MSHSAA Board Meeting Summary: March 14, 2025

COLUMBIA – The Missouri State High School Activities Association (MSHSAA) held its regularly scheduled board meeting on Friday, March 14 at Mizzou Arena.

The MSHSAA Board of Directors certified the results of the Annual Questionnaire, which was sent out to all member schools in February. [You can see the results here.](#)

"Each year, the Annual Questionnaire provides us with valuable insight from our member schools," MSHSAA Executive Director Dr. Jennifer Rukstad said. "This process ensures that decisions reflect the needs and perspectives of our member schools. They drive the conversation, and their voices are what shape the future of MSHSAA policies."

The Board also approved the items that will appear on this year's Annual Ballot, which will be available to member schools starting Monday, April 7, and will remain open until Friday, April 18. The results of the Annual Ballot will be posted to the MSHSAA website later this spring.

"The Annual Ballot is how our members write and amend the by-laws," Dr. Rukstad said. "Every school has a say, and every vote matters. The member schools make the rules."

The Board is scheduled to meet again in April.
