The Board of Directors of the Missouri State High School Activities Association has resolved to request proposals for professional race timing services for the 2021 MSHSAA Cross Country District Meets.

The current classification structure used by MSHSAA results in five girls classifications and five boys classifications for cross country schools. A separate state championship is awarded for each of the five classifications in each gender. The postseason for Classes 1, 2 & 3 boys and girls schools will begin with District meets (six races per meet) at four (4) locations Saturday, October 30, 2021. The postseason for Class 4 & 5 boys and girls cross country schools will begin with District meets (four races per meet) at four (4) locations also on Saturday, October 30, 2021. The State Cross Country meets will be conducted at one location on Friday November 5, 2021, for Classes 4 & 5 (4 races); and on Saturday November 6, 2021, for Classes 1,2 & 3 (6 races).

Proposals will be accepted for timing any or each of the District Cross Country Meets to be conducted on Saturday October 30, 2021. Bidders are invited to bid on one, or as many meets as desired, but are not required to bid on all meets.

Proposal documents and materials, to include the general conditions of proposal, event information, event requirements, proposal discussion points and the proposal form on which proposals must be submitted may be obtained from the Missouri State High School Activities Association, 1 North Keene Street, Columbia, Missouri 65201 (or PO Box 1328, Columbia, Missouri 65205-1328), email@mshsaa.org, or (573) 875-4880.
