If you want to reserve these (guaranteed only), call the assigned hotel before noon Monday, November 23rd. Identify yourself as a finalist. These are limited to authorized school personnel only. Please use discretion when assigning these rooms. We are trying to create a secure and quiet environment for the participating teams.

In addition, there are seven generic gate passes included in the school packet that will be distributed at the coaches’ meeting. These gate passes are intended for faculty supervisors, bus drivers, doctors, trainers, and other individuals not entering with the team at the Cole Street

dock entrance. Envelopes are available to place these gate passes in “Will Call” to specific individuals at the discretion of the school’s administration.

**Sideline Hang-Tags:** All approved coaches plus twelve additional hang-tags will be supplied at the coaches’ meeting. (All TEAM sideline hang-tag holders must remain in the team box or be located in the team booth in the press box). They will not need gate passes if they enter with the team; otherwise, they must have a pass from the allotment or purchase an admission. These Sideline Hang-Tags will be given to the coach upon arrival at the coaches’ meeting. (Ball boys provided by MSHSAA)

**Admission Prices:** All tickets (No Discounts) -- $11.00

**Student Media:** Information has already been sent to your school regarding student media options.

5. **Filming:** The MSHSAA will not film the final games. If your school wishes to either film or video tape the game in which your team plays, you should contact the MSHSAA staff upon arrival at the coaches’ meeting.

6. **Principals and Athletic Administrators-Important:** A section will be reserved for pep clubs: Home Section 113, Visitors Section 141. Each section contains 700 seats. Admittance to each school's reserved section will be a pass provided by your school (this pass will NOT be good for admission). Persons without a pass cannot enter this section. A school administrator or faculty representative shall be responsible for identifying the pass or ticket to be used by the ushers. This person should get to the section well in advance of the game in which your team plays to identify the pass and assist the ushers in identification if needed. Your school will determine who sits in your section. Be sure to provide passes to this section for your faculty supervisors. We are requesting that all schools make every attempt to properly supervise players, and other students attending the state championship. The school will be financially responsible for any damage caused by fans in this reserved section. An administrator will be asked to inspect this pep section prior to and at the conclusion of your game. Administrators and faculty supervisors shall be identified by wearing a school badge to enable the tournament management to communicate with them if necessary. Some of the problems that have resulted from lack of supervision have been sufficiently serious to bring a great deal of criticism to both the schools and our state tournaments. Students should be reminded of the reputation they establish for their school by their behavior. Local motels have been advised to register only those students supervised by school representatives or their parents.

7. **Cheerleader Sponsor:** Cheerleaders (in uniform) and no more than two cheer coaches will be admitted through the Cole Street Entrance (see map). No more than two cheer coaches will be allowed on the field. We think cheerleaders and pep clubs can make a distinct contribution to our games. They enliven the event with their cheers, but of more importance, are their efforts to improve the sportsmanship of the players and fans which contributes much to the educational values of interscholastic athletics.

8. **Supervision of Students in Hotels and Motels:** The MSHSAA Office has received several reports regarding misconduct of students who have stayed at hotels and motels during our state series. Our investigation of this matter indicates that the problems come primarily from students who make motel reservations by telephone, etc., and are not under the supervision of parents or school representatives. Regardless of whether or not the students are attending under the supervision of the school, their misconduct is damaging to the image of the school, and also causes difficulty by making motel proprietors somewhat hesitant in making reservations for high school teams participating in our various state events. We have advised the hotel and motel proprietors to register only students who are accompanied by their coach, or students who are under the supervision of school representatives or their parents. We have further requested that the identity of troublemakers be obtained when misconduct occurs, so these persons can be identified to their school. We have made it clear to the motel proprietors that registering students who are not under the supervision of the school, is the responsibility of the proprietor and students' parents. We would further like to request that all schools, which qualify teams for any of our state games take the following steps: (1) establish appropriate conduct policies and inform students who

“MSHSAA promotes the value of participation, sportsmanship, team play and personal excellence to develop citizens who make positive contributions to their community and support the democratic principles of our state and nation.”
will be attending the tournament and staying overnight of these policies; (2) that students and parents be informed that because of damaging the image for their schools and the interscholastic program, motel and hotel proprietors provide to this office the names and address of individuals creating problems for them during overnight stays for MSHSAA events; (3) that you make it clear to parents that your school will not assume any responsibility for students staying overnight in hotels or motels who are not under your supervision and; (4) that your student body be informed that the misconduct of a few students damages the image of the school and therefore, should be a matter of concern for all students.

9. **Home and Visitor Information:** The following will indicate the home team and the visiting team for the final game: In even numbered years, the HOME team will be the team on the bottom of the bracket. In odd numbered years, the HOME team will be the team on top of the bracket. In accord with Football Rule 1-5-1, jerseys of opposing teams must be of contrasting colors. The home team shall wear its dark color and the visiting team its light color. The visiting team is responsible for avoidance of similarity of colors, but if there is doubt, the referee may request either team to change. Home team is located on the press box side of the field. The visitors will sit on the opposite side from the press box.

10. **Parking:** Parking will be available for cars in the parking lot at the hotel. Team buses will unload at the Edward Jones Dome dock on Cole St. The Dock Security guard will direct drivers where to park. The school administrator may put gate passes for bus drivers in “Will Call” at Broadway Central otherwise they will need to buy a ticket for admittance to the games.

11. **Bands:** Please notify the MSHSAA Office Sunday if you plan to bring your band. Band members will be admitted free, if they are performing, in uniform on the field, and enter at the Cole St. Entrance. Band will be seated in upper section of 113 or 141. An administrator shall be there to help seat band. We also need to know if you want scheduled time at halftime to march. Home team has the option of playing the National Anthem. You would be allowed six minutes if the other school wishes to march also. No marching will be permitted prior to or after games. A MSHSAA representative will contact the band director on Monday, November 22 for any additional information.

12. **Game Balls:** Wilson (GST) balls will be furnished for each game. If you wish to use your own ball on offense, you will need to provide two acceptable balls.

13. **25 - Second Clock:** The 25 - second clock will be used in the Show-Me Bowl contest.

14. **Towels:** No towels will be furnished. Teams will be expected to furnish all the towels needed.

15. **Awards Ceremony:** The championship team and the runner-up team will be presented trophies and medals immediately following the game. Coaches are to hold players until the ceremony is over. See enclosed "Awards Ceremony" card.

16. **Practice Time:** Participating teams will not practice in the stadium prior to their game. Twenty-five minutes (25) of on-field practice will be guaranteed prior to each game. Teams desiring to practice after arriving will be assigned to local fields. A request for a practice field should be made when you call the MSHSAA Office.

17. **Shoes:** An athlete should wear whatever he typically wears on natural grass. A screw-in cleat is the best option. Flat-soled shoes are not permitted on Field Turf fields. (All shoes, of course, must adhere to NFHS Football Rule 1-5-1f) found on page 19 of the 2010 NFHS Football Rules Book.

SUPERVISION OF STUDENTS IN HOTELS AND MOTELS

The MSHSAA Office has received several reports regarding misconduct of students who have stayed at hotels and motels during our state tournaments, and some proprietors have indicated that they may find it necessary to refuse registration for high school students.

Our investigation of this matter indicates that the problems come primarily from students who make motel reservations by telephone, etc., and are not under the supervision of parents or school representatives. Regardless of whether or not the students are attending under the supervision of the school, their misconduct is damaging to the image of that school, and also causes difficulty by making motel proprietors somewhat hesitant in making reservations for high school teams participating in our various state events.

We have advised the hotel and motel proprietors in the towns and surrounding areas in which our championship events are held to register only students who are accompanied by their coach or students who are under the supervision of school representatives or their parents. We have further requested that the identity of trouble makers be obtained when misconduct occurs so these persons can be identified to their schools. We have made it clear to the motel proprietors that registering students who are not under the supervision of the school is the responsibility of the proprietor and students’ parents. We believe our instructions to the motels and the procedures recommended are in the best interest of our schools.

We would further like to request that all schools, which qualify teams for any of our state tournament games take the following steps: (1) establish appropriate conduct policies and inform students who will be attending the tournament and staying overnight of these policies, (2) that students and parents be informed that because of damaging the image for their schools and the interscholastic program, motel and hotel proprietors provide to this office the names and addresses of individuals creating problems for them during overnight stays for MSHSAA events, (3) that you make it clear to parents that your school will not assume any responsibility for students staying overnight in hotels or motels who are not under your supervision and (4) that your student body be informed that the misconduct of a few students damages the image of the school and therefore should be a matter of concern for all students.

Your cooperation is requested.
TO:   Head Coaches of Teams Participating in Show-Me Bowl  
FROM: Harvey Richards, MSHSAA  
SUBJECT: Responsibility for Team Conduct  

This is to serve as a reminder that the head football coach is responsible for the sportsmanship and conduct of players, trainers, managers, doctors and others directly associated with the school football team. This responsibility applies to off the field as well as on.

Hotel procedures to be followed:

1.   Set your own curfew, but no later than 11:00 P.M. This means out of halls, in assigned rooms and quiet. It is important we show respect and courtesy for other teams and hotel guests.

2.   At least one-half hour before you plan to check out of the hotel and after your squad is packed and ready to leave, notify the front desk. They will send a representative to your area to accompany you and the team captains on an inspection of your assigned rooms. If nothing is damaged or missing, you will then proceed to check out at the front desk. If there are any discrepancies with the rooms, an agreement for restoration satisfactory with the hotel, will have to be arranged prior to checking out. (REMINDER: Only the basic room charge will be paid by MSHSAA. Any incidentals such as telephone calls, etc. will have to be paid by the school at the time of check out.)

3.   Elevator service at most hotels is adequate, however, additional time should be allowed for team movement so as to stay on schedule and not be split up. Remind your followers that the elevators are not a play toy for their children and that they should be supervised by their parents at all times.

Certainly, it is expected that everyone's conduct and sportsmanship on the field during the game is to be exemplary. To be educationally sound, our championship events must be learning experiences both on and off the field. As educators, through mutual cooperation, we can help insure this championship event being a series of worthwhile, memorable and lasting experiences for the participants and fans regardless of the final scores on the field.

Congratulations to all of you on qualifying for the Show-Me Bowl. Good luck!
