2019 MSHSAA Football Site Manager's Media Packet

Congratulations on hosting this MSHSAA football playoff contest! With the many other managerial duties that accompany such an event also comes the responsibility and obligation of coordinating the increased demands of local and state media, in addition to your reporting duties to the Association.

This packet contains some general guidelines in coordinating media at your contest and accommodating print and broadcast personnel. It also includes vital details on how and when to report the results of your game.

Should any media or statistics-related questions arise before, during or after your game, please feel free to contact MSHSAA Communications Director **Jason West** at **(573) 875-1077** at the MSHSAA office or **(573) 356-0419** after hours.

Please keep in mind that the success of this event is relative to the planning, administration and coordination that takes place at your site. By previewing and then following these media and broadcast guidelines, you will certainly have the upper hand on media arrangements before the game takes place and help alleviate snags that might occur on game day.

Don't forget to report the score of your game the MSHSAA website **immediately** after your game is over. MSHSAA and media outlets statewide are anxiously waiting for your final score, and every minute counts. **Please make this your first priority after the game has concluded.**

“Before Game Day” Checklist

PROMOTING THE GAME:

- _____ Make local media aware of your game, and keep them informed on the kickoff time, your site's credential or pass list policy, press box seating policies or limitations and any newsworthy events surrounding the game.
- _____ Make sure your students know about the game. Getting your student body involved will inevitably get the community and school boosters excited about the game as well.

ACCOMMODATING THE MEDIA:

- _____ Appoint a Media Manager if you have an interested, competent, dependable person willing to handle these duties. This person's volunteer responsibilities will include helping to develop the media pass list, administering this media packet, handling radio, television or internet broadcasts.
- _____ Begin compiling a media pass list for your gate manager. Media representatives have been instructed to contact you to receive a pass for the game, but some may show up on game day without previous arrangements. Please instruct your gate manager to allow them free admission and media privileges upon verification of some type of credentials or proper identification. **(Note: media admission is a privilege extended to bona fide, working media representatives. Spouses, children and guests of working media members should not be extended this privilege.)**
- _____ Attempt to provide seating – with writing surfaces such as tables – for all media, either in the press box or just below the press box near the 50-yard line. You will find that most TV station personnel (unless they are broadcasting) do not require press box seating. Please avoid seating broadcasting radio stations next to each other – the more privacy each station can have, the better the quality of the broadcast.
PLEASE NOTE THAT EQUAL ACCOMMODATIONS MUST BE MADE AVAILABLE TO VISITING RADIO STATIONS – if one home station has a booth in the press box, then one visiting station must be granted a booth in the press box, etc. Schools may have to adjust arrangements that have been made during the regular season to accommodate this as there are no exclusive radio rights granted for MSHSAA playoff games.
- _____ Most radio outlets will require a phone line and power access, while print outlets will require power access. We have asked all outlets to contact you prior to the day of the game, in case adjustments need to be made. If you have any questions regarding accommodations, do not hesitate in contacting Jason West at the MSHSAA office.
- _____ Locker rooms are **closed** to all media during this event. Post the downloadable signs on each locker room door. **This includes school media outlets or entities that may or maynot have been following the team all season.**
- _____ Post signs in your press box with the following announcement:
“ _____ High School and MSHSAA remind each person that this press box is a working press area. Cheering for either team, using obscene language or other disruptive behavior will not be tolerated. Game management will direct violators to the exit. Your cooperation is expected. Thank You.”
This is a reminder to media and press box workers that this is a playoff game – not just a home game. The atmosphere in the press box should be neutral, professional and comfortable to all working personnel.

“Before Game Day” Checklist

ACCOMMODATING THE MEDIA (cont'd):

_____ Assign at least 2 individuals to keep track of official statistics for both teams. Each host site will be responsible for faxing or e-mailing a statistical game summary to the MSHSAA office after the game with the OFFICIAL stats of the contest. Make sure these volunteer individuals are neutral, knowledgeable and responsible to keep accurate stats for **both teams**. (Complete high school and college statistical rules can be download and printed free at www.ncaa.org)

PUBLIC ADDRESS ANNOUNCER:

_____ Assign a public address announcer who is neutral, knowledgeable and responsible. The following are recommended procedures to review with PA announcers:

- 1) Be fair and impartial
- 2) Do not attempt to cheer or stress excitement for the home team's outstanding plays
- 3) Use language that is in good taste and reflects the high standards and educational standards of high school activities
- 4) Do not anticipate plays or officials signals aloud
- 5) Give only necessary information - do not do “play-by-play”
- 6) Be familiar with the layout of the stadium and emergency shelter locations in case of adverse or emergency weather situations.
- 7) Do not criticize officials decisions directly or indirectly
- 8) Be accurate, fair and enthusiastic.

SIDELINE CONTROL:

_____ If your personnel allows, assign individual(s) to patrol sidelines. This will help ensure that only authorized personnel are present on the field's sidelines. No one other than coaches, players, managers, trainers and medical personnel are allowed in the team sideline boxes. By rule, media and other non-team personnel with designated sideline access are not allowed in the coaching boxes or within 6-feet of the sidelines/endlines.

“Game Day” Checklist

PUBLIC ADDRESS ANNOUNCER:

_____ Remind announcer to read MSHSAA Public Address Announcements and remind announcer of expectations.

SIDELINE CONTROL:

_____ Remind security personnel of team sideline bench area/coaching box policy.

_____ Remind security personnel of 6-foot “buffer” between sidelines and media personnel.

ADMINISTERING RADIO BROADCASTS:

_____ Each broadcasting radio station is required to complete an MSHSAA Radio Broadcast Agreement (enclosed). It is your responsibility to make sure these forms are completely filled out **BEFORE** the station begins its broadcast. Sign each Agreement (under MSHSAA Representative), and have the station rep. sign the form. These forms are to be sent back to the MSHSAA office.

_____ **At QUARTERFINAL & SEMIFINAL GAMES ONLY**, each radio station is required to provide you with a rights fee memo. Again, they cannot begin broadcasting until this requirement is met. Please forward these memos along with the Radio Broadcast Agreements to the MSHSAA office. Outlets have made prior arrangements with the MSHSAA office. They will possess a memo from Jason West stating so. The memo will have a specific contact name and station call letters or outlet name. If the name on the memo is not the person at the game, contact Jason West immediately, prior to allowing the outlet to broadcast.

_____ Each broadcasting radio station will provide you with a list of sponsors (this can be included on the Radio Broadcast Agreement form or attached to the form). Please check the sponsors list to ensure that there are no violations to the Broadcast Agreement (alcohol, tobacco, etc.). These should be sent to the MSHSAA office, along with the agreement forms and any rights memos.

_____ Each broadcasting radio station is required to read three (3) MSHSAA Public Service Announcements and three (3) Football Broadcast Spots during the course of the game. Please make sure the announcers have copies of these scripts (enclosed), and that they understand that condition of the Broadcast Agreement.

_____ The enclosed Broadcast Report Form should be completed by the Site Manager (or delegated Media Manager) and returned to the MSHSAA office. It should include a list of all radio, television and internet broadcasts.

_____ If you have **ANY** questions regarding broadcasts, do not hesitate in contacting Jason West, MSHSAA Communications Director, at any time.

ADMINISTERING TELEVISION BROADCASTS

_____ All of the same conditions above (under Administering Radio Broadcasts) apply to TV broadcasts with the following exceptions:

1) A rights fee is required for **ALL Television broadcasts** (District through Semifinals).

The fee schedule is as follows:

Delayed Broadcast (Non-Championship) \$750; Live Broadcast (Non-Championship) \$1500;

2) The station representative must complete the Television Broadcast Agreement.

3) All TV broadcasts must air at least 24 hours after the game's kickoff to be considered a delayed broadcast.

4) Live television broadcast fees are substantially higher and should be arranged through the

“Game Day” Checklist

MSHSAA office.

- 5) If the broadcasting station is an Affiliate Media Partner, it will provide a memo from Jason West stating as such.

_____ TV broadcasters must read three (3) PSA's and three (3) Football Broadcast Spots on the air during the game, must submit a list of sponsors (to be approved by you) prior to airing the game, and must complete the TV Agreement. All forms and fees should be submitted to the MSHSAA, along with the Broadcast Report Form.

ADMINISTERING INTERNET WEBCASTS

_____ All of the same conditions above (under Administering Radio Broadcasts) apply to Internet broadcasts with the following exceptions:

- 1) A rights fee is required for **ALL AUDIO WEBCASTS** (District through Semifinals).

The fee schedule is as follows:

8-man - \$25	Class 1 - \$25	Class 2 - \$30	Class 3 - \$35	Class 4 - \$40

All forms and fees should be submitted to the MSHSAA, along with the Broadcast Report Form.
