the time limit rather than stopping the performance. In One-Act Play and Reader's Theatre, for exceeding the events time limit, each judge shall automatically lower the rank by one position.
NOTE: Judges may allow a grace period for audience reaction.
3. Judges in any event are to use the standard critic evaluation form for that event, as published by MSHSAA and provided by the tournament director. Judges shall provide complete written comments on all ballots in order to make the experience educational. A clear reason for decision is required on all ballots. A judge shall evaluate each performance independently and shall not collaborate with other judges when assigning rankings or ratings.
4. Ratings which will appear on the standard critic form are defined as follows:
 - a. EXCELLENT: Shall represent an outstanding performance. (The number of excellent ratings given shall not be limited by the number qualifying for state competition. Qualification for state competition is determined by the ranking provided the manager by the judge and not whether or not the performance received an excellent rating.)
 - b. SUPERIOR: Shall represent a performance that is outstanding in many but not all respects.
 - c. GOOD: Shall represent a good performance that may be above average in some respects and below average in others, but not outstanding in any respect.

5. No judge is to designate any rank for the purpose of making an award of any type other than provided for in this manual.
6. Each judge in the district theatre events shall be provided a certification ranking form for each event he/she judges. The judge shall rank the contestants in each event judged.
7. No oral critiques are permitted in any event. The judge shall not reveal the ranking or rating of cast, team or individual.
8. After the last presentation in an event, the judge shall take the completed evaluation forms to the TAB room/tournament director who shall record the rank and ratings and post the results.
9. The judge shall keep in mind that he/she is judging high school students and not college or professional groups. The judge's comments should be presented so that they provide an educational experience. Specific suggestions should be written on the individual evaluation forms to help make the ratings meaningful and in such a way that the student is encouraged to try to do better the next time. A clear reason for decision is required on all ballots.
10. The Board of Directors shall set fees for judges in the district and state events.
11. Judges shall consult evaluative criteria for the events they are to judge. A violation of the regulations for the event shall be noted to the manager.
12. The district manager shall inform all judges that they should excuse themselves from rounds where they may have a conflict of interest with contestants or schools and, in such situations, a judge should notify the judge coordinator.

PROGRAM INFORMATION AND STATISTICS

The MSHSAA staff strives to publish the most accurate materials for all Championship events. Since a majority of the information contained in Championship publications is submitted by qualifying schools, it is imperative that the MSHSAA office receive correctly-spelled names, accurate classifications (year in school), season results, statistics of participants and coaching information. The MSHSAA Board of Directors has approved a fine process for all late, incomplete or illegible submissions for MSHSAA Championship publications. Schools that do not submit their information to MSHSAA in a timely, legible, complete and accurate manner will be fined \$25 per offense (Board Policy). Electronic reports must be submitted by the appropriate deadline in the format and style included with the report instructions. It is the responsibility of the school to verify that MSHSAA has received its program information, team photo and any other required information by the appropriate deadline.

APPENDIX B (TOC)

MSHSAA Position Statement Regarding U.S. Copyright Compliance

Educators, coaches, and administrators who wish to use copyrighted material need to understand the privileges and rights of the copyright owner and must abide by defined limitations as expressed in U.S. Copyright Law. It is the responsibility of the school administration to ensure their school community is in compliance with U.S. Copyright Laws at all times when playing music at your events, reproducing consumable materials, and all other events taking place at school facilities where copyright laws are to be followed. When hosting a MSHSAA postseason event, the host site is responsible for confirming any music being played over a public sound system, used in video clips, etc., has the gained written permission and/or secured the necessary license(s) to play the music, video clips, etc. from the appropriate Performing Rights Organization (i.e. ASCAP, BMI, SESAC, other). The NFHS (National Federation of State High Schools) has created a list of resources and guides available at the following site: <https://copyright.nfhs.org/>

The NFHS (National Federation of State High Schools) has established an agreement with ASCAP to allow schools and non-school sites hosting a MSHSAA postseason event, to perform/play music in which they own the rights (at least 50%) of the work at no charge. It is your responsibility to ensure the music performed onsite is owned by ASCAP. To determine if the music is owned by ASCAP to go www.ASCAP.com and select the link 'Repertory' to search their catalog. If the work is not owned by ASCAP (at least 50%), you will need to work directly with the organization that does own the rights (BMI, SESAC, etc.) to secure the necessary license or not use that work. This agreement only extends to the playing of music recordings downloaded to personal electronic devices but does not extend to mash-up recordings or music altered from its original recording without the site obtaining a license to do so.

APPENDIX E

ONE-ACT PLAY/READER'S THEATRE CHECKLIST [\(TOC\)](#)

<p>Site Considerations</p> <ul style="list-style-type: none"> ● Minimize noise and other distractions adjacent to the competition space. ● At a school site, become aware of bells and/or PA announcements that may be made. If possible, communicate with host site about the possibility of turning those off within the site or minimizing in another way that would not cause undue work for the host. ● As much as possible, allow each entry equal access and treatment in regards to backstage access, warm-up area access, dressing rooms, etc. ● Clarify check-in process for entry schools at the site. Provide adequate information to coaches/directors regarding their next steps. ● Attempt to provide adequate safety lighting in the wings of OA site. ● Attempt to provide a designated individual to coordinate logistics and timing for the loading/unloading area for site.
<p>Communicating With Judges</p> <ul style="list-style-type: none"> ● Conduct “Rules Meeting” with judges before the event begins to review event rules and expectations. ● Familiarize judges with the ballot before performances begin. ● Remind judges that they should reach their decisions and rankings independently.
<p>Timekeeper</p> <ul style="list-style-type: none"> ● Strive to ensure consistent timekeeping practices for each entry. The time of each entry should be clearly noted and shared with judges and the entry’s director/coach. ● Clarify with entry director/coach regarding how/when official time will begin and end. ● Clearly communicate with timekeeper and entry director/coach regarding the official start/end of setup time, verifying readiness to begin performance, and regarding official start/end time of performance.
<p>Managing Audience</p> <ul style="list-style-type: none"> ● Be consistent with audience expectations. For example, does the manager wish to “clear the house” after each performance and allow those who may be waiting outside to enter? ● Consider the educational value of viewing the performances and make decisions which facilitate that.
<p>Before Starting Each Performance</p> <ul style="list-style-type: none"> ● Ensure that judges, timekeepers, and audience are aware that a performance is about to begin. ● Make an announcement that audience should silence electronics before EVERY performance. ● Ensure that any necessary outer doors to the performance space are closed before the performance begins. ● Minimize outside noise or distractions adjacent to the competition space, if possible.
<p>After Each Performance</p> <ul style="list-style-type: none"> ● Ensure that the time (including setup and takedown for One-Act Play) is shared with judges and entry director/coach. ● After a group has cleared the performance space, make contact with the coach/director of the next group to clarify information about when that group can begin setup.

APPENDIX F [\(TOC\)](#)

MEDIA INFORMATION

The following sections outline the standards and expectations set by MSHSAA for accommodating and managing media at MSHSAA postseason events. As the site manager, you are responsible for thoroughly understanding and adhering to these guidelines. You may also want to review our Media & Regulations Book on mshsaa.org/media.

- A. Eligible Media-** All media representatives must be approved by the MSHSAA communications team via our online credentialing system (See Credentialing in Section C). Please ensure media covering our events are working in a professional capacity and adhering to professional standards of conduct, as well as all MSHSAA media regulations (mshsaa.org/media) and event policies.
- B. Eligible School Media-** All school media representatives must be approved by the MSHSAA communications team via our online credentialing system (See Credentialing in Section C). School media is identified as a reporter/photographer/broadcaster who is verified to represent a full-member school. Each school qualifying for a MSHSAA-sponsored postseason event will be allowed school media credentials to gain access to the media areas for the purpose of taking still photography, videography, writing news/feature stories, or broadcasting. It is up to the school administration to decide which students or personnel will be issued these credentials (See Credentialing in Section C). See your Media Regulation and Credential Book on mshsaa.org/media for more information.
- C. Credentialing-** Athletic Directors can apply for **school media credentials** by logging into their MSHSAA administrative account, navigating to the Sports/Activities tab, and selecting “MSHSAA Media Credentials” under the postseason section. From there, athletic directors can add reporters and submit credential requests for postseason events. Schools may receive up to three approved media credentials per event, to be distributed at the school's discretion. Please note: Schools who wish to broadcast can apply for an additional number of media credentials (More Information in Broadcast Section Below). All media personnel—including, but not limited to, reporters, photographers, writers, broadcasters, and camera operators—must be credentialed to gain entry to the event grounds. Only individuals listed on the official pre-approved media list with a green checkmark are authorized to access your event. There are no exceptions. This list will include each media member's name, outlet, and email address, and can be found in the **Postseason Manager** portal by navigating to: **(The Event) > Tournament Items > Media Credentials**. Any outlet or individual not marked with a green checkmark, or not appearing on the list, must be treated as a spectator and must purchase a ticket for admission. If there is any uncertainty regarding a person's media status, please contact Andrew Kauffman or Scott Lunte for verification. See your Media Regulation and Credential Book on mshsaa.org/media for more information.
- D. Conduct-** All members of the media, school media included, should be held to the same standard. MSHSAA expects all media to behave in a professional manner. Any media representative who displays unprofessional behavior may be asked to leave. If a member of the media is found to have a direct association with a team or individual competing in a MSHSAA sanctioned event (such as a coach, team manager or reserve player), the individual's media credential privileges should be revoked, and an effort should be made to appropriately credential the violating individual should the situation warrant. Designated media areas should be for media use only. No one under 18 years of age (except student media representatives), spouses, friends, coaches or fans will be admitted to media areas. See your Media Regulation and Credential Book on mshsaa.org/media for more information.
- E. Restricted Areas and Procedures-** The player and officials locker rooms, practice areas and dressing areas are closed to all media representatives, including school media, at all times during any MSHSAA-sponsored activity. This policy is in place to protect the privacy of your student-athletes. It is the philosophy of MSHSAA and its member schools that minors in dressing areas do not mix with cameras and reporters, period. There are no exceptions to this rule at any time. Likewise, game officials are restricted from issuing comments to the media before, during or after a contest. Any attempt to pursue an official in the playing area, in the dressing areas or on the grounds of the event itself will be considered a violation of the conditions placed on the representative's/outlet's credentials. Rules interpretations may be sought through the site manager, media host or host athletic administrator only. See your Media Regulation and Credential Book on mshsaa.org/media for more information.
- F. Accommodations-** Site managers are responsible for accommodating media representatives and ensuring appropriate working space is provided. Basic accommodations should include, but are not limited to, access to team rosters and brackets, official scoring or results, a writing surface (e.g., a designated press table), weather protection, and access to the competition area after the event concludes. If there are any known limitations that may hinder the ability to properly accommodate media, the MSHSAA communications team must be notified in advance. Known limitations could include lack of broadcast areas, working table space, photography areas, exposure to inclement weather, and other areas that are believed to be at an unsafe distance from the playing surface. Additionally, banners, when permitted at the site manager's discretion, should be displayed at the station's originating location, and this banner may only be displayed while the outlet is originating. The banner may not display logos or names of advertisers sponsoring the outlet's origination. See your Media Regulation and Credential Book on mshsaa.org/media for more information.
- G. Results-** Each site manager has the responsibility to ensure all final results are reported immediately after the conclusion of each postseason game to the MSHSAA website.

- H. Photography-** Photographers who need “floor” access must be on the official pre-approved media list. Individuals with a camera who are not on the pre-approved media list with a green checkmark must be treated as a spectator and must purchase a ticket for admission. All photographers must follow NFHS and MSHSAA guidelines. Complete photographer regulations by sport can be found in the Media Regulation and Credential Book on mshsaa.org/media. Individuals who fail to follow NFHS and MSHSAA guidelines may be asked to leave the facility.
- I. Broadcasts-** Any entity, including schools, wishing to conduct a video or audio broadcast must request approval through the MSHSAA online credentialing system. Only individuals listed on the official pre-approved media list with a green checkmark are authorized to broadcast your event. Unauthorized broadcasts of postseason games (even from the stands) are strictly prohibited. Once approved, broadcasters must coordinate directly with the site manager **at least 24 hours prior to the scheduled contest**. Broadcasters are solely responsible for securing and installing any necessary internet or phone lines. Site managers may choose to install these lines at their own expense and share costs among all broadcasting entities. **Please note: Do NOT collect any broadcast agreement forms or payment from media. This is all done online ahead of the event through the MSHSAA website and is NO LONGER the responsibility of the site manager.**
- 1. Video Streaming-** All MSHSAA postseason events leading up to the final site are eligible for live video streaming by approved media outlets and schools. Entities who stream to MSHSAA.TV do not have any broadcast fees. All media outlets, including schools, must apply for credentials through MSHSAA's online credentialing system. If approved, they will show up on your pre-approved media list with a green checkmark. **All live video streaming must be streamed exclusively on MSHSAA.TV.** Video streaming showing game action through third-party platforms such as YouTube, Facebook, GameChanger, or similar services is strictly prohibited. Failure to comply may result in a minimum **\$500 fine** issued to the violating party. **Please note:** MSHSAA holds exclusive rights to all video streaming at the state final site. Media and school media are not eligible to video stream these championship events. For complete details, refer to the **Postseason Streaming Information** page linked on mshsaa.org/media.
 - 2. Linear TV-** There is a significant rights fee for all live/delayed linear television broadcasts. All requests to broadcast live/delayed on linear TV must receive prior approval from MSHSAA by contacting Andrew Kauffman at the MSHSAA office. If approved, the linear television stations will appear on your pre-approved media list with a green checkmark. For more information, visit mshsaa.org/media.
 - 3. Radio/Audio Only Broadcasts -** Media organizations and schools seeking to produce a radio or audio-only broadcast must submit a credential request through MSHSAA's online credentialing system. Upon approval, the outlet will be displayed on your pre-approved media list with a **green checkmark** indicating full authorization. If the checkmark appears **orange**, it means the outlet has **NOT YET** completed the required broadcast rights fee payment. In such cases, broadcasting is **not permitted** until payment is submitted **online only**. Once the fee is received and processed, the orange checkmark will automatically update to green, confirming the outlet is fully cleared to proceed with its broadcast.

Priority for Broadcast Placement (assigned by the site manager) shall be assigned in the following order:

- (a) Outlets representing the host school
 - (b) Outlets covering participating teams — with equal distribution per school
 - (c) Outlets covering the geographic region of the site and participating teams
 - (d) All other outlets
 - (e) When priorities are equal, preference is given to stations with more frequent regular-season coverage. If still tied, a coin toss will determine placement.
- J. Public Address Announcements-** You can see all our [public address announcements](https://mshsaa.org/media) on mshsaa.org/media. Please use these as you see fit during your games and broadcasts.

NOTE: Please contact Andrew Kauffman, Communications Director, by phone at (573) 875-1077 or by e-mail at Andrew@mshsaa.org, if you have ANY questions concerning the guidelines listed in this section or have any media questions/concerns. You can find our Media Regulations & Credentials Book on mshsaa.org/media.
