#### PROCEDURES:

1. The team and a coach must be through the pass gate and in the **gym** by the **time listed above** in order to access the deck in this order. If a team/coach is not in the gym when called, the next team will be allowed to access the deck.
2. The pass gate will close temporarily as we move teams and will remain closed until all teams located in the gym have moved to the deck in entry order. It will then re-open & deck will be open.
3. Coaches of more than one team shall bring their teams in **separately**, based on this order. Please return to the gym to bring the 2nd, 3rd, etc. team onto the deck.
4. After **the last school listed** is on deck, all other teams in the gym will be called to access the deck in an orderly fashion. Thank you for your patience.
