Boys Soccer Championships to be played in Springfield

Columbia, Mo.- The Missouri State High School Activities Association (MSHSAA) has announced the location for its Boys Soccer Championship games this fall. The games are now scheduled to be played at the Lake Country Soccer/Cooper Family Complex in Springfield.

The World Wide Technology Soccer Park and MSHSAA worked in conjunction to keep the event at its originally scheduled location in Fenton. However, due to the current restrictions by the St. Louis County Health Department the decision was necessary to move the MSHSAA Boys Soccer Championships.

Lake Country Soccer has agreed to host the Championship games on Friday, November 20th and Saturday, November 21st. More information will be released when logistics are finalized.

Previously, changes were also made to the Boys Soccer post-season calendar. The window to complete the district tournament has now been shortened for Classes 3 and 4. Those district tournaments will now occur between Oct. 31st-Nov. 4th. The sectional round for both Class 3 and Class 4 will now be held on Nov. 7th. The quarterfinal round for all four classes will now be on Nov. 10th. The semifinal round for all four classes will now be played on Nov. 14th at a member-school site.

-MSHSAA-

“The MSHSAA promotes the value of participation, sportsmanship, team play and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation.”
