PURPOSE AND PHILOSOPHY [\(TOC\)](#)

- A. **MISSION STATEMENT:** The MSHSAA promotes the value of participation, sportsmanship, team play and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation.
- B. **PURPOSE OF MANUAL:** This manual has been prepared to provide a better understanding of the administration of MSHSAA sponsored events. It will serve as a guide to the participating schools and will provide for greater consistency. All information will be included in this manual except such supplementary or incidental information as may be included in the MSHSAA Journal. The regulations in this manual shall be considered official unless the schools are notified in a Special Bulletin of any changes.
- C. **PHILOSOPHY OF INTERSCHOLASTIC ACTIVITIES:** Interscholastic activities are intended to supplement the secondary curricular program. These activities can provide the student with educational experiences and learning outcomes that contribute toward the development of good citizenship. This can be accomplished only when the emphasis is placed upon teaching "through school activities." Interscholastic activities can be justified only when this is their primary philosophy and purpose.
- D. **PURPOSE OF DISTRICT AND STATE CONTESTS:** There are two primary purposes that justify and cause district and state events to be desirable. Those purposes are to provide opportunities to demonstrate before the public the best knowledge, skills, and emotional patterns taught through a particular sport; and to evaluate and compare the best of this teaching of knowledge, skills and emotional patterns among schools. Unless these purposes are primary, district and state athletic contests cannot be completely justified.

It is the desire of the MSHSAA Board of Directors that these events be both fun and educational. It is extremely important that competitors, coaches, and the school community make every effort to enhance, and keep in proper perspective, the educational values of these events. Competition merely for "competition's sake" cannot be justified. Only when competition contributes toward worthwhile educational goals can it be considered sufficiently important to be included in the school program.

- E. **SUPERVISION OF COMPETITORS AND FANS:** MSHSAA By-Laws hold a school responsible, both at home and away, for the conduct of its competitors, students, coaches, and fans. Coaches are required to supervise their competitors. A coaches' respect for others and school property is necessary in order to instill this respect in competitors. Students staying overnight in hotels or motels in conjunction with any interscholastic athletic contest should be well chaperoned. The good conduct of students will leave a good impression of the entire school.

A school also should inform its competitors, students, coaches and fans of the value contest officials play in education through athletics. When informing these people of this, the difference in the purpose of high school and professional sports should be emphasized. Lack of respect for officials should not be tolerated. Booing of officials leads to booing of coaches and competitors. This has no place in high school athletics. Athletic administrators are urged to develop a program through any and all communication techniques available to ensure that spectators understand that high school athletics are an educational endeavor as opposed to the games being an end in themselves.

SECTION 2: REGULAR SEASON

- A. **USGA RULES:** USGA Rules and MSHSAA Rules shall be followed in the district and state tournaments and all interscholastic meets. Coaches shall thoroughly instruct their golfers of the following regulations. **The MSHSAA will adopt the most current USGA Rules with each USGA publication date/year. The USGA releases new rules during the month of January and publishes new rule books every three years; therefore, the 2022-2023 Girls Golf and Boys Golf seasons will be under the guidance of the current USGA Rules of Golf and the Rules of Amateur Status, released in January-2022.**
1. **LOCAL RULES:** Local course rules, **even when those rules may differ from standard procedure, (penalty areas, etc.)** will be followed. Please become familiar with these rules.
 2. **BALL PLAYED AS IT LIES:** The ball will be played down "according to USGA Rules" (may not be moved) unless the tournament rules committee determines that the course conditions are such that this is not possible. When it is not possible to play the ball down it shall be played in the following manner:
 - a. **2nd choice** – Lift, clean and place, in the same spot, in your own fairway only unless the course has temporary water over the general area in which case;
 - b. **3rd choice** – Lift, clean and place, in the same spot, through the general area.
 3. **PRACTICE DURING ROUND:** A player shall not practice between holes. This includes on or near the putting green of the hole last played and on or near the course practice green or driving range. Penalty - two strokes at the next hole. (USGA Rule 5.5)
 4. **PENALTIES:** Penalties shall be called according to USGA Rule 1.3 in regards to claims and penalties. In the event there is a need for clarification of the rules, a second ball may be played when a player is doubtful of his rights or procedure. The scores for both balls shall be kept until the tournament committee has an opportunity to provide clarification. The penalty for all out-of-bounds and lost balls shall be one stroke and loss of distance. (USGA Rule 18.2.) No penalty shall be rescinded, modified or imposed after the competition has closed. A competition is deemed to have closed, when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the committee.
 5. **LOST BALL:** A maximum of **three** minutes will be allowed to search for a lost ball. All members of the group are expected to assist in searching for balls that are lost. Others in the group should not advance until the lost ball is found or another ball is put into play.
 6. **ADVICE BY PLAYERS DURING COMPETITION:** Per USGA Rule 10.2a, in summary, players are not permitted to give advice to other players, including teammates, during competition.
 7. **USGA LOCAL RULE: ACCIDENTAL MOVEMENT OF BALL OR BALL-MARKER WHEN ON THE PUTTING GREEN** – If a player, partner or player equipment accidentally moves a ball or ball marker on the putting green, there is no penalty and the ball should be replaced. (USGA Rule 9)
Examples:
 - When preparing to make a stroke, player accidentally causes ball to move. Ruling – No penalty, ball must be replaced.
 - A player accidentally drops their ball, which hits and moves ball-marker. Ruling - No penalty, ball-marker must be replaced.
 - A player accidentally drops their ball-marker, which hits and causes ball to move. Ruling No penalty, ball must be replaced.
 - A player accidentally kicks and moves their ball. Ruling – no penalty, ball must be replaced.**NOTE: THIS USGA LOCAL RULE WILL BE USED AT ALL REGULAR SEASON AND POSTSEASON CONTESTS.**
- B. **SCOREKEEPING:** Each player in the group shall be responsible for his/her own score and for keeping and verifying the hole by hole score of another player in that group. Scores should be recorded immediately after moving to the next tee. At the conclusion of the round each player should make sure his score card is correct and signed before the cards are turned in at the scoring table. Each player is responsible for the hole by hole score on his/her scorecard.
- C. **PUTTS HOLED:** All putts shall be holed out. **An optional 10-stroke maximum rule has been reinstated and may be used at the district tournament. Any player using the optional stroke limit cannot advance further in the postseason.** A stroke limit may continue to be used during in regular season contests.
- D. **CADDIES and GOLF CARTS:** Golfers may use pull carts but shall not use caddies or motorized golf carts.
APPROVAL FOR USE OF GOLF CART
A formal request for a student athlete to be granted approval to use a golf cart during practice or competition shall be addressed with upmost concern for "all" competitors due to the potential fundamental advantage that the use of a golf cart may create. There are three required documents that the MSHSAA must receive from the administration of a member school as it relates to an approval for the use of a golf cart.
1. A letter in writing from a physician documenting what the student's disability/condition is as defined by the ADA and why the player must use a golf cart during interscholastic competition. **Note: Temporary conditions/injuries do not warrant approval for the use of a golf cart. Note: A condition not defined by the ADA will require a review by the**

physicians on the MSHSAA Sports Medicine Advisory Committee for approval for the use of a golf cart during interscholastic competition. (Allow 7-10 days).

2. A letter in writing from the school administrator confirming the student's disability/condition that results in the need/request for a student to use a golf cart during interscholastic competition.
3. A letter in writing from the parent/guardian of the student releasing the school and MSHSAA from any and all liability from any accident that occurs while using the golf cart.
4. A school/student must have a letter of approval from the MSHSAA prior to using a golf cart during practice or competition.

Note: Any student receiving permissions in writing from the MSHSAA to use a golf cart during interscholastic golf practices or competitions are still obligated to abide by local course rules that may be in place for establishing an age requirement for operating a golf cart. If a student receiving permissions to use a golf cart during interscholastic practices or competitions "does not" meet the age requirement for operating a golf cart that a course may have in place, a school approved golf coach or administrator must be the operator of the golf cart due to the coaching/instruction restrictions that are in place for high school golf competition. Lastly, there may be settings when a course does not allow use of carts, (weather related conditions on the course), that results in the player not being permitted to use a cart on that day.

- E. DISTANCE MEASURING DEVICES:** Golfers and Coaches may use distance measuring devices, and share information, in high school golf that measure distance only. The use of devices that gauge or measure other conditions that might affect a player's play (e.g., wind or gradient) are not permitted. A Cell Phone used as a distance measuring device is prohibited due to the other capabilities of the device.
- F. CELL PHONES:** Due to the capability of modern cellular phones to take photos and the possibility of an inadvertent use of this capability to capture inappropriate images, the MSHSAA Board of Directors established a no cell phone use policy. Preserving the privacy of all high school students while they are in the dressing and locker room facilities of the venue is important to the host school and the member schools of the MSHSAA.
- Cell Phones on the golf course:** Golfers may not use electronic communicational devices or equipment on the golf course. **The penalty may be disqualification.** Golfers may have cell phones in their bag to use in an emergency situation, to notify authorities.
- G. LIVE SCORING PROGRAMS/DEVICES:** Live Scoring programs, which allows coaches or approved personnel, to use an electronic device (cell phone, tablet, etc.) to make live scoring updates during a competition are permitted for both regular season and postseason contests. Live scoring results shall be unofficial.
- H. CO-ED TEES:** Girls participating on boy's teams must play from the same tees as all other participants.
- I. UNSPORTSMANLIKE CONDUCT:** Any student who uses tobacco, alcohol, or controlled substances (other than prescription), in any high school golf match shall be disqualified. Any player who, in anger, throws or breaks a club, throws a ball or other equipment, bets on the course or uses inappropriate or profane language or gestures will be penalized for unsportsmanlike conduct. Further, it is considered unsportsmanlike to use baiting or taunting acts or words or wear insignias which engenders ill will. Unsportsmanlike conduct shall be called by the spotters, markers and/or the rules committee members. Based on the seriousness of the incident the penalty shall be either a warning (one per tournament) or a two-stroke penalty. Once warned and penalized any additional occurrences would result in disqualification. Any flagrant act of unsportsmanlike conduct shall result in immediate disqualification. Players may not call unsportsmanlike conduct on each other but should bring inappropriate behavior to the attention of the tournament manager or officials. Provisions of this section apply any time the competitor is on the course grounds until awards have been presented.
- J. SLOW PLAY:** Slow play cannot be tolerated. Each player shall play without undue delay and in accordance with any pace of play guidelines which may be laid down by the Committee. MSHSAA has published a suggested Pace of Play policy which can be found in the Appendix. After a warning, persistent slow play may subject a participant to a two-stroke penalty and then disqualification.
- K. UNIFORMS:** Players must wear appropriate golf attire in all interscholastic matches (regular and post season), preferably in the school's colors. Any lettering or artwork on uniform tops must pertain to the school name or emblem. Exception: A single partial/whole manufacturer's reference and/or one American flag (no more than 2x3 inches in size) is permitted on each piece of the uniform. If the course has a dress code, golfers must abide by the stated dress code and schools must be notified in advance regarding the requirements. At a minimum, participants should wear shorts/skorts or slacks and a collared shirt. Each competitor must wear a shirt during the entire time of play (it is recommended by the advisory committee that the shirt be tucked in). No jeans, athletic/compression shorts or cutoffs (jean shorts). T-shirts are prohibited. In the event of inclement weather appropriate layers may be worn.
- L. NON-SCHOOL COMPETITION:** Per MSHSAA Bylaw, during the school golf season, a student may, after fulfilling all requirements, practices and competitions of the school team, compete as an individual participant in two (2) organized non-school golf competitions.

(a) Priority shall be given to all school team practices and competition. Should a non-school competition be in direct conflict with the school scheduled practice/competition the school practice/competition shall take priority. Prior approval by the school administrator may grant an exception to a student to participate in the non-school competition if in direct conflict with the school program.

(b) No school time shall be missed to compete, practice or travel to the site of such non-school competition unless the absence is approved in advance by the school administrator.

- M. NEWS MEDIA:** News media personnel, with the permission of the tournament manager, may be allowed on the course with instructions not to converse with participants and to stay out of the way on camera shots. Whenever possible, news media personnel should be accompanied while out on the course, by a member of the committee.
- N. HAZARDOUS WEATHER CONDITIONS/LIGHTNING GUIDELINES:** See Section 1 of this manual, **Essential Resources**. Recommend that all coaches carry air horns as a warning device in case of lightning or severe weather.
- O. COACHING:** Coaching of golfers during competition during the regular season shall be in accordance with USGA rule 10. During the postseason series (Districts & State): The coach will not be allowed to give advice once the player's ball is on the green AND player has reached the green area (10 yards). Golf Coaches may coach their athletes at the District Tournament provided all duties assigned for the tournament are filled by the site manager and all coaches are given the same opportunity to fulfill the assigned responsibilities as delegated by the site manager.
- P. GOLF COACHES PLAYING DURING SCHOOL COMPETITIONS:** Golf Coaches are prohibited from playing golf during all school golf competitions (this includes all regular season matches and tournaments as well as postseason matches). During the state tournament practice round, only state qualifying golfers are permitted to play during the Sunday practice round. Penalty: The coach could be subject to losing their MSHSAA approved coaching status.
- Q. HAZING:** Willful conduct directed at a student that is intended to physically or emotionally intimidate, punish, embarrass, humiliate, ridicule, or place any student in a disconcerting position for the purpose of initiation, affiliation, inclusion or membership in any team or organization.

HARASSMENT: Unwelcome conduct by a person that is sufficiently serious, persistent or pervasive, so that it affects another person's ability to participate in or benefit from the school program or activity by creating an intimidating, threatening or abusive environment.

It is the policy of the MSHSAA Board of Directors that hazing and harassment have no place in school-sponsored activity programs and pose a significant risk to the physical and mental welfare of students. Coaches, directors, sponsors and administrators must take an active role in the prevention of all forms of hazing and harassment. Students directly or indirectly involved in hazing incidents, on or off school grounds, could be considered ineligible by the school administration under the MSHSAA citizenship standard, By-Law 2.2.1.

- R. SPECIAL ACCOMMODATIONS:** The school of a competitor with a disability or special need may request specific accommodations or to use special equipment. The following items are required before accommodation requests can be reviewed and considered:
1. A written request from the school, describing the competitor's special needs and the specific accommodations being requested. The letter should include the rule references of applicable USGA or MSHSAA Rules that would be violated without the accommodation.
 2. A letter from the parent(s) or guardian confirming the need for an accommodation and approving the accommodation request.
 3. A letter from the student's doctor or applicable caregiver describing the medical circumstance or special need, and confirming the need for an accommodation.
 4. Photographs of 1) the special equipment, and 2) the student wearing the special equipment, if applicable.

Written approval from the MSHSAA office is required prior to any competition. During the regular season, the letter of approval from MSHSAA must be presented to meet officials before any accommodations may be used. **Please allow ONE WEEK for requests to be reviewed prior to the first competition.**

MSHSAA will consider requests if:

1. the sport is not fundamentally altered by the accommodation,
2. the accommodation does not create a risk to either the athlete or others, and
3. the accommodation does not place opponents at a disadvantage.

- S. SANCTIONING:** See Section 1 of the manual, **Essential Resources**

SECTION 3: POSTSEASON CRITERIA

- A. **COMPETITION SITES:** The Board of Directors has taken the position on the locations for District and State Tournaments that competition sites for all district and state series events shall be conducted in Missouri unless a school owned facility, contiguous to the school campus is beyond the state border.
- B. **CLASSIFICATION:** The district and state golf tournaments will be administered under a **one**-year classification plan (2022-2023) based upon the total number of schools participating in the sport. A school's classification will be determined by its enrollment in grades 9-11 as of March 15th of the preceding school year. (See MSHSAA Board Policy in the MSHSAA Handbook for details on Classification Procedures as well the use of the Championship Factor for non MSIP schools. Girls Golf schools will be divided into four classes (Class 1,2,3,4). Boys Golf schools will be divided into five classes (Class 1, 2, 3, 4,5).
- C. **SCHOOL ELIGIBILITY:** Before a school can enter students in the district and state golf tournaments, it must have employed a golf coach and offered instruction in golf as provided in MSHSAA By-Law 3.1. A school must have also competed in at least half of the number of contests permitted by By-Law 5.1.2. In golf, that would be a minimum of seven competition dates.
- D. **INDIVIDUAL ELIGIBILITY:** In part, By-Law 5.1.2 indicates that "No individual student shall be entered who has not represented his/her school in interscholastic competition in that sport during that season." In golf, as in all sports, if a golfer is to be entered in the district tournament, he/she shall have participated in at least one regular season golf contest prior to the district tournament.

SECTION 4: POSTSEASON ENTRY PROCEDURES

- A. **GENERAL INFORMATION:** All district golf tournaments will be held as qualifying events for the for the state tournaments.
- B. **ENTRIES:** Only those schools submitting the sports registration fee for golf are eligible to enter a district tournament.
- CO-ED TEAMS:** MSHSAA By-Law 3.20 permits member schools to sponsor co-ed teams in the sport of golf. However, under MSHSAA Board of Directors Policy, if a school only sponsors one team and permits both boys and girls to compete on that team, they shall be eligible to enter only the boys postseason. All players on a co-ed team shall play from the same tees.
 - ENTRY PROVISIONS:** Schools shall submit the required entries on the MSHSAA Web Site under their School's District Entries.
 - Entry forms** - District Entries shall be completed via the MSHSAA website by selecting district entries that is located on each school's home page. The entry process shall be completed by 4:00 pm on the established deadline (**Girls: September 30, 2022**) (**Boys: April 28, 2023**). Failure on the part of the school and/or head coach to complete and submit the proper entries could result in the elimination of the school from the MSHSAA district and/or state championship series.
 - Late entries** - A late entry penalty fee of **\$50.00** shall be assessed for late entries. No entries will be accepted after the tee times have been set. The district manager shall notify the MSHSAA regarding any late entries for the tournament.
 - ALTERNATES/SUBSTITUTIONS:** Only students properly certified by the principal or superintendent on the online Eligibility Roster shall be eligible to compete in the district tournament. Any number of players may be certified eligible. **Each school is requested to list Alternates as part of their online District Entries but the school's Eligibility Roster is their master alternate list.** Alternates/Substitutions may be used up to the completion of the coaches meeting prior to the start of the district tournament. If an Alternate replaces a player originally listed in the team's top five of the district entries, the online district entries must be edited to remove the Alternate from the alternate list and add them to the top five player roster.
 - NUMBER OF ENTRIES:** Each school may enter a maximum of five players in district team competition and count the four best scores for the team total. A school may enter less than four players for district individual medalist play only.
 - ORDER OF ENTRY:** Coaches are instructed to list the golfers in order of their ability on the district entry page with the best golfer in the number one spot, second best next, etc. The nine-hole season average (for matches and tournaments only in relation to par—no practice scores shall be included) shall be listed on the entry blank beside the name of each golfer entered.

SECTION 5: CHAMPIONSHIP SERIES

- A. **DISTRICT TOURNAMENTS:** There will be four (4) districts in each classification. Girls District tournaments are to be scheduled October 6/7/10, 2022. Boys District tournaments are to be scheduled May 4/5/8, 2023. When it becomes necessary to postpone an event, the local manager must check with the MSHSAA Office. Rescheduling on Sunday should be avoided unless absolutely necessary and then only after gaining approval from the principal of all participating schools. **No team shall compete on the same golf course more than once during the MSHSAA Post Season Series. Example: A team cannot play their District tournament at the same golf course that will host the State tournament for that classification.**
1. **COURSE ACCESS:** All Schools must have reasonable access to the golf course from the date of determining the host site course up to the start of the district tournament. It is the responsibility of each school to plan accordingly for securing a practice round at the district course prior to the start of your district tournament. **NOTE: Practice round access the day before district starts is no longer mandatory due to the multiple dates window for hosting districts.**
2. **GREENS FEES:** If greens fees are to be charged, the tournament manager shall notify all schools in advance of the tournament. Greens fees shall be paid before a school or golfer will be allowed to participate. It is recommended that a maximum greens fee rate for District tournaments be \$30.00 per player.
3. **PAIRINGS:** District Managers have three options for making the pairing assignments.
A. Pair the #1 players from each team by their season average, then pair the #2 players, #3 players, etc. (players may be grouped in groups of 3 or 4).
B. Pair by teams: Pair the 3 or 4 best teams together, then the next 3 or 4 teams, etc. Pair the #1 players together, then #2, etc. This allows the coaches to have their players in consecutive groups.
C. Pair all golfers by their season average to par. No two players from the same team may be paired in the same group. Groups of 3 or 4 players per group may be used.
STARTING FORMAT (TRADITIONAL & SHOTGUN): While the traditional start of sending players off of hole #1 and hole #10 is recommended for the district tournament. The use of a Shotgun start is an option at district tournament under the discretion of the district manager due to several different variables that may need to be considered, which includes but not limited to: course availability, inclement weather, player skill/pace of play, etc.
4. **GOLF COURSE PROPERLY MARKED:** The golf course shall be properly marked prior to the tournament. Penalty Areas, Out of Bounds, abnormal conditions, and obstructions shall be properly marked and included in the Notice to Players and local rules shall be clearly stated.
Notice to Players and Local Rules: District hosts are required to submit tentative Local Rules and Notice to Players to all participating schools a minimum of five days in advance of the contest. A finalized Local Rules and Notice to Players must be submitted to all coaches at the Coaches Meeting and to each participating player prior to the start of the tournament.
NOTE: Local course rules, even when those rules may differ from standard procedure, (penalty areas, etc.) will always be followed.
5. **MARKERS:** Markers shall be used for all district tournaments, for all groups playing. Markers may be coaches, club pros, school faculty members or school approved volunteers. Parents of participating players may not be used as markers. A shortage of markers can be solved by playing in groups of five.
6. **STROKE LIMIT:** An optional 10 stroke limit may be used at the district tournament. Any player using the optional stroke limit cannot advance further in the postseason.
7. **ADMISSION TICKETS:** **Admission Tickets shall be sold for \$6.00.** The money for all tickets sold and any unsold tickets shall be returned to the MSHSAA Office. Spectator Cart Rentals will be a local course decision.
8. **QUALIFIERS:** Teams and individuals will qualify from districts to state as follows:
A. **TEAMS:** The District Champion and Runner-up teams will advance their top four player scores from district tournament play to the state tournament. If a team's fourth and fifth player score is a tie, both players will advance to the state tournament but will not count as part of the top 12 individuals.
Note: If a qualifying team's 5th player score places them in the top 12 individuals, then the 5th player is permitted to advance with the other four team members to the state tournament.
Note: If a team's 5th player score places in the top 12 individuals, they will count as one of the 12 individuals that advance to state.
Note: A school that qualifies 4 or 5 individuals to the state tournament will also be permitted to compete in team competition.
B. **INDIVIDUALS:** After removing the player scores from qualifying teams (district champion, runner-up), the remaining top 12 individual player scores, including ties, will advance to the state tournament. Note: If a team's 5th player places in the top 12 individuals, they will count as one of the 12 individuals that advance to state. When there is a tie for the last individual qualifying position, all individuals tied shall be individual qualifiers to the state tournament.
9. **INCLEMENT WEATHER POLICY:** If the district tournament is postponed due to inclement weather, the tournament shall be played on the next available day with fewer holes being played if necessary. A

minimum of nine holes must be completed on the scheduled date (or on any rescheduled day) in order to count as a tournament and all players must have played the same nine holes; otherwise the tournament would have to be restarted the next available day. If bad weather is forecasted, all golfers should tee off from the first hole. **If all competitors have played the same nine holes, the tournament is deemed to be completed (the nine-hole score would count) and participants shall not come back on a different day to finish the tournament.**

10. DISTRICT TOURNAMENT AWARDS:

A. MEDALS: District medalist deemed to be All District will be the Top 12 individuals, including ties, in the District Tournament. Individual Medals will be awarded at the District Sites.

B. PLAQUES: District Champion and District Runner-Up plaques will be awarded to the schools placing first and second in the district tournament. When there is a team tie, for first or second place, the tie shall be broken using the following criteria:

1. The teams tied shall compare the score of the fifth golfer (the golfer whose score was not used in computing the team score);
2. If still tied and daylight, weather or course restrictions permit the teams shall play one additional hole, counting the score of all five golfers.
3. If daylight, weather and/or course restrictions do not permit further play or if the teams are still tied after playing one additional hole, the tie shall be broken by a scorecard playoff, starting with the #1 handicap hole, followed by the #2 handicap hole, etc. until there is no longer a tie using all five scores.

*(Any team reduced to four players for any reason will lose the tiebreaker.)

11. POSTSEASON BROADCASTS: MSHSAA holds exclusive ALL-PLATFORM DISTRIBUTION rights for AUDIO, DATA and VIDEO for all postseason contests or festivals (beginning with district level through state) in all activities. Any transmission or production of any portion of these events (actual competition or performance), without the consent of MSHSAA is prohibited. If the first day of the state tournament is cancelled or if all players fail to complete at least 14 holes of play because of inclement weather, the tournament will be contested the second day as a one day 18-hole tournament. For a tournament to count, a minimum of nine holes must be completed and all players must have played the same nine holes.

In the event of changes to tournament play due to inclement weather or other circumstances, coaches will be notified via text or email using the REMIND mass messaging system in addition to posts/updates on the MSHSAA website. - b. Trophies will be awarded to the schools placing first, second, third, and fourth in the state tournament, if applicable. If a tie occurs for a team place(s), the tie shall be broken using the following criteria: 1) the teams tied shall count the score of the fifth golfer, if applicable, (the golfer whose score was not used in computing the team score) from the second day of competition; 2) if still tied the teams tied shall count the score of the fifth golfer, if applicable, from the first day of competition; 3) if still tied the teams shall remain tied. If a tie occurs for a team place(s), a representative from each team involved will flip a coin and the winner will receive the available trophy. If additional trophies (because of ties) are needed, they will be ordered after the tournament and sent directly to the appropriate school(s).
- c. The Golf Advisory Committee has recommended the above awards policy. The philosophy of the committee in regards to breaking team ties is that a complete team of 5 golfers should be favored in the tie breaking procedure. FOLLOWING GROUPS: A following group is out of position if it

- a. takes more than the allotted time to finish a check-point hole and
- b. completes play of a check-point hole more than 14 minutes after the preceding group completed play of that hole.

Group Out of Position

When a group is out of position at a check-point, it will be notified by a Check-Point Official that the group is potentially in breach of the pace of play guidelines. When a group has been notified they are out of position, they must re-establish position prior to the next check-point or the group is liable for the prescribed penalty(s). Clocks are placed at various points on the golf course and pace of play times are listed on each player's score cards so each participant and group can monitor and know if they are out of position.

Resumption of Play: A group out of position when play is discontinued is out of position when play is resumed.

Final Determination Regarding Breach/Review Process

Before returning a score card, a player who was out of position during his round may consult with the Pace of Play Committee to determine if he has incurred a penalty under these guidelines. The Pace of Play Committee will determine that a player who has been found to be out of position is not in breach of these guidelines only if:

- a. the player was delayed by the Committee; or
- b. the player was delayed by a circumstance beyond control of the player or the group; or
- c. the player was delayed by another player in the group.

A player who was out of position during his round and who elects to consult with the Pace of Play Committee to determine whether he was in breach of these guidelines is considered to have been in breach of these guidelines and to have incurred a penalty or penalties according to the above schedule of penalties.

If a group is liable to penalty, all penalties will be applied to the check-point hole where the breach occurred.

Appeals

Before returning his scorecard, a player may appeal "group breach" pace of play penalties to the Committee. An appeal will be considered only if:

- a. the player was delayed by the Committee; or
- b. the player was delayed by a circumstance beyond control of the player or the group; or
- c. the player was delayed by another player in the group.

Note: The Committee reserves the right, at any time, to monitor or time a group when the Committee deems it necessary. An example of this would be a player who delays play between shots or holes.

When making a Pace of Play Time Sheet for Players the following times are suggested:

Par 3: 13 minutes Par 4: 14 minutes Par 5: 15 minutes It is also suggested to build in a few minutes at the completion of hole #9 for a quick stop at the turn (5-10 minutes)
A course layout of 4 Par-3's, 10 Par-4's, and 4 Par-5's and 8 minutes at the turn = 4 hrs. 20 minutes
