## **MSHSAA and GameChanger Announce Partnership**

**Columbia, Mo.-** MSHSAA is thrilled to announce our partnership with GameChanger as the Official Scorekeeping, Pitch Count, and Team Management Partner of MSHSAA Softball and Baseball.

Many MSHSAA member schools already use GameChanger's simple and powerful scorekeeping technology, providing over 150 stats like batting and pitching spray charts, pitch count reporting, and more.

"We are grateful for the opportunity to partner with GameChanger as we each serve the athletes in our softball and baseball programs. The GameChanger tools enhance the experience for everyone," said Dr. Kerwin Urhahn, MSHSAA Executive Director.

The GameChanger Team Manager app will also keep parents, families, and fans connected to the game when they cannot be in the stands. These new team management features and all further enhancements are available on the GameChanger Team Manager app.
