### PROCEDURES:

1. The team and a coach must be lined up in order outside the pass gate doors **when called. (Line up: Up the Stairs)** If a team or coach is not present & ready when called, the next team will be allowed to proceed past.

2. The pass gate will close temporarily as we move teams and will remain closed until all teams with an entry order have moved to the deck. It will then re-open and remaining teams may enter.

3. Coaches of more than one team shall bring their teams in **separately**, based on this order. Or you may split up your coaches to bring your other teams in. **DO NOT COMBINE YOUR TEAMS.**

4. After **the last school listed** is on deck, all other teams will be called to access the deck in an orderly fashion. Thank you for your patience.
