PURPOSE AND PHILOSOPHY (TOC)

A. MISSION STATEMENT: The MSHSAA promotes the value of participation, sportsmanship, team play and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation.

B. PURPOSE OF MANUAL: This manual has been prepared to provide a better understanding of the administration of MSHSAA sponsored events. It will serve as a guide to the participating schools and will provide for greater consistency. All information will be included in this manual except such supplementary or incidental information as may be included in the MSHSAA Journal. The regulations in this manual shall be considered official unless the schools are notified in a Special Bulletin of any changes.

C. PHILOSOPHY OF INTERSCHOLASTIC ACTIVITIES: Interscholastic activities are intended to supplement the secondary curricular program. These activities can provide the student with educational experiences and learning outcomes that contribute toward the development of good citizenship. This can be accomplished only when the emphasis is placed upon teaching “through school activities.” Interscholastic activities can be justified only when this is their primary philosophy and purpose.

D. PURPOSE OF DISTRICT AND STATE CONTESTS: There are two primary purposes that justify and cause district and state events to be desirable. Those purposes are to provide opportunities to demonstrate before the public the best knowledge, skills, and emotional patterns taught through a particular sport; and to evaluate and compare the best of this teaching of knowledge, skills and emotional patterns among schools. Unless these purposes are primary, district and state athletic contests cannot be completely justified.

It is the desire of the MSHSAA Board of Directors that these events be both fun and educational. It is extremely important that competitors, coaches, and the school community make every effort to enhance, and keep in proper perspective, the educational values of these events. Competition merely for “competition’s sake” cannot be justified. Only when competition contributes toward worthwhile educational goals can it be considered sufficiently important to be included in the school program.

E. SUPERVISION OF COMPETITORS AND FANS: MSHSAA By-Laws hold a school responsible, both at home and away, for the conduct of its competitors, students, coaches, and fans. Coaches are required to supervise their competitors. A coaches’ respect for others and school property is necessary in order to instill this respect in competitors. Students staying overnight in hotels or motels in conjunction with any interscholastic athletic contest should be well chaperoned. The good conduct of students will leave a good impression of the entire school.

A school also should inform its competitors, students, coaches and fans of the value contest officials play in education through athletics. When informing these people of this, the difference in the purpose of high school and professional sports should be emphasized. Lack of respect for officials should not be tolerated. Booing of officials leads to booing of coaches and competitors. This has no place in high school athletics. Athletic administrators are urged to develop a program through any and all communication techniques available to insure that spectators understand that high school athletics are an educational endeavor as opposed to the games being an end in themselves.

9. NFHS Rule 4-4: “Protests” see Section 1.H

B. FIELD QUALIFICATIONS: Recommendations for regular season – REQUIRED for post-season

1. Contests shall be played on fields designed, constructed and intended for Softball, not fields where the host has created a temporary softball field. Teams should not be placed in an unfair/unsafe situation by playing on a make-shift softball field. Example: A football/soccer field converted to a softball field. A baseball field, used in a traditional manner, with the mound removed and temporary fencing installed would meet the qualifications to host, as long as all other requirements are met.
2. The field must have an outfield fence (the recommended distance is 200 feet (185ft – 235ft); a permanent fence is preferred). A school cannot host without a fence.
3. The field must have a manufactured double first base.
4. The facility must have a means to charge admission.
5. A facility with lights is preferred, but not required.
6. The field shall not include a baseball mound. A school cannot host if the field has a baseball pitcher’s mound.
7. Multiple fields at one facility are preferred, but not required.
8. Restrooms and concession stands are preferred, but not required.
9. The softball field should be free of dangerous obstructions and/or non-traditional softball playing equipment. (Ex. Soccer goals, Goal Posts, Maintenance Equipment, etc.).
10. The Facility must represent to MSHSAA that the facility is in compliance with accessibility under the Americans with Disabilities Act (ADA), Title III, as a place of public accommodations and Facility will assume all responsibility for any claims made against MSHSAA arising from any non-compliance with the ADA.

C. GAME LENGTH:

1. Games are to be 7 innings in length. A regular season game may be considered to be official after 4½ innings due to inclement weather.
2. Rule 4-2-3: Permitted game-ending procedures:
   a. Missouri has adopted the following run-rules: 15 runs after 3 innings or 10 runs after 5 innings.
   b. The NFHS approved, and Missouri adopted, 1½-hour time limit game-ending procedure may be instituted for regular season tournaments (games played in the MSHSAA District-State series may not utilize this option).
   c. A varsity game may be ended at the conclusion of the inning, if after 1¼ hours of play, the game has not entered the sixth inning and the opposing schools have prior mutual agreement by written contract. This allowance is for non-tournament varsity contests only.
   d. By mutual agreement, in Sub-Varsity and Junior High contests, two schools may elect to shorten game length by
      inning-count or time-limit.
3. Rule 4-2-6: The NFHS tie-breaker game-ending procedure may be instituted for regular season tournament games (games played in the MSHSAA District-State Tournament series may not utilize this option), with the application of the tie-breaker occurring after seven innings or a 1½-hour time limit.

D. REGULAR SEASON TOURNAMENT GAMES: May use “The International Tie Breaker”

The following procedure shall be followed if the International Tie-Breaker is used: At the start of the inning in which the tie-breaker rule is used, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective halfinning being placed on second base (e.g., if the number 5 batter is the leadoff batter, the number 4 batter in the batting order will be placed on second base). The umpire and the scorekeeper will determine that the proper runner has been placed at second base and the inning shall begin. *If the pitcher or the catcher is the person to bat last in the inning, they should be placed on second base. Once both teams agree and that person is on second base, then the offensive coach may use the courtesy runner.

E. CONSEQUENTIAL GAMES: When a team must play two consecutive games, a minimum of thirty (30) minutes must be allowed between games unless the participating teams mutually agree to a lesser time.

F. UMPIRES: Only MSHSAA registered umpires shall be contracted. A minimum of two umpires shall be required for all varsity level contests and recommended at all other levels. The proper uniform of an umpire consists of a powder blue shirt (by Missouri adoption, the shirt may be a light blue “Pro Knit Mesh” pullover) and heather gray slacks. All members of an umpiring crew must be dressed alike.

G. GAME BALLS: During the regular season the home team shall furnish at least two game balls. It is recommended that the teams use the same ball that is used for post-season play, the “Dudley Thunder Heat”.

   b. A catcher’s throat protector is mandatory equipment and must be part of the mask. The catcher’s helmet and mask combination must meet the NOCSAE standard (NOCSAE permanent stamp) and have full ear protection.

5. By Missouri Adoption the pitcher is required to wear a protective fielder’s mask while pitching. The softball advisory committee and the MSHSAA Board of Directors also strongly urge the first and third basemen to do the same.
   a. A specific model or brand was not specified, but all face protection equipment must to be worn as intended by the manufacturer.
   b. The pitchers mask must vertically cover and extend from the forehead (frontal bone) to the chin (mental protuberance).
   c. It will also horizontally cover and extend from temple (temporal bone) to temple.
   d. It will provide adequate shielding so as to protect the wearer’s face from being struck by a regulation ball through any opening.
   e. The facemask shall also meet all regulations set forth by NFHS Softball Rules 1-8-4 & 1-8-5
   **Note:** Discarded defensive facemasks will be handled as outlined in Case Book 1.8.4 Situation A which may or may not result in an obstruction call and awarding of bases.

I. SPECIAL ACCOMMODATIONS: The school of a competitor with a disability or special need may request specific accommodations or to use special equipment. The following items are required before accommodation requests can be reviewed and considered:
1. A written request from the school, describing the competitor’s special needs and the specific accommodations being requested. The letter should include the rule references of applicable NFHS Softball Rules that would be violated without the accommodation.
2. A letter from the parent(s) or guardian confirming the need for an accommodation and approving the accommodation request.

   - Written approval from the MSHSAA office is required prior to any competition. During the regular season, the letter of approval from MSHSAA must be presented to meet officials before any accommodations may be used. Please allow ONE WEEK for requests to be reviewed prior to the first competition.
   - MSHSAA will consider requests if:
     - the sport is not fundamentally altered by the accommodation.
     - the accommodation does not create a risk to either the athlete or others.
     - the accommodation does not place opponents at a disadvantage.

J. COACHES’ ATTIRE: A team faculty coach who occupies a coaches’ box during any game in the State tournament series shall be clad in school colors or in white, black, gray, or khaki. It is strongly recommended that coaches dress in this same attire or official softball uniform throughout the regular season.

L. WARM-UP PROCEDURE: Recommended for the regular season and required through the MSHSAA postseason, the following warm-up procedure shall be in effect unless weather conditions would require a change in this procedure. This procedure shall begin 25 minutes prior to the starting time of the game.
1. The home team shall be scheduled for the first infield practice not to exceed ten minutes.
2. The visiting team shall then be scheduled for infield practice not to exceed ten minutes.
3. Following the completion of infield practice by both teams the game umpires, team coaches and captains shall meet at home plate to discuss ground rules and present each team's starting line-up and batting order five minutes before game time. The official line-up is that submitted to the umpire-in-chief.

M. BENCH/DUGOUT CONDUCT
1. The use of artificial noisemakers and/or use of equipment to produce noise by team personnel in and around the dugout is prohibited.

3. Suspended Games (Regular Season): When play is continued, the line-up and batting order shall be exactly the same as at the moment of suspension, subject to the rules governing the game. For example, if a team, while on defense, has been charged with two conferences, it is allowed only one more charged conference when the Suspended Game is continued. If a player has entered as a substitute and has been removed from the game, she cannot reenter when the game is continued. Even though a game is played during two different days, all playing regulations apply as if the game were continuous and being played during one day.

      ii. District Eligibility Roster
         1) Failure to submit a roster will result in the school forfeiting its opening contest.
         2) No limit is placed on the number of players that may be in uniform for any one-tournament game.
         3) All eligible players shall be listed on the roster at the time of the beginning of each tournament.
         4) No new players may be added to the roster once the team has participated in the respective tournament.
         5) Rosters may be updated between the close of the district tournament and sectional game.
      iii. Season Record
         e. Make sure to note the deadline for each task to be completed.
   4. LATE ENTRIES: Managers are allowed to accept late entries until the time the meeting to draw the District tournament bracket commences. A late entry penalty fee of $50.00 shall be assessed for late entries. No entries will be accepted after the meeting to draw the District tournament brackets. The District Manager shall notify the MSHSAA regarding any late entries for the tournament.

B. TOURNAMENT MANAGEMENT
1. Selection: The manager shall select two or four school representatives (principal, athletic director, or coach) from other participating schools to serve with him/her on a tournament committee. As many conferences as possible shall be represented and at least one coach shall be included on the committee.
2. Committee Duties:
   a. Assist the manager in the administration of the tournament.
   b. Establish the tournament schedule.
   c. Consult on the plan for selecting tournament officials.
   d. Make any necessary rulings regarding grievances which may arise during district seeding or the progression of the tournament.
3. Seeding Meeting: A face-to-face meeting is encouraged. However, if they are done via email or conference call, it is required for voting information (results, who voted for who, etc.) to be made public to all schools.
4. Seeding Procedures: The participating coaches present shall rank teams for seeding purposes. The teams shall be ranked fairly regardless of how it may affect each coach’s team. This process shall be for each coach to rank each team in the district excluding his/her own team, from top to bottom on a secret ballot that will then be published in open forum and tallied to determine the overall seeding. When ranking the teams, the committee shall take into account each team’s won-lost record (varsity games only), head to head competition, caliber of competition, and common opponents they have played over the season. If a tie should occur in this seeding process, the tournament committee shall look at the tied teams only and their individual seeds from the other schools in the districts to break the tie. Based upon each ballot, the tied teams would be assigned one or two points based upon their relative seeds. The team with the fewest points shall be awarded the higher seed. Should a tie still exist, the tournament committee shall determine the seeds of the tied teams. A tournament committee member whose team is involved in the tie shall abstain. The tournament committee shall have the authority to throw out a ballot that is obviously cast to negatively influence the seeding process. The committee shall reserve the right to reject the coaches’ seeding recommendations. This specific procedure shall be followed by district manager.
5. Placement on Bracket: All teams shall be seeded by the committee. Teams shall be placed on the bracket according to seeding; any byes are to be given first to the first-seeded team, then to the second-seeded team, etc.
6. Team Withdrawal: If a team withdraws from the district tournament after the seeding meeting all teams seeded below the team withdrawing shall be moved up one seed to fill the vacated spot. For example, if the 6th seeded team withdraws from the tournament the 7th and 8th seeded teams would be moved up to the 6th and 7th spots on the bracket.
7. Inform Media: District Manager and coaches should notify media outlets direct them to www.mshsaa.org to view the brackets.
8. Switching Sites: By mutual agreement, the two participating schools may switch the site for a game. This would normally result from one school having inadequate facilities or because of inclement weather. District games may be played between two teams at a central location or at one of the other facilities in order to hold down travel. All games, however, shall be coordinated by the District manager. All game officials shall be approved, registered and contracted by the District manager.
C. CONTEST DETAILS

1. Game Length
   a. 7 Innings: All MSHSAA tournament games shall be seven innings and shall have precedence over any regularly scheduled games or other local school activities. (At least 4-1/2 innings constitutes a regulation game.)

   b. Post Season: If enough innings have not been played to determine a winner or the score is tied, the suspended game rules apply.
   c. Suspended Games (Post Season): When play is continued, the line-up and batting order shall be exactly the same as at the moment of suspension, subject to the rules governing the game. Schools that do not submit their information to MSHSAA in a timely, legible, complete and accurate manner will be fined $25 per offense (Board Policy). Electronic reports must be submitted by the appropriate deadline in the format and style included with the report instructions. COPYRIGHT COMPLIANCE

MSHSAA Position Statement Regarding U.S. Copyright Compliance

Educators, coaches, and administrators who wish to use copyrighted material need to understand the privileges and rights of the copyright owner and must abide by defined limitations as expressed in U.S. Copyright Law. It is the responsibility of the school administration to ensure their school community is in compliance with U.S. Copyright Laws at all times when playing music at your events, reproducing consumable materials, and all other events taking place at school facilities where copyright laws are to be followed. When hosting a MSHSAA postseason event, the host site is responsible for confirming any music being played over a public sound system, used in video clips, etc., has the gained written permission and/or secured the necessary license(s) to play the music, video clips, etc. from the appropriate Performing Rights Organization (i.e. ASCAP, BMI, SESAC, other).

The NFHS (National Federation of State High Schools) has established an agreement with ASCAP to allow schools and non-school sites hosting a MSHSAA postseason event, to perform/play music in which they own the rights (at least 50%) of the work at no charge. It is your responsibility to ensure the music performed onsite is owned by ASCAP. To determine if the music is owned by ASCAP to go www.ASCAP.com and select the link ‘Repertory’ to search their catalog. If the work is not owned by ASCAP (at least 50%), you will need to work directly with the organization that does own the rights (BMI, SESAC, etc.) to secure the necessary license or not use that work. This agreement only extends to the playing of music recordings downloaded to personal electronic devices, CD’s, etc. but does not extend to mash-up recordings or music altered from its original recording without the site obtaining a license to do so.
