The Media Guidelines & Credential Book along with MSHSAA Handbook will be available to you on the MSHSAA website. The Guideline book is available under the "media" tab. It is the responsibility of the sports director/editor that everyone listed on this form be familiar with the expectations and guidelines listed in the book. The MSHSAA Official Handbook is available on the home page of the MSHSAA site as well.

To expedite future credential requests, we encourage you to list all sports staff and photography personnel on this form. If not typing on this document, please make sure writing is legible. **Outlets that are required to submit Missouri Press Association Cards are encouraged to submit those with this form.**

Also just a reminder during championship season all credential applications must be submitted online. The credential site is open during each of the three championship seasons (fall, winter, spring). If your outlet wishes to cover events during those seasons please submit credentials during the time frame provided for you during each of those seasons. Failure to submit requests by deadline could result in a late fee charged to the outlet.

Thank you in advance for your time and cooperation. You may also return this form by fax to (573) 875-0349.
