MSHSAA Board Meeting Summary: Feb. 12, 2025

COLUMBIA – The Missouri State High School Activities Association (MSHSAA) held its regularly scheduled board meeting on Wednesday, Feb. 12, via Zoom due to the winter weather across the state.

During the meeting, MSHSAA Executive Director Dr. Jennifer Rukstad gave a thorough report on this year's Area Meetings. Over the course of the last few weeks, the MSHSAA staff traveled to all eight board districts to discuss important topics with the member schools. You can see the list of topics that were discussed [here](#).

Following Dr. Rukstad's report, the Board approved the Annual Questionnaire, a key tool used each year to gather input from member schools on important issues. This feedback helps the Board identify and implement changes that reflect the priorities of member schools. The questionnaire will be distributed to member schools on Monday, Feb. 17, with responses due by Friday, Feb. 28.

"We are eager to connect with our member schools, hear their valuable insights via the questionnaire, and bring their feedback back to the Board as we shape our Annual Ballot," Dr. Rukstad said.

The Annual Ballot will be available to member schools starting Monday, April 7, and will remain open until Friday, April 18. The results of the Annual Ballot will be posted to the MSHSAA website later this spring.

The Board also approved staff recommendations from the Golf Advisory Committee. Specific information on those Board actions will be available [here](#) in the future.

The Board is scheduled to meet again in March.

--MSHSAA--

"MSHSAA promotes the value of participation, sportsmanship, team play and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation."
