2020-21 Bass Fishing Rules Considerations

In support of the Guidance for Opening Up High School Athletics and Activities, the Federation Angler and Fishing League Worldwide offers this document as guidance on how state associations can consider modifications to their bass fishing events. The modifications outlined in this document are meant to decrease potential exposure to respiratory droplets by encouraging social distancing, limiting participation in administrative tasks to essential personnel and allowing for appropriate protective equipment.

All circuits under the federation angler umbrella of companies including but not limited to; The Bass Federation, Inc (TBF), BassFederation.com, The Walleye Federation, LLC, (TWF), Walleyefederation.com, Bass Pro Shops/Cabela's Masters Walleye Circuit (MWC), MastersWalleyeCircuit.com, Student Anglers Federation (SAF) High School fishing program, HighSchoolFishing.org, North American Bass Challenge (NABC) NorthAmericanBassChallenge.com, National Bass Anglers Association (NBAA) NBAA-bass.com and all other Federation Angler connected events FederationAngler.com will operate under these special procedures until further notice.
