Email Policy: Due to the high volume of email messages received by the Association, an expedited personal response may not always be possible. The MSHSAA staff will respond first to more traditional means of communication such as telephone calls, written correspondence and faxes. The MSHSAA office can be reached at (573) 875-4880 during regular office hours. As time permits, staff will reply to email messages that include the sender’s complete name, address and phone number. Questions regarding student eligibility or specific MSHSAA by-laws should first be directed to your local school administrator. By Board policy, our staff is not permitted to answer specific eligibility inquiries via email, and any follow-up questions to the MSHSAA should be done via telephone or written correspondence.

Mission Statement

“The MSHSAA promotes the value of participation, sportsmanship, team play, and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation.”
The following are questions and answers pertaining to the MSHSAA Constitution and By-Laws and/or MSHSAA Board of Directors policy. These are provided as an aid in interpreting the rules and regulations which MSHSAA member schools have adopted. If you have a specific area and/or question which you would like explained, contact Dr. Kerwin Urhahn, MSHSAA executive director. Your attention is called to the fact questions and answers regarding interpretations of the MSHSAA Constitution and By-Laws appear following the Constitution Article or By-Law they relate to in the MSHSAA Official Handbook.

**Question:** May our high school basketball team scrimmage against an area junior college team or against a local city league team comprised of high school age players?

**Answer:** No in both cases. A school team may compete only against teams representing an MSHSAA member high school or teams from schools that are members of a like state association. The only exception to this would be an alumni game when conducted in accord with provisions of By-Law 3.12. This restriction applies to so-called scrimmages as well as to games. (By-Law 1.1)

**Question:** We have a person who lives in our community who has been involved in cheerleading for many years but has never attended a college/university. Can this person serve as our head cheerleading coach?

**Answer:** Yes. The standards for athletic coaches do not apply to cheerleading and dance team coaches. Any individual, however, hired to be a school cheerleading coach who does not possess a valid professional teaching certificate must satisfactorily complete an MSHSAA approved coaches education program and sports first aid. This is a prerequisite for approval to serve as a school cheerleading coach at any level at any MSHSAA member school in a subsequent school year. (By-Law 3.1)

**Question:** Do students participating in interscholastic competitive/evaluative music and speech activities have to meet the MSHSAA minimum essential student eligibility requirements?

**Answer:** Yes. Some have assumed that since these activities are generally a direct outgrowth of curricular programs the academic eligibility standards would not apply. As long as a student is limited to participating in a class setting during the regularly scheduled school day, that assumption is correct. However, music and speech activities that are conducted outside the regularly scheduled school day are considered to be extra-curricular in nature. Any extra-curricular competitive/evaluative music or speech event that involves students from two or more schools is considered to be an interscholastic event. Students participating in competitive/evaluative music or speech events must meet the MSHSAA minimum essential student eligibility requirements. This would not apply to events that are not competitive or evaluative, such as a parade that is not judged. (By-Laws 2.1 and 4.1)

**Question:** Our school uses NovaNET for credit recovery, remedial and enhancement. Credit earned will be placed on the student’s transcript and count toward graduation. I would like to know if courses through NovaNET could also count toward a student’s eligibility?

**Answer:** A course through NovaNET could count toward a student’s academic eligibility under these conditions:

1. The student is doing the work through the school.
2. The work is all being done at a designated school site.
3. Credit must be placed on the student’s transcript no later than the close of the semester in which the work was started. (By-Law 2.3)

**Question:** We have a student who is academically ineligible the first semester. Our first semester ends on January 19 and the second semester begins on January 22. We have a basketball game scheduled for Saturday, January 20. When may she begin competing in interscholastic basketball contests?

**Answer:** In accord with MSHSAA By-Law 2.3.10, if this student meets the academic requirement at the close of the first semester, she becomes ineligible the fifth day classes are attended the second semester. In this specific case, she would become eligible to participate in interscholastic contests as of Friday, January 26.

Conversely, a student who is eligible the first semester but who fails to pass courses offering 3.00 units of credit or 80% of the maximum allowable credit whichever is greater that semester may compete until the fifth day of classes of the second semester. Using the semester dates above, a student in this situation would become ineligible as of Friday, January 26. (Grades posted later would not mitigate the use of an ineligible player after January 26.)

**Question:** Our school just won the Class 2 State Softball Championship. Our Booster Club would like to donate money to our school to enable the school to purchase a state championship commemorative ring. Is this permissible under the Amateur and Awards Requirement?

**Answer:** Yes. The Amateur and Awards Requirement does permit the school to purchase an item of commemorative jewelry for each team member to recognize a specific team accomplishment. It should be noted that only the school may purchase the item. Therefore, the Booster Club must donate the funds directly to the school for appropriate use as determined by the principal. (By-Law 3.6.1)

**Question:** May a student participate in a non-school sponsored free throw contest during a season he or she is representing his or her school in the sport of basketball or in pass, punt and kick contests during a season he is representing his school in the sport of football?

**Answer:** Yes. The MSHSAA Board of Directors interprets By-Law 3.13 as not restricting participation in non-school sponsored contests involving individual skills of a team sport such as free throw contests or pass, punt, and kick contests. This interpretation is based on the fact these activities involve only individual skills of a team sport and, as such, would not in themselves constitute a sport per se by normal definition. (By-Law 3.13)

**Interschool Scrimmages Not Permitted Before First Possible Contest**

By-Law 3.16.5 defines a game as any organized play between teams not of the same school. Whether or not officials are hired, admission charged, etc., are not factors in determining whether the play constitutes a game. So-called “scrimmage games” cannot be played before the date of the first allowable contest and such competition must be counted as a game on the school’s schedule. Also, they may be played only if the school has not scheduled the maximum number of games allowed. This By-Law applies to all sports and all sport seasons.

The only exception to this is a new allowance for one Pre-Season Interschool Scrimmage in team sports (baseball, basketball, football, soccer, softball and volleyball) under certain defined conditions listed in By-Law 3.16.6 and Board Policy 25.
**MSHSAA Member School Status Changes**

MSHSAA Catastrophic Insurance and Successful Prevention Techniques

School administrators are reminded to be certain to file appropriate claims for potential catastrophic injuries. The current policy is presented by Mutual of Omaha. Coverage is an excess medical plan. For a more detailed description of the benefits of this policy, please refer to the summary sheet highlighting the benefits provided to all MSHSAA member schools in the August packet mailing. It should be noted that this plan does not include any liability coverage as it serves as medical only.

Along with securing the catastrophic medical coverage for their students, it is imperative that school staffs have in place a solid risk management program. Facilities and equipment should be kept in good condition. Annual review of good risk management, standard operating procedures for injuries and first aid should occur with all staff. A continuing review of school policy for security, conduct of players, coaches and fans should occur.

Insurance will address the results of a situation. However, good planning and proper risk management are the only successful prevention techniques.

Length of Middle Level/Junior High Seasons

MSHSAA By-Law 3.29 permits flexible scheduling of middle level/junior high school sports seasons at any time during the school year to enable member schools to best utilize school facilities and coaching staffs.

The By-Law specifies that the sports seasons shall be 12 consecutive calendar weeks in length, beginning with the first organized practice with any part of a sports squad and ending with the last interscholastic contest in the sport concerned. It further provides that the sports season may be extended to a maximum of 14 consecutive calendar weeks in length whenever the Christmas/winter holiday period falls within the sports season. The sports season for 7th and 8th grade teams shall begin no earlier than the Monday of Standardized Calendar week Number Seven, and end with the last day of school in the spring.

Schools are reminded that a calendar week is interpreted as beginning with a Monday and ending with the following Sunday. Any part of a calendar week shall count as a full week. For example, if the junior high school basketball season culminates with a tournament which ends on a Tuesday, this entire calendar week would count as one of the 12-14 allowable weeks. In other words, a school could not have 12-14 weeks in addition to the tournament just because a season ended in the middle of a calendar week, in this case on Tuesday.

This provision for the scheduling of middle level/junior high school sports seasons has generally worked very well for member schools. However, from time to time, there has been some confusion in the application of this By-Law to the sport of basketball, particularly where a ninth grade student begins the season playing on a junior high school team and, at the end of the junior high season, moves up and plays as a member of a senior high school junior varsity or varsity team. If a 9th grade basketball sports season is scheduled either concurrently with the senior high school season or so that it overlaps the beginning of the senior high school basketball season, individual ninth grade students may move up at the end of the junior high school season to play as a member of the senior high school junior varsity or varsity team. In such situations, the individual student may not participate in more than the total number of games (quarters) and tournaments equal to that played by the high school team on which the student plays and may not participate in a total number of weeks that exceeds that of the senior high school season. A ninth grade student in the situation described above could participate in a maximum of 20 or 19 consecutive calendar weeks, based upon the classification of the high school, from the first practice date of the first team on which the ninth grade student plays to last contest (or practice) for the last team on which the ninth grade student plays. In either case (quarters and tournaments or length of season), once the maximum is reached, the student must discontinue participation in both practices and game competition.

Any ninth grade student that plays with seventh and eighth grade students on a junior high/middle school basketball team must begin his/her 20 or 19 consecutive calendar weeks length of season as of the first practice day of the seventh and eighth graders whether these ninth graders are competing in another sport at that time or decide for whatever reason to come out late for the junior high/middle school team. The ninth grade students may move up and play with the senior high team when the junior high/middle school season concludes, but these ninth graders are limited by 20 or 19 consecutive calendar weeks and the games (quarters) and tournament limits of their high school team. Once one of these limits is reached, the affected ninth grade student may no longer practice or compete with any school team. Ninth grade students may begin practice with the high school team on the first allowable high school practice date, but may not have practiced or competed with or against seventh and eighth graders earlier.

It is important all principals, athletic directors, and coaches who are responsible for middle level/junior high school and freshmen athletic programs be aware of these provisions so they may take advantage of and benefit from the flexible scheduling allowed in these school programs. At the same time administrators will be able to protect and maintain the eligibility of students who will be involved in these programs.
School Administration Responsible for Fans at Home and Away Contests

By-Law 5.5.1 makes no distinction of whether a school is the visiting or home school as far as unsportsmanlike conduct is concerned. The school’s administration is responsible for the conduct of its team, coaches, students and fans at any interscholastic event in which the school is participating.

The failure to uphold proper standards of conduct causes much of the criticism and adverse publicity of interscholastic athletic events. Furthermore, improper conduct hinders the achievement of the educational values derived from athletics. Only with the conscientious effort of all administrators, coaches, fans, and players can we achieve the most worthwhile objectives of interscholastic athletics.

MSHSAA Catastrophic Insurance and Successful Prevention Techniques

The following provisions must be met in multiple-game events conducted in Missouri in the sports of basketball, soccer and football organized by a college or university, a member school(s), or a non-school entity co-sponsored by an MSHSAA member school in order for MSHSAA member schools to participate:

a. In all games involving MSHSAA member schools (one or both opponents), the designated host school shall be an MSHSAA member school, or the event organizer can designate an MSHSAA member school as the host of the overall event. If an MSHSAA member school is designated as the overall host of the event (i.e. initiating contracts between schools for all games, contracting all game officials and other administrative responsibilities), this overall event host school shall file a detailed financial summary of the event with the participating schools and the MSHSAA Office.

b. Game officials shall be approved by the participating schools, contracted directly by the host school administration, and registered with the MSHSAA in accord with By-Law 6.1.2.

c. All schools participating against MSHSAA member schools shall meet the provisions of 3.18.1. It is the responsibility of the MSHSAA member host school to confirm this status of the opposing school(s).

d. The event organizer shall file a financial report with the MSHSAA office within 90 days following the event. This is the responsibility of the event organizer. When a high school contest is held “in conjunction” with an intercollegiate contest(s), a financial report is not necessary.

e. Games that involve schools from other states may have state association requirements that are beyond these listed above. It is the responsibility of the MSHSAA member host school(s) and the event organizer to insure that these rules and all those previously mentioned are met.

f. The event organizer shall insure that the multiple-game event conducted in Missouri is approved at least 90 days in advance by MSHSAA (and the NFHS, if necessary).

g. A tournament or meet sponsored by a college or university involving only Missouri schools, must adhere to the above standards and shall have the approval of the Board of Directors (via Non-School Sponsored Event Sanctioning Procedure) the a minimum of 30 days prior to the first date of the event.

Editor’s Note: A contest is “in conjunction” with an intercollegiate contest if the college and the high school events are conducted in the same sessions, tickets are sold as a single event, and the playing facility is not cleared between the contests. Items d and e reflect NCAA requirements.”

Leadership Training Institute

The NIAAA certification process and the Leadership Training Institute (LTI) offer athletic administrators a national process to develop leadership and professionalism. All three levels of certification require that one have at least a Bachelor’s degree and send an application form and fee to the NIAAA in Indianapolis. The three levels of certification are:

The RAA (Registered Athletic Administrator) which is for those with little or no experience in athletic administration. The RAA level requires that one take LTI 501 and 502, obtain the verifying signature of a sponsor (athletic administrator, principal, superintendent, state athletic/activities association staff), approval of a PDF (Personal Data Form) listing their experience, education, and contributions, and read the NIAAA Code of Ethics.

The CAA (Certified Athletic Administrator) is for those with two or more years of experience. It requires that one take LTI 501, 502 and 504, approval of the PDF, pass a CAA examination of multiple choice questions with at least 75 correct answers out of 100 questions, employed by (or retired from) a school, school district or state high school athletic/activities association in such capacity that the administration of interscholastic athletics is (was) among job responsibilities, and read the NIAAA Code of Ethics.

The CMMA (Certified Master Athletic Administrator) is for those with CAA certification. This level of certification requires that one take LTI 501, 502, 504, and 506. Additionally, the candidate must complete a minimum of six (6) LTI electives, three (3) each from Leadership and Management Categories. The candidate must be employed so that administration of interscholastic athletics is/was one’s primary responsibility. In addition to approval of the PDF, submit supporting documentation of all requirements and points earned since CAA designation, the candidate must complete a practical written exercise, optional program implementation and read the NIAAA Code of Ethics.

For certification forms or further information, please contact the NIAAA in Indianapolis at (317) 587-1450.
Future Board of Directors and Appeals Committee Meeting Dates and Sites

The following dates have been set for meetings of the MSHSAA Board of Directors and Appeals Committee for the 2016-2017 school year: School administrators and coaches are reminded of how important it is to have your transfer forms and supporting documentation supplied to the MSHSAA office a minimum of two weeks before the Appeals Committee meeting.

**Board of Directors**

- November 30 - December 1, 2016 - MSHSAA office, Columbia (Wed.-Thu. of Week 22)
- January 25-26, 2017 - MSHSAA office, Columbia (Wed.-Thu. of Week 30)
- March 8-9, 2017 - MSHSAA office, Columbia (Wed.-Thu. of Week 36)
- April 7-8, 2017 - Tan-Tar-A, Osage Beach (Fri.-Sat. of Week 40
- June 14, 2017 - MSHSAA office, Columbia (Wed. of Week 50)

All meetings shall begin at 8:30 a.m. with the exception of April 7, 2017 meeting which shall begin at 1:00 p.m.

**Appeals Committee**

- November 15, 2016 - MSHSAA office, Columbia (Tue. of Week 20)
- March 14, 2017 - MSHSAA office, Columbia (Tue. of Week 37)

All meetings begin at 8:30 a.m.

Anyone attending a meeting in the MSHSAA office who requires auxiliary aids or services should request such services by contacting the executive director of the MSHSAA, telephone (573) 875-4880, no later than 48 hours before the meeting.

**Area Meetings**

This year the MSHSAA staff shall be conducting Area Meetings across the state to gather input and discuss important issues facing the membership. These meetings have proved to be extremely helpful to your Board of Directors and the MSHSAA staff. The meetings will be held during January. The meetings will begin at 9 a.m. and end promptly at 11 a.m. Background information for the topics will be distributed at each site.

It is very important for superintendents, principals and athletic administrators to attend the meetings and take part in the developing role of your association and the events being sponsored for our students. Many issues have a fiscal impact on schools and the association as well as an impact on instructional time. The MSHSAA Board and staff look forward to seeing you at one of the eight sites.

**Missouri Represented on National Federation Committees**

The NFHS sponsors several national committees. The majority of these committees are committed to the formation and adoption of rules regulating specific interscholastic sports. The state of Missouri is well represented on the various committees. A hearty congratulation is extended to the following individuals for their involvement on these committees.

**Official Scorer for Basketball Apparel Requirement**

The NFHS basketball rules committee implemented Rule 2-11-2 which now requires the official scorer to wear a black-and-white vertically striped garment. This is a 9-12 rule and is not a requirement but an option at the JH level. The NFHS rules committee felt that players, coaches and officials need to be able to quickly and easily identify the official scorer. Requiring the scorer to wear a striped garment will assist in this regard. In addition, wearing a striped garment will make the scorer look more professional.

## Placement of Sideline Cheer Squads During Basketball Contests

Sideline cheer coaches should coordinate the placement of the sideline cheer squads at basketball contests with the school athletic administrator or building principal. When possible, it is suggested that the squads should cheer along the sidelines close to the intersection of the sideline and baseline. If space does not permit, the squad should be located along the baseline but not beneath the basket or within the area of the free throw lane lines extended. In all locations the squad should be back at least three or four feet from the boundary lines.

Sideline cheerleaders should always be aware of the actions occurring in the contest and be prepared to move as play advances toward them. The squad should also be attentive to the movement of the contest officials to be certain they do not interfere with their officiating responsibilities.

## Basketball Players Restricted to Playing in Six Quarters on One Day

Coaches are reminded that MSHSAA By-Law 3.21.1 restricts basketball players from participating in more than six quarters on one calendar date. If a participant plays in a previous game on the same day or evening (either the junior varsity preliminary or some other game that day) then the total number of quarters in both games may not be greater than six. For example, a player who was in three quarters of the junior varsity contest may participate in three quarters of the varsity game.

This is an eligibility standard. Thus, the game officials have no authority to become involved in matters relating to the six quarter rule. Coaches and bench personnel (scorers) should discuss in advance of the varsity contest the number of quarters each boy and girl may play.

The minimum penalty for using a player for more than six quarters on a calendar date is forfeiture of the game in which the violation occurs. Over the course of a season, a player may play no more quarters than five times the number of games scheduled for the highest team on which he/she plays plus the allowable tournaments. This could be 100 quarters, if the team schedules 20 games and one tournament; 90 quarters, if the team schedules 18 games and two tournaments; or 80 quarters if the team schedules 16 games and three tournaments. The total number of quarters for a season did not change with the Special Election, only the number of quarters a player can play in one day.

## Stomping of Bleachers

Large numbers of fans standing on and stomping bleachers in rhythm can create a physical hazard. Stomping adds additional physical strain which can conceivably cause the bleachers to collapse. This is particularly true of temporary bleachers erected for outdoor events and rollout bleachers used in gymnasiums. It is strongly recommended to all school administrators that steps be taken to eliminate the stomping of bleachers. Schools should be aware of the possible damage to the school property and the potential physical dangers to spectators in establishing any policies in this regard.

## Team Shall Not be Removed in Protest

The attention of coaches is called to MSHSAA By-Law Section 5.5.2 which provides that a school whose coach removes a team from play in protest may be required to appear before the Board of Directors at its next meeting to show reason why the school shall not be suspended. Removal of a team in protest is considered a gross act of unsportsmanlike conduct. If an emergency occurs of some type that would make it advisable to discontinue the contest this should be done by mutual agreement of the two schools and the officials. If done in protest, the provisions of By-Law Section 5.5.2 will apply.
Holiday (Thanksgiving or Christmas) Basketball Tournament Regulation Reminder

All member schools should review MSHSAA By-Law 3.18 (Tournament, Meet, and Multiple-game Event Sanctioning Regulations) to insure that all provisions of the regulation are being met as they apply to all sports. Particular attention should be directed to the specific regulations regarding the conducting of a Christmas or Thanksgiving holiday tournament. It is important that all member schools are familiar with these provisions if they plan to host a holiday tournament or before they accept an invitation to participate in one. Listed below are two important specific reminders:

1. A tournament held during the Christmas or Thanksgiving holidays can include no more than 16 schools on a bracket that is scheduled so no school will compete on more than one school night preceding a school day, and that causes no loss of school time.
2. A tournament held during the Christmas holidays that begins no earlier than the day following Christmas Day and ends before any school entered resumes classes following the holidays may consist of two divisions with no more than 16 teams in each division competing for divisional honors only or three divisions with no more than 8 teams in each division competing for divisional honors only.

If you have any questions about MSHSAA By-Law 3.18, call the MSHSAA for further clarification.

Participation of Bands at Basketball Contests

Part of the excitement at many of our interscholastic basketball contests involves the spirited music supplied by a pep or jazz band. The performances of the musical group are enjoyed by all attending the game. To ensure full appreciation of the group’s performances certain guidelines, indicating when to play, should be followed. Band directors are reminded that as a courtesy to the teams and cheerleaders of both schools, the performances by the band should be limited to a certain schedule. The guidelines listed below indicate an appropriate playing schedule for the band.

Guidelines for bands performing at basketball contests:

• The band should play before the game begins. The director should coordinate the schedule so that team members may be announced if desired by the host school.
• The band should play at halftime of the contest.
• The band should play in-between contests, again coordinating this schedule so that team members may be announced.
• The band may play at the end of the contest if desired.
• The band should not play during time-outs or the break between quarters in order to allow the sideline cheerleaders the opportunity to lead cheers. Players and coaches need to be able to communicate with each other during time-outs.
• Musical instruments may not be used as noise makers during the contests.

The band director and his/her performing group will display courtesy and respect to the players and sideline cheerleaders by playing at specific times. With good planning and cooperation the school pep band will be an integral part of the excitement and spirit of the contests.

2016-17 Basketball Game Timing Rule

The Basketball Game Timing Rule shall be used for all interscholastic games both boys and girls, including high school varsity, junior varsity, sophomore, freshman, and all junior high contests. A running clock shall be used when after the end of the third quarter there is a point differential of 30 points or more. The clock will be stopped only under the following conditions:

1. Charged time-out
2. Injury time-out
3. To confer with scorers or timers, if necessary
4. Because of unusual delay in getting a dead ball alive
5. To administer all technical, intentional, flagrant and disqualifying fifth personal fouls
6. For any emergency

After these clock stoppages, the clock will begin to run again with normal play resuming procedures. If during the fourth quarter the point differential drops below 30 points, normal timing will resume until the 30 point differential has been reached again or the game ends.

Last Year’s Scholar Bowl Questions Available for Purchase

The questions which were used at the 2015-16 MSHSAA Scholar Bowl District and State tournaments, written by National Academic Quiz Tournaments, are available for purchase from the MSHSAA. The price for a set of these questions is $50.00 plus shipping and handling for 8 games (5 District + 3 Sectional games) or $100.00 plus shipping and handling for 18 games (5 District + 3 Sectional + 10 State Games). Schools that are interested in purchasing these questions must contact MSHSAA by phone or mail (the questions are included on the MSHSAA order form located on the website).

The question provider for the 2016-17 Scholar Bowl district and state tournament series is National Academic Quiz Tournaments, LLC, and these questions will be available for purchase following this year’s State Championships.

Show-Me Scholar Bowl Question Provider

The question provider for the 2016-17 MSHSAA Scholar Bowl district and state series will be National Academic Quiz Tournaments. Should schools wish to purchase practice questions, simply contact National Academic Quiz Tournaments, LLC via their website: NAQT.com.
Andy Johnston Receives NFHS Outstanding Music Educator of the Year Award

Each year, the NFHS Music Association gives its Outstanding Music Educator of the Year award to one recipient in each state. This year, MSHSAA is pleased to recognize Andy Johnston, of Springfield, Missouri, as the 2016-2017 Missouri state award recipient.

Andy earned a Bachelor of Music Education at Oklahoma State University in 1991 and Master of Music in Viola Performance at Missouri State University in 2001. He began his teaching career in 1992 with the Enid Public Schools in Enid Oklahoma and in 1997, Johnston became the high school orchestra director at Glendale High School, in Springfield, Missouri. Johnston has also served as Assistant Conductor, Springfield Youth Symphony (1998-2001), Conductor, Springfield Junior Symphony (2001-2006) Instructor of Applied Viola, Missouri State University (2007 and 2014). In 2011, he became the Music Director of the Springfield Youth Symphony; a position he still holds and in 2016 he became the Orchestra Director at Southwest Baptist University in Bolivar.

Johnston has contributed in many ways to the betterment of high school music programs. He has served on local and state committees and boards, and he continues to work towards the advancement of string education in general. His high school orchestras are noted for their excellence in performance, and his students are noted for their individual accomplishments as musicians. Andy has worked to make elementary orchestra a priority in the Springfield Public Schools. He implemented and hosted the All-City Fifth Grade Orchestra Concert, showcasing hundreds of elementary schools students to parents, administrators, and community each year. Andy’s high school performing groups, Springfield Junior Youth Symphony 2005 and Glendale High School Orchestras 2016 were chosen as performing groups for the MMEA Annual In-service Workshop/Conference. Additionally, he has conducted the Springfield Junior Youth Symphony in ASTA’s National Orchestra Festival in 2006; and he was Assistant Conductor of the Springfield Youth Symphony on their performance in the 2000 Midwest Clinic in Chicago.

Andy is actively involved and maintains membership in several professional music education organizations such as the National Association for Music Education (NAfME), the Missouri Music Educators Association (MMEA), and the Missouri American String Teachers Association (MoASTA). He also serves on the MSHSAA String Sight Reading Subcommittee.
Procedure for Late Submission of Music Entries

The following procedure has been approved by the MSHSAA Board of Directors regarding late fees for the MSHSAA District and State Music Festivals. This information is also available in Section 2-I of the MSHSAA Music Manual. The music manual is available for viewing and/or printing via the MSHSAA website under the Music Activities link.

Each music district has established a Tuesday entry deadline date. Deadline information is available through the MSHSAA Festival Manager Program and the MSHSAA website. Any director that fails to submit entry(s) or has left off entry(s) after the established Tuesday deadline may submit these entry(s) by 4:00 p.m. on the Thursday immediately following the Tuesday district deadline. Any school submitting entry(s) after the Tuesday deadline shall be assessed a late fee of $100 plus a doubling of the entry fee(s). The MSHSAA Office shall be notified by phone before any late entry(s) are accepted. (Section 2-I-1)

Once the second penalty deadline has passed and the school music director has failed to enter one or more events for the district or state solo/small ensemble and/or large group festival the director may enter the event(s) under the following conditions. (Section 2-I-2)

1. Only entries that were omitted after the penalty deadline are eligible to enter. No scratches and/or cancellations will be allowed to enter. Only events that did not appear on any previously submitted entry form are eligible. The school music director must phone the MSHSAA office for approval prior to submitting a late entry form.

2. A late entry fee of $300 PER EVENT will be assessed to the school.

3. The festival manager will be notified by the MSHSAA office advising them of the late entry or entries. This will allow the festival manager to schedule the event(s) to the festival schedule and print the necessary evaluation form(s).

4. Each late entry will be scheduled at the end of the day. It is at the discretion of the festival manager to place the late entry in an earlier time slot IF one is available. If there are no cancellations the event shall be scheduled at the end of the day.

5. Schools will only be allowed to submit late entries to the district in which their school has been assigned. No school will be allowed to participate in a different district festival or state festival day.

School directors and administrators should note that changes in entries submitted are only possible as specified below.

Entry changes and additions to previously submitted entries: Entry changes and additions to previously submitted entries can be made prior to the stated district entry deadline. Once the district entry deadline has passed, entries will only be accepted as outlined above.

After the district entry deadline date has passed, changes to previously submitted entries shall be permitted as follows:

- Selection changes for entries: Manager must be notified in writing by mail, e-mail, or fax.
- Cancellations: Manager must be notified in writing by mail, e-mail, or fax.
- Substitution of participants in small ensembles. Manager must be notified in writing by mail, e-mail, or fax.
- After the district entry deadline date has passed, changes to previously submitted entries shall be permitted as follows:
  - Adding entries: Entries not listed on the previously submitted computer entries cannot be accepted after the district festival has commenced. Refer to Section 2-I (Late Submission of Music Entries)
  - Substituting an entry for a cancelled entry
  - Verbal notification of substitution in a small ensemble
  - Verbal notification of selection changes
  - Verbal notification of cancelled entries

A substitution may be made in an ensemble at the district festival for participants who are ill or are unable to perform on the date of the festival provided a written statement of verification is signed by the school director and is provided to the festival manager prior to the performance. Confirmation of eligibility of the substitution must be submitted following the festival signed by the school principal. The rating shall be withheld until confirmation of eligibility is received from the school principal. If no confirmation is received within 72 hours of the festival the event shall be disqualified. The substitute must adhere to the limitations on entries as listed in the MSHSAA Music Manual. If a substitution is made at the district level and the entry qualifies for the state festival, the entry would be required to perform at the state festival with the students that performed at district unless an emergency substitution is necessary at state. An emergency would include but is not limited to sudden illness, medical or family emergencies.

District or state schedules shall not be altered without consent of the festival manager. Penalty for the violation shall be disqualification of the entry/entries involved. Changes in the state schedule shall not be made unless a direct schedule conflict exists.

How to Avoid Problems and Penalty Fees at District and State Music Festivals

Each year, there are numerous problems that develop regarding music festival entries. In order to avoid possible problems directors must be knowledgeable of MSHSAA policies, procedures, and rules. While these policies, procedures, and rules are provided to the school each year in the MSHSAA Music Manual, directors are not always as diligent as they should be to become informed. The result is often an unfortunate and unpleasant situation that could have been avoided with better preparation on the part of the directors. The following is an appropriate procedure for directors to follow which should help to prevent problems.

Early in the school year, the school administrator shall complete the required eligibility roster for all music students that will be participating in competitive/evaluative music events during the academic year. The eligibility roster must be completed online through the MSHSAA website www.mshsaa.org. This must be done prior to the first competitive/evaluative music event of the school year. List only those students that meet the student eligibility requirements of MSHSAA as well as those of the school. Any student who does not meet the requirements is not eligible and cannot be listed. This procedure will be repeated at the beginning of second semester and any changes to the eligibility roster noted. This will address student eligibility for all competitive/evaluative music events for the school year including the district and state music festival. This is a separate roster from the Festival Manager Program. The Festival Manager Program roster is used only for the MSHSAA District and State Music Festivals.

In August, a packet should have been received by the school athletic administrator of the MSHSAA member schools registered to participate in music activities, with instructions to forward to the music directors. This packet contained information regarding registration with the MSHSAA Festival Manager Program as well as general information about the festival manager program. The music manual is available on the MSHSAA website under the ‘Music Activities’ link. This will allow each music director to print and have their own copy for review at any time. Please take the time to read it completely. New wording has been underlined, areas of emphasis appear in bold text and all penalties appear in gray boxes. It is the director’s responsibility to know, understand and follow the stated rules for the festival and to communicate this information to students and parents.

In order to avoid some of the most common problems, pay particular attention to the following areas:

- **Entry deadline dates and late entry procedures**: One problem that occurs each year is late entries. The Music Advisory Committee has spent a great amount of time discussing this procedure. The policy appears in the MSHSAA Music Manual under Section 2-1. Refer to article Procedure for Late Submission of Music Entries located elsewhere in this Journal.
- **Limitations on entries**: An individual student may enter no more than two small vocal ensembles, no more than two wind/percussion small ensembles and no more than two string small ensembles. No student shall enter two identical ensembles (i.e. ensembles with the same instrumentation or voicing). A student can also perform one vocal solo and a maximum of two wind, percussion or string solos (piano solos are not included).
- **Performance time limits**: Another area of which directors must be knowledgeable is the minimum performance time limit. Solo and small ensemble performances shall be a minimum of 3 minutes. If a performance is less than 3 minutes in length, an additional work should be chosen from the MSHSAA Prescribed Graded List to bring performance to at least 3 minutes. A penalty of “one rating lower” shall be imposed for any solo/small ensembles that perform less than 3 minutes.
- **Scores**: For small ensemble entries, the adjudicator must be supplied an original publication of the score of the work with each measure numbered. If a score is not published, contact the publisher and request permission to create one. Separate parts or an incomplete score will not be allowed and will result in the rating being lowered one rank. Exception: For string duets only, if no score of the work is available and the music publisher will not grant permission to create a score, then individual parts may be provided to the adjudicator.
- **Accompaniment**: Accompaniment is required if one is written for the work selected but cannot be used if the work is to be unaccompanied. Also, an individual serving as an accompanist may only accompany up to 20 performances per day at the festival.
- **Supervision**: As the entries at the festival are school entries, it is required that students be accompanied and supervised at the festivals by a member of the faculty or administration of the school or school district. If no faculty member is present, the school’s entries will be considered disqualifications.

While these areas are not all-inclusive of possible pitfalls, they should be of help to directors to prevent many possible problems. It is imperative that directors be knowledgeable of the rules of the festival. We owe it to our students to prevent problems and teach them that rules exist for good reasons and must be followed.

**MSHSAA Music Adjudicator Training Session**

The MSHSAA will sponsor one music adjudicator training session this school year. It will be held at the MMEA Conference on Wednesday, January 25, 2017. If you would like to register for this session, simply complete the registration form located on the MSHSAA website under the ‘Music Activities’ link and return it to MSHSAA. This program was developed by the MSHSAA Adjudicator Training Committee. The committee, which included music educators and experienced music adjudicators, was appointed by the MSHSAA Board of Directors as a result of a recommendation by the MSHSAA Music Advisory Committee. The main reason for embarking on the program was to bring about improved consistency among adjudicators statewide.

The specific objectives of the program as identified by the committee are:
- To make the adjudication process a constructive and educational experience for all participants in the MSHSAA Evaluative Music Festivals.
- To establish a consistent evaluation process by adjudicators at all MSHSAA Music Festivals.
- To establish an ongoing system of certification for music adjudicators.
- To establish an ongoing system of evaluation for music adjudicator.

This session is open to any music educator at no charge. In order to be certified to judge at the MSHSAA festivals, it is a requirement that the attendees have 7 years of teaching experience. Music educators with less than 7 years teaching experience are welcome to attend and would likely find the session beneficial. Again, to register, simply complete and return the registration form available on the MSHSAA website under the link ‘music activities’. Registration deadline is January 9, 2017.

West presented two recommendations to the Board from the Media Advisory Committee: 1) mandatory posting of team schedules to the MSHSAA website and updated scores on the 1st and 15th of each month. Failure to comply with this requirement would have three consequences: a) the first offense schools will be sent an e-mail. This message will be addressed to the Athletic Director and carbon copied to the Principal, Superintendent and coach of offending school and contain the tiered consequences of subsequent offenses; b) the second offense would assess a $50 fine to the school per offending sport; c) the third offense would assess a $100 fine in addition the coach will be suspended for the first post-season contest of that sport; 2) to not guarantee credentials or work space for applications not received prior to deadline in effort to enforce credential request deadlines. Amended by Staff: add a fee of $100 for credential if request is made after posted deadline and $250 if request is made day of event.

Approved recommendation #1 as amended with the elimination of the coach suspension and approve recommendation #2 as amended to include the late fees from the Media Advisory Committee. The first recommendation would be implemented at the start of the 2017-18 school year. The second recommendation would be implemented immediately.

They are like my second family.

After practices, we all go out to eat together. On weekends, we meet up to ride bikes or swim.

And when we play, it’s not for the people up in the stands. It’s not for the victory. It’s just for us.
