Media Advisory Committee Recommendations

Summer 2026

_____ 1. The MSHSAA Advisory Committee recommends the MSHSAA Office investigates implementing a year-round media credential which would be valid for all MSHSAA postseason events. The MSHSAA Office would have the jurisdiction on setting the criteria of who and which media outlets would be eligible for these passes.

_____ 2. Media Advisory Committee recommends removing language in which MSHSAA has the right to access up to 10 Photos from a Freelance Photographer free of charge.

_____ 3. Media Advisory Committee recommends implementing a 60-minute venue curfew for media at a final site starting from the last operational activity (final press conference, trophy presentation or contest) at the venue. The 60-minute venue curfew would also be recommended (not mandated) for all other postseason sites.

_____ 4. MSHSAA Media Advisory committee recommends eliminating the $100 fee to the MSHSAA Audio Network, and all per-game audio-only broadcast rates. In addition, all audio only media outlets must join the MSHSAA Audio Network, offer a free broadcast to the public, and adhere to the policies of the MSHSAA Audio Network.
