

Speech, Debate and Theatre Tournament Listing

In the past, MSHSAA has maintained a listing of all the Speech, Debate and Theatre Tournaments across the state. Beginning with the 2021-2022 school year, the **process** for how this is maintained is changing.

Moving forward, **each school will need to add the tournaments they are hosting on their own Speech, Debate and Theatre schedule.** These tournaments must be listed as **home** tournaments. As schools do this, all tournaments hosted at home will automatically populate under the Speech Tournament Schedule link on the Speech, Debate and Theatre home page. This new procedure should prove to be more timely, accurate, and detailed, and should eliminate the need to notify someone at MSHSAA in order to make this happen.

Furthermore, a school may also list other tournaments they are attending throughout the year, but these should be listed as **away** tournaments so as to not interfere with the Tournament Schedule feature.

Schedule updates can only be made by school administrators, so **please have your Athletic Director or Activities Director add the tournaments you are hosting to your schedule.**
