MSHSAA Adjusts 2025 Spring Softball Championships Schedule Due to Wet Field Conditions

SPRINGFIELD – The Missouri State High School Activities Association (MSHSAA) has announced a schedule change for the 2025 Spring Softball Championships. Due to wet field conditions at Meador Park, the event has been postponed by one day.

Originally slated for May 26-27, the championships will now take place May 27-28. All game times will remain as previously scheduled.

“We understand how important this championship experience is for our student-athletes, coaches and communities,” MSHSAA Assistant Executive Director Marty M. Marsh said. “Our decision to postpone the start is driven by safety and field readiness, but we also recognize that more weather could impact the schedule. We’ll continue to monitor conditions closely and communicate any further changes as early as possible.”

The updated schedule is available now on the [MSHSAA website](http://www.mshsaa.org).

--MSHSAA--

“MSHSAA promotes the value of participation, sportsmanship, team play and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation.”
