Changes to Softball and Boys Soccer Announced

Columbia, Mo.- The Missouri State High School Activities Association (MSHSAA) announced changes to the postseason dates for both Fall Softball and Boys Soccer. Due to COVID-19 related issues, including venue limitations and travel concerns, modifications to the post-season have been made.

Modifications for Fall Softball were necessary for the championship semifinal and final rounds. The semifinal round will now be hosted by a member-school, on Oct. 24th for Classes 2-5. For Class 1 semifinals, the contests will now be played on Oct. 27th at a member-school. The Killian Softball Complex, in Springfield, will host all five championship finals. Third-place games will not be contested. The championship games will be played Oct. 29th-31st.

Changes were also made to the Boys Soccer post-season calendar. The window to complete the district tournament has now been shortened for Classes 3 and 4. Those district tournaments will now occur between Oct. 31st-Nov. 4th. The sectional round for both Class 3 and Class 4 will now be held on Nov. 7th. The quarterfinal round for all four classes will now be on Nov. 10th. The semifinal round for all four classes will now be played on Nov. 14th at a member-school site. The championship games are scheduled to be on Nov. 20th-21st. The site of the four championship games is yet to be determined. Third-place games will not be contested.

Specific information and details on these modifications have been supplied to member schools. Due to the everchanging landscape, all aspects of the postseason are subject to change.

-MSHSAA-

“The MSHSAA promotes the value of participation, sportsmanship, team play and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation.”
