PURPOSE AND PHILOSOPHY [\(TOC\)](#)

- A. **MISSION STATEMENT:** The MSHSAA promotes the value of participation, sportsmanship, team play and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation.
- B. **PURPOSE OF MANUAL:** This manual has been prepared to provide a better understanding of the administration of MSHSAA sponsored events. It will serve as a guide to the participating schools and will provide for greater consistency. All information will be included in this manual except such supplementary or incidental information as may be included in the MSHSAA Journal. The regulations in this manual shall be considered official unless the schools are notified in a Special Bulletin of any changes.
- C. **PHILOSOPHY OF INTERSCHOLASTIC ACTIVITIES:** Interscholastic activities are intended to supplement the secondary curricular program. These activities can provide the student with educational experiences and learning outcomes that contribute toward the development of good citizenship. This can be accomplished only when the emphasis is placed upon teaching "through school activities." Interscholastic activities can be justified only when this is their primary philosophy and purpose.
- D. **PURPOSE OF DISTRICT AND STATE CONTESTS:** There are two primary purposes that justify and cause district and state events to be desirable. Those purposes are to provide opportunities to demonstrate before the public the best knowledge, skills, and emotional patterns taught through a particular sport; and to evaluate and compare the best of this teaching of knowledge, skills and emotional patterns among schools. Unless these purposes are primary, district and state athletic contests cannot be completely justified.

It is the desire of the MSHSAA Board of Directors that these events be both fun and educational. It is extremely important that competitors, coaches, and the school community make every effort to enhance, and keep in proper perspective, the educational values of these events. Competition merely for "competition's sake" cannot be justified. Only when competition contributes toward worthwhile educational goals can it be considered sufficiently important to be included in the school program.

- E. **SUPERVISION OF COMPETITORS AND FANS:** MSHSAA By-Laws hold a school responsible, both at home and away, for the conduct of its competitors, students, coaches, and fans. Coaches are required to supervise their competitors. A coaches' respect for others and school property is necessary in order to instill this respect in competitors. Students staying overnight in hotels or motels in conjunction with any interscholastic athletic contest should be well chaperoned. The good conduct of students will leave a good impression of the entire school.

A school also should inform its competitors, students, coaches and fans of the value contest officials play in education through athletics. When informing these people of this, the difference in the purpose of high school and professional sports should be emphasized. Lack of respect for officials should not be tolerated. Booing of officials leads to booing of coaches and competitors. This has no place in high school athletics. Athletic administrators are urged to develop a program through any and all communication techniques available to ensure that spectators understand that high school athletics are an educational endeavor as opposed to the games being an end in themselves.

SECTION 2: REGULAR SEASON (TOC)

- A. **Game Rules:** The current National Federation Basketball Rules Book shall govern all competition except where modified by the MSHSAA. MSHSAA By-Law 3.18 and Board policies regarding all tournaments shall be followed by basketball tournament managers.
- B. **Basketball Pre-Season Jamboree:** To allow Missouri high school boys and girls basketball teams an opportunity to scrimmage other schools prior to their first regular season contest. Each school will be allowed one scrimmage date consisting of play against no less than two other schools and no more than three other schools.

The pre-season jamboree may only be conducted after your team has completed nine conditioning practices and before your first contest. Recommend to use different sites or different dates for boy and girls.

These scrimmage sessions will allow: 1) officials training; 2) player evaluations in a game-type setting; and 3) game conditioning.

Each school will play a maximum of 36 minutes. Team scoring and team fouls will be kept on the scoreboard, and will be cleared after each 6:00 session. Personal fouls will not accumulate or be tallied. Individual player scoring will not be recorded. Two time-outs per team per session; this will allow teaching and instruction to take place.

3-Team Format

A vs. B	6:00	6:00	6:00
B vs. C	6:00	6:00	6:00
A vs. C	6:00	6:00	6:00

Each school will play 6 – 6:00 sessions;
Total of 36 minutes.

4-Team Format

A vs. B	6:00	6:00
C vs. D	6:00	6:00
A vs. C	6:00	6:00
B vs. D	6:00	6:00
A vs. D	6:00	6:00
B vs. C	6:00	6:00

Each school will play 6 – 6:00 sessions;
Total of 36 minutes.

Schools may not attend or participate in a 2-team format. There must be a minimum of 3 schools or a maximum of 4 schools participating. Teams may wear practice gear or game uniforms. Admission will be the host school's choice with the option for revenues to be donated to charitable organizations.

Refer to MSHSAA By-Law 3.16.7 and Board Policy Preseason Jamborees – Team Sports.

- C. **Duration of Game:** Length of quarters for junior high school basketball games shall not exceed 6 minutes (MSHSAA By-Law 3.30.6). Length of quarters for sub-varsity shall not exceed 8 minutes (may be reduced with approval from both coaches). Overtime periods shall be two minutes in length for all games played in less than eight-minute quarters.
- D. **Timing for Half-time and Between Games:** Schools shall follow the rule book procedures for half-time length and it is recommended there be a minimum 12 minute and a maximum 15-minute warm-up period before each varsity game during the regular season.
- E. **Mercy Timing Rule:** The game timing rule shall be used for all games at all levels (boys and girls). A running clock shall be used when after the end of the third quarter there is a point differential of 30 points or more. The clock will be stopped only under the following conditions:
1. a charged time-out;
 2. an injury time-out;
 3. to confer with scorers and timers, if necessary;
 4. because of unusual delay in getting a dead ball alive;
 5. to administer all technical, intentional, flagrant and disqualifying fifth personal fouls; and
 6. for any emergency.
- After these clock stoppages, the clock will then begin to run again with normal play resuming procedures. If during the fourth quarter the point differential drops below 30 points, normal timing will resume until the 30-point differential has been reached again or the game ends.
- F. **Game Ball:** All game balls used for interscholastic competition shall possess the NFHS Authenticating Mark. Game officials shall inspect all balls provided for competition for the NFHS Authenticating Mark. Should the host school be unable to provide conforming balls, the official will put into play conforming balls provided by the visiting school. Contest officials are required to notify the MSHSAA office in writing regarding the failure of any host school to provide the marked balls. No contest shall be cancelled and no contest penalties shall be assessed for nonconforming balls. MSHSAA will provide game balls beginning with the district tournament. The official ball used this year will be the Spalding Top-Flite TF1000 Legacy Basketball 74-7169 for boys and the Spalding Top-Flite TF1000 Legacy Basketball 74-7359 for girls.

- G. **Uniforms:** The designated home team shall wear white jerseys and the visiting team shall wear dark jerseys.
- In district play higher seeded team (lower number) shall be considered the home team and shall wear white jerseys.
 - In sectional, quarterfinal, semifinal, and final play, the top team on the bracket in odd-numbered years will be considered the home team. In even-numbered years the bottom team on the bracket will be considered the home team.

- H. **Pre-Game Conference:** Officials shall conduct a pre-game conference at the 5-minute mark before each contest at center court which the head coach of both teams (not a representative of the head coach) to discuss sportsmanship, game procedures, etc. (captains may attend but not required)

- I. **Bench Conduct Rule** (Head Coaches' Boxes): The head coach may be off the bench within the confines of the designated head coaches' box to give instructions to his/her players and/or substitutes under the following conditions:
1. Only the head coach may use the box.
 2. The head coach may stand up to get the players' attention, tell them what he/she has to say and sit down. The head coach is not permitted to stand or kneel continuously to observe play.
 3. All violations of Rules 10-4 and/or 10-5 shall be penalized.
 4. The head coach must sit within the confines of the box in order to have these special privileges by rule.
 5. Should the head coach receive either an indirect or direct technical foul (10-3-2, 10-3-5, 10-4 or 10-5) he/she must remain seated throughout the remainder of the contest. Rules 10-5-1 or 10-5-2 then apply.
- Coaches are to abide by the rule and officials are to enforce it when violations are observed within normal movements while officiating the game and reporting information to the scorer's table.

- I. **SPECIAL ACCOMMODATIONS:** The school of a competitor with a disability or special need may request specific accommodations or to use special equipment. **The following items are required before accommodation requests can be reviewed and considered:**

1. A written request from the school, describing the competitor's special needs and the specific accommodations being requested. The letter should include the rule references of applicable NFHS Basketball Rules that would be violated without the accommodation.
2. A letter from the parent(s) or guardian confirming the need for an accommodation and approving the accommodation request.
3. A letter from the student's doctor or applicable caregiver describing the medical circumstance or special need, and confirming the need for an accommodation.
4. Photographs of 1) the special equipment, and 2) the student wearing the special equipment, if applicable.

Written approval from the MSHSAA office is required prior to any competition. During the regular season, the letter of approval from MSHSAA must be presented to meet officials before any accommodations may be used. **Please allow ONE WEEK for requests to be reviewed prior to the first competition.**

MSHSAA will consider requests if:

1. the sport is not fundamentally altered by the accommodation,
2. the accommodation does not create a risk to either the athlete or others, and
3. the accommodation does not place opponents at a disadvantage.

J. BLOOD RULE

A player or coach who is bleeding, who has an open wound or who has blood on his or her uniform shall be prohibited from participating further in the game until appropriate treatment has been administered. If medical care or treatment can be administered in a reasonable amount of time, the individual would not have to leave the game. The length of time that is considered reasonable is umpire judgment. The reentry rule would apply to players.

- L. **Ejection:** MSHSAA By-Law 5.5 requires that any player, coach, or bench personnel ejected from an interscholastic contest shall be prohibited by the school administration from participating in the next contest for that level. Ejection under Basketball Rules 10-2, 10-3, 10-4, and 10-5 would fall under this category.

- M. **Sanctions – MSHSAA By-Law 3.18:** Anytime an MSHSAA member school competes in a tournament by definition, with an out-of-state school(s) or in any event co-sponsored by any party other than an MSHSAA member school (e.g. university, theme park, shoe company, etc.), a sanction form must be on file in the MSHSAA Office at least thirty (30) calendar days prior to the event. It is the event host's responsibility to obtain sanction; however, each participating MSHSAA member school shall take responsibility to verify that the sponsor has sanctioned the event prior to participation.

K. TOURNAMENT TRAVEL LIMITATIONS (By-Law 3.18.3.C)

A school may travel to one multi-game event beyond 250 air-miles of the borders of Missouri. All other multi-game events must fall within 250 air-miles of the state border.

L. PROTEST PROCEDURE – SEE SECTION 1.H FOR REFERENCE

M. POST SEASON STATISTICS

All district champions will be required to submit accurate varsity season statistics for all players placed on their state series roster. Please reference Appendix C for the sport-specific statistics required.

N. CONTEST LIMITATIONS (MAXIMUMS & MINIMUMS)

High School (BL 3.29.6)

Contests Allowed: 26 contests

Minimum of Post-season: 13 contests

Junior High (BL 3.30.3)

Contests Allowed: 18 contests

O. PLAYER LIMITATIONS (By-Law 3.21.2.b – HS; By-law 3.30.3.b - JH)

HS - No player shall exceed 130 total quarters played in a season. No player may play in more than six quarters on a calendar date. See exception in MSHSAA Handbook for two games by a SINGLE team. JH – No player shall exceed 90 total quarters played in a season. No player may play in more than six quarters on a calendar date.

P. Table Personnel and Procedures: Scorer's table personnel are very important. Select experienced adults – those who have been keeping score or timing for you during the regular season. Interested and dependable faculty members usually do the best work, although there are exceptions. Above all, select those individuals for these very important jobs that have plenty of poise, good judgment, sense of impartiality, and who you are sure will not get caught up in the emotion of the game or be distracted by their phone, but will concentrate instead on the job. Please help to ensure this by blocking off this area. Personnel to be assigned to the scorer's table: (1) official scorer, (2) official timer, (3) assistant scorer/timer, and (4) P.A. announcer. In addition, if space permits, a scorekeeper from each team is allowed to sit at the end of the scorer's table nearest their team bench.

- a. If space is not available to accommodate the team scorekeepers at the scorer's table, they are to sit on the end of their respective benches next to the scorer's table.
 - b. If a scoring question should arise, the referee will confer with the official scorer and check the official book. The officials, will bring each team's scorekeeper, along with their scorebooks, to the front of the scorer's table in the event the referee decides they are needed for reference. All coaches and team members are to remain at their benches. Head coaches are to be called to the table together and notified of the official's decision.
 - i. **OFFICIAL SCORER:** Reference the information in the back of the current National Federation Basketball Officials Manual or the National Federation Instructions and Duties of Scorers provided by the MSHSAA Office. It is strongly recommended that scorers use pencils of distinctively different colors (e.g., red and black) for each half. **NOTE:** The official scorer shall record the jump balls for the alternating possession rule and be responsible for the possession arrow. In addition, the official scorer shall maintain an accurate record of 3-point goals as well as 2-point goals.
 - ii. **ASSISTANT SCORER/TIMER:** The assistant scorer/timer does not keep score. The assistant scorer: (1) spots fouls and free throw shooters for the official scorer; (2) identifies the person that fouls and the free throw shooter by color of jersey and number; (3) observes the recording of the information by the official scorer; (4) checks to see that the running score on the official book coincides with the scores on the scoreboard; (5) assists with the possession arrow and the distinguishing of 3-point goals from 2-point goals; and (6) assists the timer with end of quarter situations.
 - iii. **OFFICIAL TIMER:** Reference the information in the back of the current NFHS Basketball Officials Manual or the NFHS Instructions and Duties of Timers provided by the MSHSAA Office. The official timer is responsible for notifying the participating teams that there are 3 minutes remaining in the half-time intermission.
- Q. P.A. ANNOUNCER:** In an impartial and neutral manner, the P.A. announcer makes only periodic announcements pertinent to the game, e.g., starting lineups, substitutes, player who scores a field goal or free throw, etc. If fouls on players are announced, this should be done only after the foul is reported by the floor official so as to avoid mistake. **PA Scripts and PSA's can be found in your Media Packet.**

SECTION 3: POSTSEASON CRITERIA ([TOC](#))

A. SCHOOLS/INDIVIDUALS

1. Postseason is for member senior high schools only
2. Schools must register for the post season by the annual deadline
3. A school must have competed in the minimum number of contests for the sport/activity concerned as outlined in Diagram 3.29.6
4. An individual must have represented their school in interscholastic competition in that sport during the current season.

B. OFFICIALS

1. Only MSHSAA registered officials (not on probation) shall be contracted for postseason contests.
2. Only those MSHSAA registered officials who have completed and verified a postseason application shall be eligible to work postseason contests.
3. Officials for District tournaments will be selected via a regional draft.
4. **Officials for Sectionals, Quarterfinals, and final site contests shall be selected by the MSHSAA staff.**

SECTION 4: POSTSEASON ENTRY PROCEDURE ([TOC](#))

A. **Participation in District Tournament:** Any team in the district tournament that withdrawals after the officials' draft is subject to a forfeit and shall be responsible for paying the scheduled officials' fees.

B. DISTRICT ENTRY PROCEDURE:

1. For the MSHSAA District and State Tournament Series, all school/team district entries shall be submitted online.

2. **Entries Open → Monday of Week #27**

3. Accessing Entry pages

- Log in to your school page as the Athletic Director/Coach
- Under "Sports and Activities" select the link "District Entries"
- Click on Baseball
- Complete the links as listed:

i. **Official Recommendations → Deadline Friday of Week #29**

All coaches are **required** to submit Postseason Basketball Officials Recommendations on the MSHSAA website under the "District Entries" link. These recommendations will also be used when determining Sectional, Quarterfinal and State assignments.

Purpose of Official Recommendations: MSHSAA takes the officials recommendation/non-recommendation process very seriously. This process for post-season officials is designed to enhance the quality of officiating through input from each school on those officials that should be considered for post season contests. MSHSAA has the right to dismiss any recommendations/non-recommendations, submitted by head coaches, if it is determined that the coach has abused and/or manipulated the process for intentions not aligned with MSHSAA's purpose and philosophy in selecting post season officials.

ii. **District Eligibility Roster → Deadline: (C 1-3 – Weds. Week #33; C 4-6 – Weds. Week #34)**

- Failure to submit a roster will result in the school forfeiting its opening contest.
- The maximum number of players appearing on the team roster is 15.
- All eligible players shall be listed on the roster at the time of the beginning of each tournament.
- No additions may be made to the team roster after it is submitted for the district tournament even if the number of names listed is less than the maximum allowed. The school may substitute from its eligibility list any athlete to replace one listed on the tournament roster in case of illness or injury verified by a physician. Any player who is thus replaced may not return to competition in the district tournament but may return for the state tournament. However, the player must be included on the team roster prior to the first game of the state tournament – sectional game in all classes – even though the availability of the player is doubtful due to the injury.
- Rosters may be updated between the close of the district tournament and sectional game (C 1-4) quarterfinal game (C 5-6).

iii. **Season Record Updated → Deadline: (C 1-3 – Weds. Week #32; C 4-6 – Weds. Week #33) (Continue to update as season progresses)**

iv. **Pass Lists (must be completed by AD) → Deadline: (C 1-3 – Weds. Week #33; C 4-6 – Weds. Week #34)**

Schools shall fill out a pass list to be used for the district tournament. A separate pass list will be used for the Sectional/Quarterfinal games. There is NO pass list at the final site. The pass lists are to be used at the site – not sent to the MSHSAA Office. Names shall be placed on the form and submitted via the MSHSAA website to the tournament manager prior to the first game.

- In addition to its players, each participating team shall be provided up to ten complimentary admissions for coaches, administrators, manager, bus driver, and to spouses if the school so desires. These are to be honored for all games throughout the tournament. Exception: In facilities where seating is limited, the tournament manager/committee may restrict passes to just the schools participating in a particular session and to coaches and administrators of other schools in the tournament.
- Varsity cheerleaders shall be admitted free to the days their team plays provided they are in their official school cheerleader uniforms and are accompanied by their cheerleading coach. They must enter as a group with their coach to gain free admission. The number of varsity cheerleaders is to be verified by the school principal or superintendent. Only 12 cheerleaders will be allowed on the floor at the final site of the state tournament. If room permits at the district, sectional and quarterfinal games, more than 12 cheerleaders may be allowed on the floor at any one time. The tournament manager will decide how many cheerleaders may be permitted on the floor. The activities and performances of cheerleaders/dance teams are governed by MSHSAA By-Law 4.5 and are to be followed in district and state tournament games as well as throughout the regular season.
- Teachers, who are specifically assigned by their administrator to supervise student conduct at district tournaments, may be admitted free, however **these persons must be on the pass list** and wear identifying badges so the tournament manager will be able to communicate with them. These supervisors shall be instructed by their principal to actively supervise the conduct of their students and shall work closely with the tournament manager. They shall assist in keeping students off the playing floor following games and when conduct problems arise.
- MSHSAA Board of Directors passes issued to present and past Board members are to be honored for any MSHSAA event. MSHSAA Basketball Observer passes are to be honored for district, sectional and quarterfinal games.

- 5) Host schools shall limit complimentary passes to tournament workers and members of the administration. Site Managers:** Each tournament or site will be under the control and direction of the site manager, usually the Athletic Director, who will in turn select two to four other committee members from participating schools other than the host school. As many conferences as possible shall be represented as well as both boys' and girls' teams (schools).
- F. Uniformed Players:** No more than 15 players may be in uniform for district and state series basketball games.
- G. - H. Spectator Guidelines:** **See the MSHSAA Handbook (Board Policy on Spectators at Events; p. 137)**. It shall be the responsibility of schools to eliminate such athletic pranks or activity involving destruction and/or theft of game equipment and materials. Any such acts shall be considered gross acts of unsporting conduct to be considered under the MSHSAA Athletic By-Laws.
- I. Continuous Standing:** The following criteria shall be used when allowing continuous standing:
- At least one empty row must serve as a buffer between the floor and the student sections.
 - The student sections shall be specifically marked and separated (such as by rope, pennants or other barrier) from the general spectator seating areas.
 - The student sections shall be cleared out at the conclusion of each game for use by the schools playing the next contest. If a school is playing back-to-back games with its boys' and girls' teams, that school may remain in its section for both contests, as long as remaining in that section does not conflict with criteria d) below.
 - In the interest of sportsmanship and positive behavior, the student sections for competing teams shall not be adjacent to each other, directly behind either goal or directly behind the bench of the opposing team.
 - The student sections shall be placed in locations that minimize the obstruction of other patrons when the students stand in unison.
 - Sportsmanlike behavior is expected at all times from the student section.
 - An administrator with the responsibility of supervising students should be present at all contests involving that particular school and be present throughout the contest in the vicinity of the student section or in an area designated by the host site administrator.
 - An administrator from each participating school, the host site administrator and a representative of the game officials shall meet prior to game time to reiterate the site's guidelines for student cheer and spirit groups, discuss the sportsmanship goals of the contest, and confirm the physical location of the school administrators during the contest.
- *Spectators shall not storm the court in celebration at the conclusion of any district or state tournament series contest.
- J. Performing Groups:** At the discretion of the district manager, pep bands, dance teams, etc. from participating schools may be invited to perform for district basketball tournaments. - K. **Nets following the contest:** The following Board of Directors policy shall be applied: (1) Nets are not to be cut or removed as part of a ceremony; (2) If the nets are desired as a trophy, the administrator of the host school should be asked for them and should be paid the price of a new set of nets; and (3) If nets are secured by the winning school in this manner, they shall be removed following the tournament and not during the time the act will be witnessed by student and adult spectators.
- L. **Bench:** Assignment of each team's bench and pre-game warm-up basket is to be predetermined by the tournament manager/committee and all teams notified in advance. The recommended procedure is to let the "home" team for each game sit on the bench which the host school utilizes during the regular season and conduct their pre-game warm-up at the basket at the opposite end of the floor. Teams are to conduct pre-game and half-time warm-up on their half of the floor only. If jogging or running is part of their warm-up drills, then it is to be confined to their half of the court. Teams are to refrain from circling the entire floor when they enter the court to warm-up. Teams leaving their locker rooms and entering the court are to proceed to their warm-up end of the court by the most direct route and at no time are they to pass underneath their opponent's basket. Officials are to enforce this once their jurisdiction begins by rule by assessing the head coach a technical foul. Tournament managers are to notify schools of this in advance and enforce it.
- M. **Warm-up:** Participating teams are not permitted to warm-up at half-time of any games except the ones in which they are playing.
- N. **Practice Sessions:** No practice sessions are allowed at the district host site or any of the state series sites before or during the tournament /games for all non-host schools assigned to the district.

Each district is assigned a draft region to which they will attend the draft on a specific date. Officials Recommendations by coaches are required by participating teams prior to the draft. From those Official Recommendations, managers will create their draft board, to be used to select officials.
 4. **Seed Meeting:** A face-to-face meeting is encouraged, however, a Zoom call or Google Meet meeting would also be allowed to protect instructional time. If either method is used, it is required for voting information (results, who voted for who, etc.) to be made public to all schools. The district manager shall notify each school at least seven days prior to the meeting, to draw the tournament bracket in accord with the following schedule:

District Seed windows:
CLASSES 1, 2, and 3 –Thursday of Week #32 - Wednesday of Week #33
CLASS 4 – Thursday of Week #33 - Wednesday of Week #34
CLASSES 5 and 6 –Saturday of Week #33 - Friday of Week #34
- A. The mandatory seeding procedure shall be followed by each District Manager. Each district is to seed each spot individually starting with the #1 seed, followed by the #2 seed, continuing to the last seed. Schools may not vote for themselves in the seeding process. NOTE - If School "A" votes "School "B" as the #1 seed and School "B" does not receive enough other votes for the #1 seed, School "A" MUST vote School "B" as the #2 seed in the next round of voting. The district schools participating in the meeting shall consider each team's win-loss record (varsity vs. varsity games only), head to head competition, caliber of competition, and common opponents they have played over the season. After the District Manager receives each school's vote after each round, the manager must make each vote known to all participating coaches. If a tie should occur, schools involved in the tie shall be allowed to speak about their teams once again and a second vote would be used to determine the seed but only the district schools who are not involved with the tie would participate in the second vote. If a tie remains, it shall be broken based on head to head competition of the tied teams. Should a tie still exist, a coin flip shall determine the seeds of the tied teams.
- B. All teams shall be seeded by the committee. In districts of eight or less teams, the teams shall be placed on the bracket according to seeding as illustrated in a 8-Team Bracket; any byes are to be given to the first-seeded team, then the second-seeded team, etc...In districts of nine or more teams, the teams shall be placed on the bracket according to seeding as illustrated in a 16-Team Bracket; any byes are to be given to the first-seeded team, then the second-seeded team, etc.
5. **Schedule -** With the Classification changes prior to the 2022-23 season, boys' and girls' teams from the same school may be assigned to different district tournaments, thus the changes to the schedule. These changes were made so that in the event that the same school has both their boys' and girls' teams playing in different districts (locations) administrators, spectators and players may attend both contests. BOARD POLICY ON BROADCASTING FOR REGULAR SEASON

For regular season competitions, the content of the contest belongs to both schools involved. In all regular season high school competitions involving MSHSAA member schools the visiting team shall have the same broadcast rights to provide a radio broadcast, a video broadcast and/or provide telegraphic play-by-play accounts as the home team as long as the visiting team has either 1) a valid agreement between a media organization and the visiting school's board of education to provide an audio or video broadcast and/or provide telegraphic play-by-play accounts of the contest or 2) the visiting team has a curricular program for students that typically provides streaming for the team's games. The host school may establish a per game video rights fee for any home or visiting outlet wishing to provide a video broadcast of a contest the school is hosting. If charged, the fee should be the same amount for all entities. (Approved 2022)
