The student entering Informative Speaking shall:

Deliver an informative speech of his/her own composition designed to explain, describe, or illustrate a particular subject with no more than 150 words of quoted material. All quoted material shall be credited within the text of the speech.

Deliver the speech from memory, without notes.

Choose a subject for the speech that is interesting and significant.

Use sensible appeals and sound reasoning.

Show a lively sense of communication, using bodily action and voice to the best advantage.

May or may not use audio/visual aids to supplement and reinforce the message.

If used, audio/visual aids should enhance or support the message rather than distract from the overall effectiveness of the presentation.

During the presentation, no electronic equipment is permitted. Electronic equipment is defined as any object requiring an electrical cord, battery, or solar power to operate it (projectors, cell phones, radios, iPads, computers, etc.).

The use of live animals or any additional people as visual aids is not allowed during the speech.

Items of dress put on and/or removed for illustration during the course of the presentation are considered costumes and may not be part of the contestant's presentation.

Visual aids may not violate policies as dictated by local and state law (weapons, drugs, etc.).

Contestants may not distribute items to the judges or audience before, during or after round. This includes but is not limited to food, objects, handouts, flyers, and promotional merchandise.

The host school is not responsible for providing facilities, equipment – including tables, chairs, or easels – or assistance in a contestant's use of visual aids.

Expedient set-up and take-down of audio/visual aids is expected.

If a visual aid displays published pictorial material, then the material must be included in the works-cited page but does not need to be cited orally.

The participant shall have available a copy of the speech in the case it is challenged. Any contestant failing to provide the copy is subject to disqualification.

The speaking time shall not be more than ten minutes.

Timekeepers shall adhere strictly to the time schedule and shall notify the judge when a contestant exceeds the time limit rather than stopping the performance. Contestants who exceed the time limit may be penalized by the lowering of the contestant's speaking rank by one or more places in the final rankings for that round and is to be determined by the judge's discretion.

NOTE: THERE IS NO BUILT IN 30 SECONDS GRACE PERIOD. THE TIME LIMIT IS CLEARLY STATED IN EACH EVENT'S JUDGING REGULATIONS PRINTED IN THE MANUAL.

In finals, judges may allow a grace period for audience reaction.

INSTRUCTIONS FOR JUDGES

NOTE: If a timekeeper is not present to start the round, DO NOT delay the start of the round. Start the round on time.

- A. Each event shall have at least one judge, and each event shall have a timekeeper. If a coach refuses to judge, the coach's school team shall be disqualified.
- B. Judges in any event are to use the standard critic evaluation form for that event, as published by the MSHSAA and provided by the tournament director. A judge shall evaluate each performance independently and shall not collaborate with other judges when assigning rankings or ratings.
- C. Ratings which will appear on the standard critic form are defined as follows: Excellent--shall represent an outstanding performance. (The number of excellent ratings given shall not be limited by the number qualifying for state competition. Qualification for state competition is determined by the ranking provided the manager by the judge and not by whether or not the performance received an excellent rating.) Superior--shall represent a performance that is outstanding in many but not all respects. Good--shall represent a good performance that may be above average in some respects and below average in others, but not outstanding in any respect. Average--shall represent a performance that is poor in some respects and not above average in any respect. Below Average--shall represent a performance that is poor in most respects.
- D. No judge is to designate any rank for the purpose of making an award of any type other than provided for in this manual.
- E. Each judge in the district/state speech and one-act play events shall be provided a certification ranking form for each event judged. The judge shall rank the contestants in each event judged.
- F. Oral critiques are not permitted.
- G. In finals, judges may allow a grace period for audience reaction
- H. After the last presentation in an event, the timekeeper or the judge shall take the completed evaluation forms in a sealed envelope to the tournament director who shall record the ranks, ratings, and post the results.
- I. Judges shall keep in mind that they are judging high school students and not college or professional groups. The judge's comments should be presented so that they provide an educational experience. Specific suggestions should be written on the individual evaluation forms to help make the ratings meaningful and in such a way that the student is encouraged to try to do better the next time.
- J. Judges shall consult evaluative criteria for the events they are to judge. A violation of the regulations for the event shall be noted to the manager.
- K. Judges of individual events at the state tournaments shall rank and rate each contestant in the two preliminary rounds. The eight performers with the lowest rankings at the end of the two preliminary rounds will qualify for a final round.
- L. A critic shall not attempt to recruit high school speech students participating in district or state events. The Board of Directors is opposed to any recruiting of high school students during the time a tournament is in progress because of the possibility that this distracting may affect the student's performance.
