Instructions for Use

1. Refer to diving table provided on the left to complete the diving scoresheet.
2. For each dive, write the dive's number, full description, position and degree of difficulty in the spaces provided; then diver and coach must sign in space provided. Otherwise, it is NOT COMPLETE.
3. For voluntary dives, circle the dive number and the degree of difficulty for the dive.
4. For meets requiring cancellation of high and low judges' scores, the scorer circles those scores which will be used in establishing the score for that dive.
5. The scorer keeps the diver's cumulative running score on the second line of each dive's Points Awarded column.
6. The diving referee checks the scorer's tabulation and signs the scoresheet.
7. For further information and reference, see sample scoresheet below.
