RULES INTERPRETERS

The rules interpreters have been selected for their knowledge of the NFHS rules and willingness to provide their advice to both umpires and coaches with regards to the interpretation of rules. The assistant executive director in each sport is the chief rules interpreter for the state but relies heavily on the advice and counsel of these individuals. Please feel free to contact them if you have a question regarding the application of NFHS rules. It is important to be clear on two additional points. First, these individuals do not interpret any MSHSAA By-Laws or Board Policies. Second, these individuals do not review video of calls or consider an official's judgement in making any call.

[New NFHS Rule Changes & Points of Emphasis](#)

PURPOSE AND PHILOSOPHY [\(TOC\)](#)

- A. **MISSION STATEMENT:** The MSHSAA promotes the value of participation, sportsmanship, team play and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation.
- B. **PURPOSE OF MANUAL:** This manual has been prepared to provide a better understanding of the administration of MSHSAA sponsored events. It will serve as a guide to the participating schools and will provide for greater consistency. All information will be included in this manual except such supplementary or incidental information as may be included in the MSHSAA Journal. The regulations in this manual shall be considered official unless the schools are notified in a Special Bulletin of any changes.
- C. **PHILOSOPHY OF INTERSCHOLASTIC ACTIVITIES:** Interscholastic activities are intended to supplement the secondary curricular program. These activities can provide the student with educational experiences and learning outcomes that contribute toward the development of good citizenship. This can be accomplished only when the emphasis is placed upon teaching "through school activities." Interscholastic activities can be justified only when this is their primary philosophy and purpose.
- D. **PURPOSE OF DISTRICT AND STATE CONTESTS:** There are two primary purposes that justify and cause district and state events to be desirable. Those purposes are to provide opportunities to demonstrate before the public the best knowledge, skills, and emotional patterns taught through a particular sport; and to evaluate and compare the best of this teaching of knowledge, skills and emotional patterns among schools. Unless these purposes are primary, district and state athletic contests cannot be completely justified.

It is the desire of the MSHSAA Board of Directors that these events be both fun and educational. It is extremely important that competitors, coaches, and the school community make every effort to enhance, and keep in proper perspective, the educational values of these events. Competition merely for "competition's sake" cannot be justified. Only when competition contributes toward worthwhile educational goals can it be considered sufficiently important to be included in the school program.

- E. **SUPERVISION OF COMPETITORS AND FANS:** MSHSAA By-Laws hold a school responsible, both at home and away, for the conduct of its competitors, students, coaches, and fans. Coaches are required to supervise their competitors. A coaches' respect for others and school property is necessary in order to instill this respect in competitors. Students staying overnight in hotels or motels in conjunction with any interscholastic athletic contest should be well chaperoned. The good conduct of students will leave a good impression of the entire school.

A school also should inform its competitors, students, coaches and fans of the value contest officials play in education through athletics. When informing these people of this, the difference in the purpose of high school and professional sports should be emphasized. Lack of respect for officials should not be tolerated. Booming of officials leads to booming of coaches and competitors. This has no place in high school athletics. Athletic administrators are urged to develop a program through any and all communication techniques available to ensure that spectators understand that high school athletics are an educational endeavor as opposed to the games being an end in themselves.

- F. SPECIAL ACCOMMODATIONS:** The school of a competitor with a disability or special need may request specific accommodations or to use special equipment. The following items are required before accommodation requests can be reviewed and considered:
- A written request from the school, describing the competitor's special needs and the specific accommodations being requested. The letter should include the rule references of applicable NFHS Baseball Rules that would be violated without the accommodation.
 - A letter from the parent(s) or guardian confirming the need for an accommodation and approving the accommodation request.

During the regular season, the letter of approval from MSHSAA must be presented to meet officials before any accommodations may be used. **Please allow ONE WEEK for requests to be reviewed prior to the first competition.**
- MSHSAA will consider requests if:
- the sport is not fundamentally altered by the accommodation,
 - the accommodation does not create a risk to either the athlete or others, and
 - the accommodation does not place opponents at a disadvantage.
- G. BLOOD RULE**
- A player or coach who is bleeding, who has an open wound or who has blood on his or her uniform shall be prohibited from participating further in the game until appropriate treatment has been administered. If medical care or treatment can be administered in a reasonable amount of time, the individual would not have to leave the game. The length of time that is considered reasonable is umpire judgment. The reentry rule would apply to players.

 - iii. Time Limit: Prior to the date of the scrimmage, the schools may to agree to implement a time limit per scrimmage. However, the scrimmage may not exceed the number of innings allowed, as described above.

K. PRE-GAME WARM-UP PROCEDURES

This specific procedure will hopefully encourage schools to be ready to "play ball" when game time arrives and to stipulate a procedure of pre-game warm-up when it is obvious the game will not begin on schedule because of a late arriving visiting team or potential gamesmanship by coaches. It is suggested that host schools provide information to the visiting schools regarding the pre-game warm-up activities (e.g. batting cages, auxiliary fields, practice fields, etc.) available and their availability schedule for participants, if applicable

1. When the visiting team arrives at the game field, the home team will immediately begin its infield practice (not to exceed 10 minutes).
2. When the home team has completed its pre-game infield practice, the visiting team will begin its infield practice (not to exceed 10 minutes).
3. Pitchers shall not use the game mound during pregame infield practice.
4. Following the completion of pre-game infield practice by both teams the game umpires will meet at home plate with representatives from both teams (coaches and/or captains) to discuss ground rules and present each team's starting line-up and batting order no later than 5 minutes before game time.

L. PITCHING LIMITATIONS

1. NFHS Rule 6-1-6: Requires each state association to establish a pitching restriction policy based upon the number of pitches thrown to afford pitchers required rest between pitching appearances

 - f. Both coaches shall sign the verification sheet at the end of each contest.
 - g. Following the game(s), each coach will be required to enter the pitch count for all pitchers at all levels into the member side of the MSHSAA website within 24 hours.
5. Violations
 - a. A \$25 fine shall be assessed when a pitch count has not been properly entered or schedule updated in the 24-hour time period following the contest. This fine is per contest.
*****It will be vital that coaches and administrators keep schedules for all levels on the MSHSAA website up-to-date as to not cause unnecessary violations to be recorded*****
 - b. Using an unavailable pitcher is defined as using a pitcher who has gone over the maximum number of pitches, not taking the required number of days of rest and/or falsifying records to allow a pitcher to not take the required number of days of rest.
 - c. **PENALTY:** If an unavailable pitcher is used the team shall forfeit the contest on the date of the violation and the head coach will be suspended from the next contest. **Violations will be processed through the Special Report portal on the MSHSAA website.**
 - d. The only acceptable documentation to mitigate a violation for use of an unavailable pitcher is the official MSHSAA Pitch Count Verification form. **Failure to produce this documentation will result in full implementation of prescribed penalty.**

M. PITCHER DELAY

Under Rule 6-2-2-c, the twenty second count shall start each time the pitcher receives the ball from any other player

Q. CONFERENCES

To clarify Baseball Rules 3-4, the interpretation of the NFHS will be followed:

1. Defensive: "Each team when on defense may be granted not more than three charged conferences during a seven-inning game, without penalty, to permit a coach or his representative to confer with a defensive player or players.
2. Offensive: "Each team when on offense may be granted not more than one charged conference per inning to permit the coach or any of that team's personnel to confer with the base runners and/or the batters." "These interpretations shall apply to all regularly scheduled games as well as tournament games."

R. EJECTION OF COACH OR PLAYER

1. A player who is ejected from a contest for unsportsmanlike conduct shall at a minimum be prohibited from playing in the next interscholastic contest at the same level. A coach who is ejected during a contest for unsportsmanlike conduct shall at a minimum be prohibited from coaching and attending the next interscholastic contest for that team. (MSHSAA By-Law 5.5.1)
2. Ejection Procedures (NFHS Rule 3-3-1)
 - a. Coach
 - i. Coach removed from playing area and bleachers, but should remain available should an emergency situation arise. Coach must be out of sight or sound of the contest (i.e. visiting coach could go to bus).
 - ii. Game may continue only if a bona fide school faculty member and/or administrator is available to substitute for the coach on the bench.
 - iii. Should there not be a faculty member and/or administrator available, the game will be forfeited.
 - b. Player
 - i. Player is removed from game and must remain in the team's dugout.
 - ii. Should ejected player continue to create a disturbance, the game shall be forfeited.

S. FORFEITED AND SUSPENDED GAMES

1. Forfeited Game: A game shall be forfeited if a team fails to report within fifteen minutes, after the set starting time and no contact has been made. Host schools or tournament managers will make the final decision on the forfeit. Every effort should be made to contact a late team.
2. Regular Season: If enough innings have been played to determine a winner the game is considered final. If enough innings have not been played to determine a winner or the score is tied, the suspended game rules apply.
3. Suspended Games (Regular Season): When play is continued, the line-up and batting order shall be exactly the same as at the moment of suspension, subject to the rules governing the game. For example, if a team, while on defense, has been charged with two conferences, it is allowed only one more charged conference when the Suspended Game is continued. If a player has entered as a substitute and has been removed from the game, she cannot reenter when the game is continued. Even though a game is played during two different days, all playing regulations apply as if the game were continuous and being played during one day with the exception of players restricted due to pitch count limitations.

NOTE: A Coach from both teams shall be included in the discussion of the resumption of a contest following a delay including a review of the pitch count limitations.

 - 5) Rosters may be updated between the close of the district tournament and sectional game.
 - iii. **Season Record → Deadline: (C 1-4 – Mon. Week #44; C 5-6 – Mon. Week #45) (Continue to update as season progresses)**
 - iv. **Pass Lists (must be completed by administrator) → Deadline: (C 1-4 – Wed. Week #45; C 5-6 – Tues. Week #46)**
 - e. Make sure to note the deadline for each task to be completed. ([Dates to Remember](#))
4. **LATE ENTRIES:** Managers are allowed to accept late entries until the time the meeting to draw the District tournament bracket commences. **A late entry penalty fee of \$50.00** shall be assessed for late entries. No entries will be accepted after the meeting to draw the District tournament brackets. The District Manager shall notify the MSHSAA regarding any late entries for the tournament

B. TOURNAMENT MANAGEMENT

1. Selection: The manager shall select two or four school representatives (principal, athletic director, or coach) from other participating schools to serve with him/her on a tournament committee. As many conferences as possible shall be represented and at least one coach shall be included on the committee.
2. Committee Duties:
 - a. Assist the manager in the administration of the tournament.
 - b. Establish the tournament schedule.
 - c. Consult on the plan for selecting tournament officials.
 - d. Make any necessary rulings regarding grievances which may arise during district seeding or the progression of the tournament.
3. **Seeding Procedures:** Set a date for drawing the tournament seeds within the dates listed previously, (avoid conflicts with school time) and notify the participating schools at least 7 days in advance of the site and time of the meeting to draw the bracket. Schools should have all scores on their Season Record up to date. A face-to-face meeting is encouraged. **However, a Zoom call or Google Meet meeting would also be allowed to protect instructional time.** If either method is used, it is required for voting information (results, who voted for who, etc.) to be made public to all schools. Any other method needs to be approved by the MSHSAA office.
 - a. **The mandatory seeding procedure is to seed each spot individually starting with the #1 seed, followed by the #2 seed, continuing to the last seed. Schools may not vote for themselves in the seeding process. NOTE - If School "A" votes "School "B" as the #1 seed and School "B" does not receive enough other votes for the #1 seed, School "A" MUST vote School "B" as the #2 seed in the next round of voting.** The district schools participating in the meeting shall consider each team's win-loss record (varsity vs. varsity games only), head to head competition, caliber of competition, and common opponents they have played over the season. **After the District Manager receives each school's vote after each round, the manager must make each vote known to all participating coaches.** If a tie should occur, a second vote would be used to determine the seed but only the district schools who are not involved with the tie would participate in the second vote. If a tie remains, it shall be broken based on head to head competition of the tied teams. Should a tie still exist, a coin flip shall determine the seeds of the tied teams. **This specific procedure shall be followed by district manager.**
 - b. All teams shall be seeded by the committee. In districts of eight or less teams, the teams shall be placed on the bracket according to seeding. Any byes are to be given first to the first-seeded team, then the second-seeded team, etc. In districts of nine or more teams, the teams shall be placed on the bracket according to seeding in a 16-Team Bracket; any byes are to be given to the first-seeded team, then the second-seeded team, etc.
4. Placement on Bracket: All teams shall be seeded by the committee. Teams shall be placed on the bracket according to seeding; any byes are to be given first to the first-seeded team, then to the second-seeded team, etc.
5. Team Withdrawal: If a team withdraws from the district tournament after the seeding meeting, but before a game is played, all teams seeded below the team withdrawing shall be moved up one seed to fill the vacated spot. For example, if the 6th seeded team withdraws from the tournament the 7th and 8th seeded teams would be moved up to the 6th and 7th spots on the bracket.
6. Inform Media: District Manager and coaches should notify media outlets direct them to www.mshsaa.org to view the brackets.

7. Switching Sites: By mutual agreement, the two participating schools may switch the site for a game. This would normally result from one school having inadequate facilities or because of inclement weather. District games may be played between two teams at a central location or at one of the other facilities in order to hold down travel. All games, however, shall be coordinated by the District manager. All game officials shall be approved, registered and contracted by the District manager.

If a player has entered as a substitute and has been removed from the game, she cannot reenter when the game is continued. Even though a game is played during two different days, all playing regulations apply as if the game were continuous and being played during one day.

Electronic reports must be submitted by the appropriate deadline in the format and style included with the report instructions. COPYRIGHT COMPLIANCE

MSHSAA Position Statement Regarding U.S. Copyright Compliance

Educators, coaches, and administrators who wish to use copyrighted material need to understand the privileges and rights of the copyright owner and must abide by defined limitations as expressed in U.S. Copyright Law. It is the responsibility of the school administration to ensure their school community is following U.S. Copyright Laws at all times when playing music at your events, reproducing consumable materials, and all other events taking place at school facilities where copyright laws are to be followed. When hosting a MSHSAA postseason event, the host site is responsible for confirming any music being played over a public sound system, used in video clips, etc., has the gained written permission and/or secured the necessary license(s) to play the music, video clips, etc. from the appropriate Performing Rights Organization (i.e. ASCAP, BMI, SESAC, other).

The NFHS (National Federation of State High Schools) has established an agreement with ASCAP to allow schools and non-school sites hosting a MSHSAA postseason event, to perform/play music in which they own the rights (at least 50%) of the work at no charge. It is your responsibility to ensure the music performed onsite is owned by ASCAP. To determine if the music is owned by ASCAP to go www.ASCAP.com and select the link 'Repertory' to search their catalog. If the work is not owned by ASCAP (at least 50%), you will need to work directly with the organization that does own the rights (BMI, SESAC, etc.) to secure the necessary license or not use that work. This agreement only extends to the playing of music recordings downloaded to personal electronic devices, CD's, etc. but does not extend to mash-up recordings or music altered from its original recording without the site obtaining a license to do so.

APPENDIX C [\(TOC\)](#)

2023 GENERAL BASEBALL INFORMATION

NFHS Rule Changes

1-5-4: Change:

ART. 4 . . . The catcher's helmet and mask combination shall meet the NOCSAE standard at the time of manufacture. Eye shields shall not be attached to the catcher's mask after manufacture. Eye shields that are attached to the catcher's mask at the time of manufacture will be constructed of a molded rigid material and be clear without the presence of any tint. Tinted eyewear worn on the face and under the face mask is permitted. Any helmet or helmet and mask combination...and a protective cup (male only). (1-5-9)

Rationale: There has been an increase of catchers attaching aftermarket eye shields to their face masks that are tinted and not approved by the face mask manufacturer. Attaching a product that was not manufactured for the specific face mask is a risk to the wearer. The tinted eye shield is problematic because it would prevent a medical professional from accessing the eyes of the catcher to determine their condition.

1-5-12: Change:

Removal of ART. 12 . . . Jewelry shall not be worn be permitted (3-3-1d) except for including religious and medical medals. Any jewelry that poses harm or injury to the wearer or the opponent shall be immediately removed. (1-5-9) A religious medal must be taped and worn under the uniform. A medical alert must be taped and may be visible.

Rationale: Any jewelry worn that poses harm or injury to the player or their opponent is covered in existing rules.

2-4-4 (New): Change:

Note: Add Lodged Ball to Section Title

ART. 4 . . . A baseball that remains on the playing field but has become wedged, stuck, lost, or unreachable, is defined to be a lodged ball. If the ball impacts any object in the course of play, stops abruptly, and does not fall or roll immediately, it is considered lodged. It is a dead ball (5-1-1f-3,4; 5-1-1g-4). Exception: if a ball becomes stuck in the webbing of the fielder's glove, it remains in play. The glove/ball combination is treated as a live ball.

Rationale: A definition of a lodged ball was necessary and appropriate to differentiate when it is stuck on the field or in an apparatus, compared to when it is stuck in a glove.

3-3-1d: Change:

ART. 1 . . . A coach, player, substitute, attendant or other bench personnel shall not:
sub-articles a-e remain the same.
d. wear jewelry (players participating in the game) or wear bandannas;

Rationale: This is a companion rule change with the deletion of Rule 1-5-12. If jewelry is worn that poses harm to the player or their opponent, there is existing rules support to handle the situation. Bandannas are still prohibited.

6-1-1,2,3: Change:

ART. 1 . . . The pitcher shall pitch while facing the batter from either a windup (Art.2) or a set position (Art. 3). The position of the pitcher's feet determines whether the pitcher will pitch from the windup or the set position. The pitcher shall take or simulate taking the sign from the catcher with the pivot foot in contact with the pitcher's plate. The pitcher will be considered to be in the set position when the pivot foot is in contact with or directly in front of and parallel to the pitcher's plate. The pitcher will be considered to be in the windup position when the pivot foot is in contact with the pitcher's plate and is not parallel to it. The pitching regulations ...but not both.
ART. 2 . . . For the wind-up position, the pitcher is not restricted as to how they shall hold the ball. A pitcher assumes the windup position when the hands are: (a) together in front of the body; (b) both hands are at the side; (c) either hand is in front of the body and the other hand is at the side. The pitcher's non-pivot foot shall be in any position on or behind a line extending through the front edge of the pitcher's plate. The pitcher is limited...lift either foot.

ART. 3 . . . For the set position, the pitcher shall have the ball in either the gloved hand or the pitching hand. The pitcher's hand shall be down at the side or behind the back. Before starting the delivery, the pitcher shall stand with the pivot foot in contact with or directly in front of and parallel to the pitcher's plate. The pitcher shall go....any other fielder.

Rationale: In reference to the high school pitching rule, the position of both the pivot and non-pivot foot was the determining factor to deem if a pitcher was pitching from the windup position or the set position. The game has evolved throughout high school baseball for the pitcher to pitch with the pivot foot in a windup description with the non-pivot foot in a set description. This "hybrid" position was previously illegal by NFHS rule. What is important is that umpires, coaches, and players know what position the pitcher is using so they know which part of Rule 6 is in play. Deleting the use of the non-pivot foot does no damage to the existing pitching position rule and having only the pivot foot determine makes it clean and easily discernible for all involved

2023 NFHS Points of Emphasis

1. **Obstruction/Interference** – Obstruction and interference are two familiar terms that have been in the game of baseball since the early beginnings of the sport. Simply stated, obstruction is any act accidental, intentional, verbal, or physical that a fielder or any member of the defensive team (or team personnel) that hinders a runner or affects the pattern of play. This can occur anywhere on the field.
Interference is very similar to obstruction; it addresses the behavior of the offensive team. It is any act, verbal or physical by the team at bat that impedes, hinders or confuses any defensive fielder attempting to make a play.
2. **Jewelry** – Jewelry in baseball was originally defined as any item on the body of the player that was not a natural part of the person. That also included medical-alert bracelets and some religious, cultural or tribal adornments. The elimination of the jewelry rule will permit players to wear these items freely. Additionally, with that freedom to wear jewelry, please note that any jewelry that contains profanity, taunting, language to intimidate or baiting an opponent would not be allowed.
3. **Usage of Eye Black** – The grease version of eye black is now being used as a face decoration. Images and/or sayings are being drawn on the faces of the players to try to intimidate and/or taunt an opponent. There are existing sportsmanship rules available to mitigate any use of eye black (in any version) in an inappropriate or unfavorable way. We are hopeful that coaches direct their players to use this convenient tool in a more productive way.
4. **Sportsmanship** – Good sporting behavior is one of the fundamental ingredients to the continued success and enjoyment of education-based high school sports and activities. Sportsmanship, or good sporting behavior, is about treating one another with respect and exhibiting appropriate behavior. It is about being fair, honest and caring. When these types of appropriate behavior occur, competitive play is more enjoyable for everyone.
Coaches set the tone at athletic contests with their display of sportsmanship. If these individuals act in a sportsmanlike manner, their behavior sets the tone for players, spectators and others.

2023 NFHS Points of Emphasis

1. **Pace of Play** – a constant issue in the sport of baseball. Between pitches, both pitcher (NFHS 6-2-2-c) and batter (NFHS 7-3-1) has a maximum of 20 seconds to deliver the pitch and be ready in the box, respectively. Between innings, the pitcher has 60 seconds to throw their five warm-up pitches (eight for a pitcher's first stint on the mound). Please hustle on and off the field between innings.
2. **Outside Dugouts** – During live play, Coaches and players are not to stand or pace outside the dugout. (Exception - the player on deck and the coach that is coaching the base). There are to be NO buckets outside of the dugout.
