

EXTEMPORANEOUS SPEAKING PROCEDURES

(ROUND 1, ROUND 2, AND FINALS)

NOTE:

All qualifying students shall be in the draw room prior to the first draw rather than prior to their draw time.

1. All participants are to be in the draw room, set up, and ready to go, before the first draw time.
2. Participants will be expected to remain in the draw room until dismissed to speak.
3. Participants should not re-enter the draw room until all preparation is complete.
4. Students not qualified for finals must remove their materials before the final draw begins. If this is not possible, they will need to wait until the final draws have concluded.

DRAW ROOM

The Extemporaneous Speaking draw for both U.S. Extemporaneous Speaking and International Extemporaneous Speaking will take place in:

KARLS HALL 101
