Email Policy: Due to the high volume of email messages received by the Association, an expedited personal response may not always be possible. The MSHSAA staff will respond first to more traditional means of communication such as telephone calls, written correspondence and faxes. The MSHSAA office can be reached at (573) 875-4880 during regular office hours. As time permits, staff will reply to email messages that include the sender's complete name, address and phone number. Questions regarding student eligibility or specific MSHSAA by-laws should first be directed to your local school administrator. By Board policy, our staff is not permitted to answer specific eligibility inquiries via email, and any follow-up questions to the MSHSAA should be done via telephone or written correspondence.

The following are questions and answers pertaining to the MSHSAA Constitution and By-Laws and/or MSHSAA Board of Directors policy. These are provided as an aid in interpreting the rules and regulations which MSHSAA member schools have adopted. If you have a specific area and/or question which you would like explained, contact Dr. Kerwin Urhahn, MSHSAA executive director. Your attention is called to the fact questions and answers regarding interpretations of the MSHSAA Constitution and By-Laws appear following the Constitution Article or By-Law they relate to in the MSHSAA Official Handbook.

Question: Our school has applied and been approved to participate in a cooperative sponsorship in baseball. Our school board now wants to void the sponsorship and enter into a cooperative sponsorship with another school in baseball. May our school do this?

Answer: No. By-Law 1.4.1 provides that two schools may mutually dissolve a cooperative sponsorship but such decision may not occur unilaterally. Further, if a school ends a cooperative sponsorship it may not enter into another cooperative sponsorship in that sport until the next two-year cycle. Therefore, your school cannot enter into an agreement with another school. (By-Law 1.4.1)

Question: A small Class 1, Grades 7-12 member school, has a junior high basketball season with a team comprised of grades 7-9. Following the junior high season, the school wants to have a cooperative sponsorship agreement with a neighboring member school in girls basketball to include the ninth graders moving up to the cooperative sponsorship high school team after the junior high season is over. Would this be allowed under By-Law 1.4.1?

Answer: Yes, provided the ninth graders do not exceed the 20-week participation limit, quarter and tournament limitations. (By-Law 1.4.1)

Question: One of our swimmers has approached our principal requesting to miss this upcoming Friday school swimming practice to travel to Oklahoma for a non-school swimming meet on Saturday. Our team has practice on Friday and does not compete until Tuesday. Would it be acceptable for our principal and coach to approve this request?

Answer: Yes. This is not a replacement of school practice and is considered as a case by case request as permitted in the by-law (3.13.2.a) to be addressed by the local school administration. This decision rests with the school.

Question: In the posting of our open facility our softball coach stated "Any girl wanting to play softball may come to the open facility." Is this a proper posting?

Answer: No. The "wanting to play softball" implies future team membership. It is acceptable to say "Open facility for softball play".

Sportsmanship Advisory Committee Summary

Held October 1, 2019

1. Recommends the following topic for the 2020 MS/JH essay contest.

Select a public figure and explain how their actions and your experience in athletics/activities promotes character and growth.

2. Recommends the following topic for the 2020 MS/JH PSA contest.

The role of athletics/activities in deterring bullying and encouraging respect.

All others approved

Soccer Advisory Committee Summary

Held December 3, 2019, at MSHSAA Office, Columbia

1. Recommend that a minimum of one coach (not from the host school) be appointed to the district tournament committee.
2. Recommend to eliminate the hosting of districts counting toward hosting quarterfinals for classes that do not have a sectional round. The criteria for hosting quarterfinals for classes that don't have a sectional round will be the odd district winner hosts quarterfinals in odd years and the even district winner hosts quarterfinals in even years.
3. Recommend that an inverted class count be continued for boys and girls soccer which meets the 2.0 differential by-law requirement.

Basketball Pregame and Halftime Warm-up Procedure

In some areas of the state, some traditional pregame and halftime warm-up rituals are creating problems for schools and school administrators.

First, it is recommended that teams not be permitted to warm up at halftime of the game that precedes theirs (halftime of the junior varsity game in a JV-varsity doubleheader, etc.).

Next, the *NFHS Basketball Rules Book* states that home management will designate the location of each team's bench. The rules also state that the pregame practice and first half basket for each team is the one farthest away from its bench. Teams are to conduct pregame and halftime warm-up on their half of the floor only.

If jogging or running is part of their warm-up drills, then it is to be confined to their half of the court. Teams are to refrain from circling the entire floor when they enter the court to warm-up. Officials are to enforce this once their jurisdiction begins by rule by assessing the head coach an indirect technical foul.

Teams leaving their locker rooms and entering the court are to proceed to their warm-up end of the court by the most direct route and at no time are they to pass underneath their opponent's basket. Baiting and taunting of opponents continues to be a problem in some areas, and conducting a segment of a team's warm-up activity in the opponent's end of the court has the potential to encourage poor sportsmanship.

Public/Non-Public Advisory Committee Summary

Held November 21, 2019, via conference call

- * 1. Recommended that the top number of the championship factor be placed at 10 to move a school up two classes.

* No action on Recommendation

Income From Officiating Must Be Reported on Tax Return

As independent contractors, officials are reminded that income they receive from officiating must be reported on their income tax returns. Records of fees received and expenses incurred should be carefully maintained for verification purposes. Please direct any questions you may have to your tax preparation specialist or accountant.

2020 Board of Directors Elections: Northeast and Northwest Districts, Region 1 At-Large

The annual MSHSAA Board of Directors election will be conducted in April in accord with provisions contained in Article IV, Sections 3 and 4 of the MSHSAA Constitution. Member schools from the Northeast and Northwest districts will elect Board members for four-year terms.

Primary (nomination) ballots will be e-mailed to member schools in the three districts on February 10 and must be received in the MSHSAA office no later than March 2. The names of the three persons receiving the highest number of votes in the primary election in each district will appear on the final ballot unless there is a tie for the third highest position. In such cases, only the names of the persons receiving the two highest number of votes will be placed on the final ballot.

Final ballots will be on-line for all schools in the four districts on April 6 and must be submitted through the MSHSAA website no later than May 1. All ballots are sent to the attention of the school principal.

Annual Election to Amend MSHSAA Constitution and By-Laws

The 2020 MSHSAA annual election to amend the Constitution and By-Laws will again be held in April. The proposed amendments and background information will be distributed to member schools the last week in March. The Annual Ballot will be on-line the first week in April. All ballots are required to be finalized on-line by the school principal no later than May 1.

2020 Investigative Committee Elections

The investigative committee from each of the eight MSHSAA board districts shall consist of one public school administrator, one nonpublic school administrator, and one at-large school representative.

Each year, one of the members will rotate off the committee and a replacement shall be voted on by the membership. Only self-nominations for the appropriate category for replacement members can be accepted (public member will need to be replaced by a public school nominee, nonpublic member will need to be replaced by a nonpublic school nominee, and an at-large member can be a nominee from either public or nonpublic schools). Each district's nomination ballot will list the specified membership category to be voted on for the respective district for the current year.

The self-nomination ballots will be e-mailed to the member school principals on February 17 and must be received in the MSHSAA office no later than March 9. The ballot listing the nominees received will be on the MSHSAA website for member schools' principals on April 6, with a due date of May 1. Please be certain to participate in these elections.

Coaches and Activities Directors Influence MSHSAA Program

The MSHSAA has advisory committees, appointed by the Board of Directors, for each sport and activity in which district and state events are sponsored. Each committee makes recommendations to the Board regarding matters relating to the sport or activity concerned. Some of these are in the form of regulations for the administration of district and state events which become effective when approved by the Board of Directors. Others involve proposals to amend the Constitution and By-Laws which must be put to a vote of the schools when accepted by the Board. The record shows that approximately 80-percent of the recommendations of these committees are approved by the Board and have resulted in significant changes in the MSHSAA program.

This is the Board of Director's procedure for allowing coaches and those involved at the grass roots level to make contributions. The only concern of the Board is that the recommended changes are acceptable to school administrators and do not adversely affect other activities.

The names of advisory committee members are contained in the manuals published for the sport or activity concerned. Coaches, music directors, and speech directors who desire to have changes considered should contact the person on the particular advisory committee from his or her district. Some advisory committee members hold meetings in their areas at the time of district events to get a consensus from their colleagues. This procedure is encouraged to involve as many persons as possible.

Frequently, suggestions from advisory committees are first placed on the Annual MSHSAA Questionnaire sent to member schools in February each year to get a consensus from the schools to determine whether a proposal is satisfactory. In addition to providing the Board of Directors with information regarding the position of school administrators on the matter, it provides an opportunity for each school to give consideration to proposed changes. School administrators are urged to meet with members of their staffs concerned. This course helps provide programs that are acceptable to the majority of persons who are interested in the educational welfare of our youth.

MSHSAA Board of Directors Policy Regarding Specialized Sport Camp Fees

Provisions contained in MSHSAA By-Laws 3.13.6.b and 3.15.5.e stipulate that fees (tuition) for summer athletic camps shall be provided by the student or the student's parents precludes a school from being involved in any group projects to raise money to pay these fees. This restriction applies to a booster club as well as to school coaches. As far as the restriction on athletes is concerned, it would be permissible for several members of a school team to assemble themselves for the purpose of collectively undertaking work projects such as a car wash, a bake sale or other similar type of activities to earn money which could be applied toward camp fees. Under such circumstances all money earned shall go directly to the student to be used at his or her discretion. If the students assemble themselves collectively there can be no requirement that the money earned must go toward the payment of camp fees. Students cannot be assembled through coordination of the school, booster club, or coach nor can they identify themselves as the school athletic team with the purpose of raising money to attend a sport camp.

MSHSAA and NFHS Policy Statement on Steroids

The Missouri State High School Activities Association (MSHSAA) and the National Federation of State High School Associations (NFHS), strongly oppose the use of anabolic steroids and other performance-enhancing substances by high school student-athletes. Such use violates legal, ethical, and competitive equity standards and imposes unreasonable, long-term health risks.

MSHSAA and the NFHS support prohibitions by educational institutions, amateur and professional organizations, and governmental regulators on the use of anabolic steroids and other controlled substances, except as specifically prescribed by physicians for therapeutic purposes.

The SHOW-ME SHOWDOWN II will begin on Friday, March 20, 2020, starting at 12:00 p.m. with the last game beginning at 5:15 p.m. Saturday games begin at 11:00 a.m. See the detailed schedule below for times and details of which class and gender play. The following is a complete schedule of games for the 2020 Show-Me Showdown.

Time modifications have been made in the schedule for the weekends to reflect a recommendation of the MSHSAA Basketball Advisory Committee and approved by the Board of Directors. Admission prices have been set at \$9 per session.

Board Interpretation on “Halftime Shootouts”

Following is an interpretation of the MSHSAA Amateur Awards Standards (By-Law 3.6) as they apply to athletic skill contests. The interpretation was adopted by the Board of Directors at its July 1, 1985 meeting.

“When a student is selected by chance to participate in a carnival type contest involving a skill of a sport, he or she may receive cash or merchandise awards as a result of that participation without its affecting his or her eligibility under the MSHSAA Amateur and Awards Standards. An example of this would be where a student is selected to participate in a half-time promotion at a University basketball game on the basis of a chance drawing of a number on a program which he or she purchased at the game.

In cases where such activities are scheduled and a student is required to enter for the purpose of competing for a cash or merchandise award, such activity would come under the restrictions of the amateur and awards standard and a youngster would jeopardize his or her eligibility in the sport concerned by competing for or accepting such awards.”

SPRING ACTIVITIES

State Music Festival Scheduling

Problems scheduling performances at the MSHSAA State Music Festival due to local conflicts (i.e. proms, musicals, theatrical productions, athletic events, etc.) are becoming more prevalent. Due to the size of the festival, it is impossible to schedule every performance to avoid local conflicts.

School administrators and activities directors are asked to avoid scheduling local events that will conflict with the MSHSAA Music Festival performances. The dates of the 2019 Festival are scheduled for April 25-27.

Music directors should also be aware that with approximately 9,000-10,000 students participating at the State Festival each year, some events from your school may be scheduled at the same time. It is impossible to build a schedule that will allow every director to hear each entry. Therefore, schedule changes will only be made if there is a direct conflict with an accompanist or a student scheduled for two events during the same time period. Please remember that an individual may accompany no more than 20 entries per day at the district and state music festivals.

Due to the number of participants at the State Festival, the MSHSAA staff will not be able to honor specific performance time requests. In an effort to assist school administrators and music directors in making appropriate plans for the event as far in advance as possible, a brief summary of the scheduling process is being presented.

Schools should plan to have their schedule encompass the amount of time indicated below. These performance schedules are based on the average amount of time necessary to accommodate the entries as listed.

40 or more entries.....	allow 8 hours
30-39 entries.....	allow 7 hours
20-29 entries.....	allow 6 hours
10-19 entries.....	allow 5 hours
6-9 entries.....	allow 4 hours
5 or fewer entries.....	allow 3 hours

Schools spending the night prior to their performance date should plan on beginning early in the morning. Schools spending the night the day of the performance should plan on performing through the end of the day. Schools with many entries will be scheduled to occupy

the mid-morning through afternoon time slots.

When listing accompanists, it is very important that only a true accompanist is listed. If directors list themselves and are not truly accompanying the performance, scheduling problems for their school and other schools may occur. Please list events appropriately. Your cooperation is appreciated.

As a reminder please review the MSHSAA State Solo and Small Ensemble Festival Assignment by Day link located on the music activities page of the MSHSAA website. The three day MSHSAA State Music Festival schools are divided equally across the three days. This year, schools assigned to Group C will perform on Thursday, April 25, Group A will perform on Friday, April 26 and Group B will perform on Saturday, April 27. If you are unsure which day you are assigned, go to the Music Activities link of the MSHSAA web site (www.mshsaa.org). If your school is not listed, the school did not register for post-season music for the 2018-19 school year, and you should contact MSHSAA immediately.

Parental Permission Statement Reminder for Spring Sports

MSHSAA By-Law 3.7 requires each student participating in interscholastic athletic competition to furnish a statement, signed by the student's parents or guardians, which grants permission for the student to participate in interscholastic athletics. As an aid to member schools in complying with this requirement, the MSHSAA includes a recommended parental permission statement on the MSHSAA physical examination form, available on the MSHSAA Web Site.

Included as a part of the recommended parental permission statement is a statement acknowledging that the parents consent for the student to accompany the team on trips. It further acknowledges that in case of a medical emergency where the parents cannot be reached, the school official with supervisory responsibility for the individual student or group of students on the trip is authorized to obtain emergency medical assistance through a physician or hospital of the supervisors choice which would be considered reasonably necessary for the welfare of the student.

While the parental permission form is required of all athletes, MSHSAA By-Laws do not require them for students participating in nonathletic activities or for students who serve in a support capacity for an athletic team such as statistician, manager, etc. However, the MSHSAA has been advised of a medical emergency that arose involving a student who was accompanying an athletic team to videotape games. Unfortunately, the school in question did not have a parental consent form signed for the student which authorized the school supervisor to obtain emergency medical care. Luckily, the school was able to contact the parents and obtain this permission by telephone after a significant delay.

Because of this experience, it is strongly recommended that school administrators require that signed parental permission statements be on file for all students who travel as a part of an official school party to participate in any type of interschool activity. This will authorize school representatives to seek medical help in emergency situations. These signed statements should accompany the school supervisor on every school trip. It may be of further assistance to have these forms notarized.

Long reported to the Board regarding venue RFPs. No action taken.

Approved the lease/purchase of a digital scoreboard.

Garner presented the Board with seven recommendations from the Athletic Directors Advisory Committee: 1) allowing regular season volleyball contests to be 2/3 if both schools agree. If both schools cannot agree the default match format would be 3/5; 2) that all sport rule changes that are state adoption or modifications made by the sport advisory committees, that have financial implications, be brought to the AD Advisory committee prior to being approved by the Board of Directors; 3) that all sports advisory recommendations and minutes be shared with the Athletic Advisory Committee after each committee meeting; 4) the proposal by the Basketball Advisory Committee to determine class and district assignments by gender and to split the boys and girls seasons be discussed at the Area Meetings in January and placed on the Annual Questionnaire; using super districts and eliminate sectional round of golf to determine qualifying for state; 5) that the first three weeks of mandatory water breaks be based on the WBGT guidelines; 7) that an email be sent the day before the rules review closes to the coaches that have not completed the ORR.

Took the following action on the Athletic Directors Advisory Committee recommendations: forwarded recommendation #5 to the Golf Advisory Committee; forwarded recommendation #6 to the Sports Medicine Advisory Committee; added recommendation #4 to the Area Meeting Topics; and denied recommendations #1, #2, #3 and #7.

Maurer presented the Board with four recommendations from the Cross Country Advisory Committee: 1) Recommend that the Cross Country manual changes as follows: on page 7 A.1.a. to remove the sentence "If only two (2) teams are entered, only one (1) team will advance and those individuals finishing 20th place or better (inclusive of the qualifying teams) shall advance from each district meet to the state meet..." and replace it with "The top two (2) teams and those individuals finishing 15th place or better (inclusive of the qualifying teams) shall advance from each district meet to the state meet." Rationale: Teams should not be penalized because other schools do not have enough runners to field a team. 2) Recommend that that cross country move to five (5) classes starting in the 2020-2021 school year. 3) Recommend that cross country keep the genders combined when classifications are being considered. 4) Recommend that Classes 1, 2 and 3 continue with only a district meet and Class 4 and 5 continue with a district and a sectional meet in post season.

Took the following action on the Cross Country Advisory Committee recommendations: approved recommendations #2 and #3; and denied recommendations #1 and #4.

Urhahn and Maurer presented one recommendation to the Board from the Public / Nonpublic Advisory Committee. 1) The committee recommended that the top number of the championship factor be placed at 10 to move a school up two classes.

No action was taken on the Public/Nonpublic Advisory Committee recommendation as it will be addressed later in the meeting.

Garner presented three recommendations to the Board from the Soccer Advisory Committee: 1) that a minimum of one coach (not from the host school) be appointed to the district tournament committee; 2) to eliminate the hosting of districts counting toward hosting quarterfinals for classes that do not have a sectional round. The criteria for hosting quarterfinals for classes that don't have a sectional round will be the odd district winner hosts quarterfinals in odd years and the even district winner hosts quarterfinals in even years; 3) that an inverted class count be continued for boys and girls soccer which meets the 2.0 differential by-lay requirement.

Approved all three recommendations from the Soccer Advisory Committee.

Mazzocco presented the Board with 11 recommendations from the Softball Advisory Committee: 1) Recommends expanding the fall softball district window from Wednesday through Saturday of week 15 to be Tuesday through Saturday week 15. (7-1). Rationale: Fall softball playing school athletic directors and head coaches were surveyed as to whether they wished to add the day. survey results from ads were 87% for and 13% against. survey results from head coaches were 84% for and 16% against. there is no requirement to start on Tuesday. 2) Recommends the expansion to 5 classes for Fall Softball and the projected number of schools per class. (8-0) Rationale: The committee was presented the new classification process based upon the current post season registrations. They understand the process and accepted the expansion and projected school

December Board of Directors Meeting Summary (cont'd)

distribution. 3) Recommends Class 1 remain in 16 districts and Classes 2 – 5 reduce to 8 districts for Fall Softball. (8-0) Rationale: The committee believes with the reduction of school's per class in Classes 2 – 5 to approximately 64, 8 districts provides more competition. Additionally, lends to the significance of the District Championship with regards to the Championship Factor. 4) Recommends the following schedule for state series contests for Fall Softball: (8-0) Class 1 Sectionals – Wednesday, Week 16 Classes 2 & 3 Quarterfinals – Wednesday, Week 16 Classes 4 & 5 Quarterfinals – Thursday, Week 16 Class 1 Quarterfinals – Saturday, Week 16 Rationale: The committee believes the schedule allows Monday, Week 16 to still be used as a district rain date and allows distribution of umpires over multiple days. 5) Recommends the following State Championship schedule for Fall Softball with continued rotation of classes: (8-0) Thursday, Week 17 Class 5 Semifinals – 2 PM (Auxiliary Fields) Class 5 3rd Place – 5 PM (Stadium) Friday, Week 17 Classes 1-4 Semifinals – 10 AM, 11 AM, 1 PM, & 2 PM (Auxiliary Fields) Class 5 1st Place – 11:30 AM (Stadium) Classes 1-4 3rd Place - 1:30, 3:30, 5:30, 7:30 PM (Stadium) Saturday, Week 17 Classes 1-4 1st Place -10 AM, 12, 2, & 4 PM (Stadium) Rationale: The committee believes this schedule balances the schedule for all classes. 6) Recommends the expansion to 2 classes for Spring Softball with approximately equal breaks. (8-0) Rationale: The committee was presented the new classification process based upon the current post season registrations. They understand the process and believe an even distribution of schools is appropriate at this time in comparison to Fall Softball Classification sizes. 7) Recommends 8 districts per class for Spring Softball. (8-0) 8) Recommends expanding the Spring Softball District window from Monday through Thursday of Week 44 to be Monday through Saturday Week 44. (8-0) Rationale: Expanded window allows more flexibility in scheduling the district tournament. 9) Recommends the following schedule for state series contests for Spring Softball: (8-0) Class 1 Quarterfinals – Wednesday, Week 45 Class 2 Quarterfinals – Thursday, Week 45 Rationale: The committee believes the schedule allows distribution of umpires over multiple days and recognizes it concludes prior to the start of the District Baseball window. 10) Recommends the following State Championship schedule for Spring Softball including a class rotation annually: (8-0) Friday, Week 46 Semifinals – 1 PM, & 2 PM (Auxiliary Fields) 3rd Place - 4 PM & 6 PM (Stadium) Saturday, Week 46 1st Place -11 AM & 1 PM (Stadium) Rationale: The committee believes this schedule balances the schedule for both classes and is comparative to Fall Softball. 11) Recommends to adopt the following modification under NFHS Rule 4-2-3: (8-0) By mutual agreement, in sub-varsity and junior

high school contests, two schools may elect to shorten game length by inning count or time-limit. Rationale: Schools are already modifying game lengths at the sub-varsity and junior high school levels. This adoption will just bring these modifications into compliance.

Took the following action on the Softball Advisory Committee recommendations: approved recommendations #1, #2, #3, #4; #11 and #5 as amended and tabled recommendations #6, #7, #8, #9, #10.

Stahl presented the Board with seven recommendations from the Sports Medicine Advisory Committee. 1) Recommend that the Cross Country manual changes as follows: on page 7 A.1.a. to remove the sentence "If only two (2) teams are entered, only one (1) team will advance and those individuals finishing 20th place or better (inclusive of the qualifying teams) shall advance from each district meet to the state meet..." and replace it with "The top two (2) teams and those individuals finishing 15th place or better (inclusive of the qualifying teams) shall advance from each district meet to the state meet." Rationale: Teams should not be penalized because other schools do not have enough runners to field a team. 2) Recommended that that cross country move to five (5) classes starting in the 2020-2021 school year. 3) Recommend that cross country keep the genders combined when classifications are being considered. 4) Recommend that Classes 1, 2 and 3 continue with only a district meet and Class 4 and 5 continue with a district and a sectional meet in post season.

Took the following action on the Sports Medicine Advisory Committee recommendations: approve recommendations #1, #2, #3, #4 and #6; approve recommendation #5 as amended by staff and table recommendation #7.

Davis presented the Spirit Advisory Committee Minutes to the Board. The committee had no recommendations for Board consideration.

Mazzocco presented two recommendations to the Board from the Sportsmanship Advisory Committee. 1) the following topic for the 202 Middle School/Jr. High Essay Contest: Select a public figure and explain how their actions and your experience in athletics/activities promotes character and growth."; 2) the following topic for the 2020 Middle School/Jr. High PSA Contest: "The role of athletics/activities in deterring bullying and encouraging respect."

Accepted the recommendations from the Sportsmanship Advisory Committee.

Seifert presented the Board with seven recommendations from the Tennis Advisory Committee: 1) Recommend the number of districts per class as follows: Class 1 - 16 districts Class 2 - 8 districts Class 3 - 8 districts Based upon the current classification formula, the number of schools in each Class would be: Class 1 – 76 schools Class 2 – 56 schools Class 3 - 56 schools Resulting in – Class 1 – 76 schools / 16 districts = 4.75 schools per district Class 2 – 56 schools / 8 districts = 7 schools per district Class 3 – 56 schools / 8 districts = 7 school per district Rationale:

Class 1 has too many schools to reduce the number of districts to 8. This would result in an average of 9.5 schools per district. Class 2 and Class 3 have too few schools to increase the number of districts to 16. This would result in an average of 3.5 schools per district.

2) Recommend the Tennis Post Season Schedule as follows:

Girls
Saturday WK 13 – Individual Districts
M-TH WK 14 – Team Districts
Saturday WK 14 – Class 1 Individual Sectionals
M-T WK 15 – Team Sectionals
TH-SAT WK 15 – Individual State
FR-SAT WK 16 – Team State

Boys
Saturday WK 44 – Individual Districts
M-TH WK 45 – Team Districts
Saturday WK 45 – Class 1 Individual Sectionals
M-T WK 46 – Team Sectionals
TH-SAT WK 46 – Individual State
FR-SAT WK 47 – Team State

Rationale: Only Class 1 needs to have sectional round for Individual Qualifiers (singles/doubles).

3) Recommend Qualifying Individuals for Class 1 –Top 2 finishers at Districts qualify for Sectionals, with first place district winners playing the second place district finishers from opposing district. The winners of the sectional match, advance to the Individual State Tournament. This is No Change from current format and the State bracketing process (Place and Draw) will remain the same as well. 4) Recommend Qualifying Individuals for Class 2 and Class 3 – Top two finishers at Districts qualify directly to State. No Sectional round is required. No change in the bracketing process. However, first place district finishers MUST play second place district finishers in first round of Individual State Tournament. 5) Recommend the continuation of "Rotating" the Individual and Team Sectional match-ups. 6) Recommend that all classes have 2 days at Individual State Tournament. Schedule as follows:

Thursday –
Class 2 and Class 3
9:00am - All rounds leading up to Semi-Finals
Friday –
Class 2 and Class 3
8:00am – Semi-Finals, 3rd place and 5th place matches
12:00pm – 1st Place Matches (Chaired) followed by awards presentations
Class 1
2:00pm - All rounds leading up to Semi-Finals
Saturday –
Class 1
9:00am - Semi-Finals, 3rd place and 5th place matches
12:00pm – 1st Place Matches (Chaired) followed by awards presentations

Rationale: This schedule allows some flexibility with inclement weather along with requiring schools to only be in attendance for two days. Class 2 and Class 3 can rotate "order of play". Class 1 will always be on Friday/Saturday as they have a sectional round to play and Kenny will need more time to prepare the brackets (We can discuss this topic at Staff meeting).

7) Recommend that Team State Tournament consists of 2 days. Semi-Finals played on Friday. Third place and Championships played on Saturday. All classes would have specified start times for both days which would "rotate" each year.

December Board of Directors Meeting Summary (cont'd)

Friday – Semi-Finals
 9:00am – Class 1
 12:00 Class 2
 3:00 – Class 3
 Saturday – 3rd place and Finals
 9:00am – Class 1
 12:00 Class 2
 3:00 – Class 3

Rationale: Now that we have increased the number of teams, and matches played, by 50%, we MUST have the additional day to complete the matches, especially with inclement weather.

Accepted all seven recommendations from the Tennis Advisory Committee.

Davis presented four recommendations to the Board from the Volleyball Advisory Committee: 1) implementing the 'Checklist When Hosting/Working a Volleyball Contest' document. This item will be placed in the MSHSAA Volleyball Manual, the Fall Rulebook Mailing Booklet for Athletic Directors and the required Online Rules Review for coaches and officials; 2) adding language to Section 4-A-4 of the MSHSAA Volleyball Manual stating "When one team is assigned to the full court, the opposing team shall not be permitted to use balls, in any capacity, during that 5-minute period.", 3) an item be placed on the Annual Ballot to amend By-Law 3.25.1.b.2 for high school varsity playing three-out-of-five to increase the maximum set limit from 5 sets to 6 sets on one calendar date against the same school; 4) an item be placed on the Annual Ballot to amend By-Law 3.25.1.d to include the following statement. "A player may participate in a maximum number of sets for the season that equals five times the number of dual matches when playing three-out-of-five set format."

Accepted all four recommendations from the Volleyball Advisory Committee.
